Your glove compartment contains an **Owner's Manual** which indicates the scheduled maintenance required for your vehicle. Proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance, may help increase the value you receive when you sell or trade your vehicle, and is important in allowing your vehicle to comply with applicable emissions standards.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Ford engineering specifications. Failure to perform scheduled maintenance as specified in the Owner's Manual will invalidate warranty coverage on

parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your **Owner's Manual**.

Your Ford or Lincoln dealership, or Ford or Lincoln Auto Care Service Center, has factory-trained technicians who can perform the required maintenance using genuine Ford parts. The dealership looks forward to meeting your every service need to maximize your satisfaction with your vehicle.

## WHO PAYS FOR WARRANTY REPAIRS?

You will not be charged for repairs covered by any applicable warranty during the stated coverage periods, unless specifically stated elsewhere in this guide.

Some states have mandated alternate time coverage periods for parts of your vehicle (e.g. seatbelts).

Some states and/or local governments may require a tax on a portion of warranty repairs. Where applicable law allows, the tax must be paid by you, the owner of the vehicle.

During the Bumper to Bumper Warranty period, dealers may receive instructions to provide no-cost, service-type improvements - not originally included in your Owner's Manual - intended to increase your overall satisfaction with your vehicle.

Sometimes Ford may offer a special adjustment program to pay all or part of the cost of certain repairs beyond the terms of the applicable warranty. Check with your dealer or call 1-800-392-3673 to learn whether any adjustment program is applicable to your vehicle. Please have your vehicle identification number available.

## DO WARRANTIES APPLY IN OTHER COUNTRIES?

The **New Vehicle Limited Warranty** and the **Emissions Warranties** described in this booklet apply to your vehicle if:

- it was originally purchased through the Ford Export Operations Military Sales Program; or
- it was originally sold or leased by Ford Motor Company or one of its dealers in the United States or U.S. Federalized Territories, and it was originally registered/licensed and operated in the United States, U.S. Federalized Territories, or Canada.

If you meet either of these two requirements, you do have warranty coverage when you travel with this vehicle outside the United States, U.S. Federalized Territories, or Canada. In some cases, however, you may have to pay the servicing Ford dealer in a foreign country or U.S. Federalized Territory for a repair that is covered under the U.S. warranty. If this happens, be sure to save the paid repair order or invoice. You should present this document to a U.S. Ford Motor Company dealer for warranty refund consideration. Refer to www.Ford.com for additional customer assistance reference information.

# 3. The New Vehicle Limited Warranty for your 2019-model vehicle

## LIMITATIONS AND DISCLAIMERS

All of the warranties in this booklet are subject to the following limitations and disclaimers:

The warranties in this booklet are the only express warranties applicable to your vehicle. Ford does not assume or authorize anyone to assume for it any other obligation or liability in connection with your vehicle or these warranties. No person, including Ford employees or dealers, may modify or waive any part of these warranties.

Ford and its dealers reserve the right to make changes in or additions to vehicles built or sold by them at any time without incurring any obligation to make the same or similar changes or additions to vehicles previously built or sold.

Ford and its dealers also reserve the right to provide post-warranty repairs, conduct recalls, or extend the warranty coverage period for certain vehicles or vehicle populations, at the sole discretion of Ford. The fact that Ford has provided such measures to a particular vehicle or vehicle population in no way obligates Ford to provide similar accommodations to other owners of similar vehicles.

As a condition of these warranties, you are responsible for properly using, maintaining, and caring for your vehicle as outlined in your Owner's Manual. Ford recommends that you maintain copies of all maintenance records and receipts for review by Ford.

PE23-015 000927 LC SV

Ford and your dealer are not responsible for any time or income that you lose, any inconvenience you might be caused, the loss of your transportation or use of your vehicle, the cost of rental vehicles, fuel, telephone, travel, meals, or lodging, the loss of personal or commercial property, the loss of revenue, or for any other incidental or consequential damages you may have.

Punitive, exemplary, or multiple damages may not be recovered unless applicable law prohibits their disclaimer.

You may not bring any warranty-related claim as a class representative, a private attorney general, a member of a class of claimants or in any other representative capacity.

Ford shall not be liable for any damages caused by delay in delivery or furnishing of any products and/or services.

You may have some implied warranties. For example, you may have an implied warranty of merchantability (that the car or light truck is reasonably fit for the general purpose for which it was sold) or an implied warranty of fitness for a particular purpose (that the car or light truck is suitable for your special purposes), if a special purpose was specifically disclosed to Ford itself not merely to the dealer before your purchase, and Ford itself not just the dealer told you the vehicle would be suitable for that purpose.

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties, or to the applicable time period provided by state law, whichever period is shorter.

## DISCLAIMER OF IMPLIED WARRANTIES FOR BUSINESS AND RACING USE

****** Ford disclaims all implied warranties if the vehicle is used for business or commercial purposes. ******

****** Ford disclaims the implied warranty of fitness for a particular purpose if your vehicle is used for racing, even if the vehicle is equipped for racing. ******

The warranties contained in this booklet and all questions regarding their enforceability and interpretation are governed by the law of the state in which you purchased your Ford vehicle. Some states do not allow Ford to limit how long an implied warranty lasts or to exclude or limit incidental or consequential damages, so the limitation and exclusions described above may not apply to you.

