Hi Alex,

Hope you are doing well.

To fulfill the IR inquiry, Hyundai requests an extension for response to January 19th, 2024.

Please respond if this is possible and if the agency has any questions / concerns.

Thank you,
CS

Good afternoon,

The Office of Defects Investigation (ODI) of the National Highway Traffic Safety Administration (NHTSA) has opened an

Audit Query investigation (AQ23-002) to review the 16 Hyundai and Kia recalls conducted since 2016, involving 6,383,145 vehicles for potential ABS module fires. Please see the advanced copy of the opening resume attached, which will post to the NHTSA website at 5am EST on Monday morning.

For any questions, please contact the Chief of Recall Management Division, Alex Ansley.

Sincerely,

Zoe Jacobson *(she/her)*
