2015 AutoTex Product Catalog

AutoTex is the brand of Wexco Industries. Wexco was founded by Paula Lombard and Steve Schwartz in 1991. Originally known as Wipers Express, Wexco has grown from a local windshield wiper distributor into a successful manufacturer of custom engineered OEM wiper systems, aftermarket wiper blades, and new for 2015; Snow Tools!

We continue to innovate in the industry. In 2009, we successfully launched AutoTex PINK, a brand around the cause of breast cancer awareness. In 2013, we released our complete line of AutoTex Automotive and Heavy Duty Wiper Blades.

In 2015, we are launching some of our most exciting products in our history! New in 2015 is our:

- New-and-improved AutoTex PINK Plus Flex wipers with 100% UV resistant pink carbon frame and an improved rubber compound.
- Newly developed B1Pro Premium Beam Blades.
- Newly developed AutoTex CAMO Flex Wiper Blades. Each blade is manufactured with a 100% UV resistant camouflage pattern on the frame and guaranteed to never fade.
