Crash: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	Fire: <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	Number of Persons Injured: 0	Number of Deaths: 0	Reported to Police: N
--	---	------------------------------	---------------------	-----------------------

Narrative Description of Incident(s), Crash(es), and Injury(ies).  
Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e., parts repaired or replaced (and if old part is available).

WHILE CONSUMER WAS HAVING VEHICLE SERVICED FOR A LEAKING MASTER CYLINDER, THE BRAKE LINE FAILED PER DEALER. PLEASE PROVIDE MORE DETAILS. TS  
There's not spot one of corrosion anywhere on the car. For the brake line to be weakened enough to fail while purging air from the lines after a master cylinder replacement is a worrisome surprise.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice. ATTACH ADDITIONAL SHEETS IF NECESSARY.  
The Privacy Act of 1974—Public Law 93-502 This information is requested pursuant to authority vested in the National Highway Traffic Safety Administration and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
