To: All MINI Parts and Service Managers

Re: Thermostat Housing Situation (Update 5)

Dear Parts and Service Managers,

Due to supplier delays, part number 11 53 8 674 895 will remain on a maximum ordering restriction of 5 per day. Any orders over this maximum limit will be cancelled.

The supplier is working to install an additional line for production to increase supply.

Upon stock arrival, **we will manually release the oldest backorders first regardless of order type (Stock Order, VOR or Late Day VOR). Nearly 800pcs has been release this week. The oldest backorder is dated 7/12/2016.**

Currently there are 2,097 pcs on backorders with 179 pcs showing in dealer inventory; Please use locator for car down situations.

We have 294 pcs currently in transit to the US.

Please remove from automatic replenishment and only order as needed.

We will continue to provide weekly updates.

Thank you,
Parts Logistics
