Hello Maryann,

The purpose of this message is to define the supply and distribution of the recalled equipment and to influence the prompt initiation of additional safety recalls where necessary. In a review of recall 23V-158, Honda identified your company, Autoliv as the supplier of the recalled equipment. For reference, attached is a copy of the report.

Please, complete and return to me by email the attached spreadsheet providing information about the purchasers to whom your company sold or otherwise provided the equipment or similar equipment. If other manufacturers were supplied, please be advised your company is required to submit a defect information report to NHTSA in accordance with 49 C.F.R. § 573.3(f); and, if it manufactured and sold onto the replacement market, conduct its own recall campaign pursuant to 49 C.F.R. §§ 573.3(d) and 573.5(b).

If no other manufacturers were supplied, sold or otherwise provided the recall equipment, please

respond to this email stating as such.

Please feel free to contact me if you have any questions or concerns. Otherwise I look forward to receiving your response by **June 15, 2023**.

Thank you and stay safe,

Choon Lee
