CERTIFICATION OF AUTOMOBILE REPAIRS

Section 167-d(9) of the NEW YORK INSURANCE LAW requires that the following certification be completed and signed by the insured and the automobile repairer. This law also requires submission of the repair invoice (Paid Bill) whenever any repairs are made. The law does not require an insured to repair the automobile as a condition of payment of a loss. This form must be completed and returned to the insurer. A postage paid return envelope has been furnished for your convenience.

X B. I have made repairs to my automobile and I have attached a copy of my invoice

Important Notice to Insured

If this certification is not completed and returned together with a copy of the itemized paid bill, it will be assumed that you did not repair your motor vehicle. If you have a subsequent loss, the company must, to the extent relevant, deduct such unrepaired items as previous damage in settling a future loss. If you do not repair all the damages allowed by the insurer, such repairs not performed may reduce your settlement of any future loss. Therefore, if after signing this certification, you repair any damage caused by this accident, you should notify the company immediately. The company may at that time elect to inspect your automobile.