## APPLICABILITY OF LIMITATIONS OF IMPLIED WARRANTY TO NEW VEHICLE LIMITED WARRANTY AND EMISSIONS WARRANTY

****** This information about the limitation of implied warranties and the exclusion of incidental and consequential damages under the NEW VEHICLE LIMITED WARRANTY also applies to the EMISSIONS WARRANTIES described on pages 17-29. ******

Ford participates in the BBB AUTO LINE warranty dispute resolution program. You may contact BBB AUTO LINE by calling 800-955-5100.

You are required to submit your warranty dispute to the BBB AUTO LINE before exercising rights or seeking remedies under the Federal Magnuson-Moss Warranty Act, 15 U.S.C. § 2301 et seq. To the extent permitted by the applicable state "Lemon Law", you are also required to submit your warranty dispute to the BBB AUTO LINE before exercising any rights or seeking remedies under the "Lemon Law". If you choose to seek remedies that are not created by the Magnuson-Moss Warranty Act or the applicable state "Lemon Law," you are not required to first use BBB AUTO LINE to resolve your dispute – although the program is still available to you.

For more information regarding the BBB AUTO LINE program, see page 32 of this booklet.

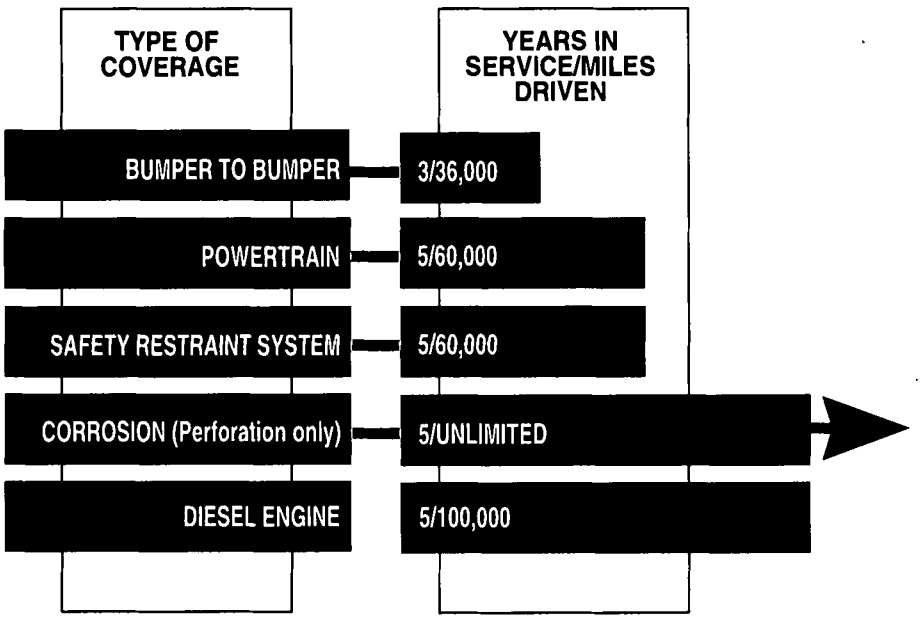
## QUICK REFERENCE: WARRANTY COVERAGE

This chart gives a general summary of your warranty coverage provided by Ford Motor Company under the **New Vehicle Limited Warranty.** Please refer to the description of warranty coverage for more specific information.

For each type of coverage, the chart shows two measures:

- years in service
- miles driven

**Your New Vehicle Limited Warranty**



The measure that occurs first determines how long your coverage lasts. For example: Your Bumper to Bumper Coverage lasts for three years - unless you drive more than 36,000 miles before three years elapse. In that case, your coverage ends at 36,000 miles.

For more details on coverage, see:

➡ **What is Covered?** (pages 8-12)
➡ **What is Not Covered?** (pages 12-15)

## WHAT IS COVERED?

Your NEW VEHICLE LIMITED WARRANTY gives you specific legal rights. You may have other rights that vary from state to state. Under your New Vehicle Limited Warranty if:

- your Ford vehicle is properly operated and maintained, and

- was taken to a Ford dealership for a warranted repair during the warranty period,

then authorized Ford Motor Company dealers will, without charge, repair, replace, or adjust all parts on your vehicle that malfunction or fail during normal use during the applicable coverage period due to a manufacturing defect in factory-supplied materials or factory workmanship.

This warranty does not mean that each Ford vehicle is defect free. Defects may be unintentionally introduced into vehicles during the design and manufacturing processes and such defects could result in the need for repairs. Ford provides the New Vehicle Limited Warranty only to remedy manufacturing defects that result in vehicle part malfunction or failure during the warranty period.

The remedy under this written warranty, and any implied warranty, is limited to repair, replacement, or adjustment of defective parts. This exclusive remedy shall not be deemed to have failed its essential purpose so long as Ford, through its authorized dealers, is willing and able to repair, replace, or adjust defective parts in the prescribed manner. Ford's liability, if any, shall in no event exceed the cost of correcting manufacturing defects as herein provided and upon expiration of this warranty, any such liability shall terminate.

Conditions that are not covered by the New Vehicle Limited Warranty are described on pages 12-15. When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured or other parts that are authorized by Ford, at the discretion of Ford or the Ford dealership.

Nothing in this warranty should be construed as requiring defective parts to be replaced with parts of a different type or design than the original part, so long as the vehicle functions properly with the replacement part. Moreover, Ford and its authorized dealers are entitled to a reasonable time and a reasonable number of attempts within which to diagnose and repair any defect covered by this warranty.

In certain instances, Ford may authorize repairs at other than Ford dealer facilities.

Two separate warranties apply to tires on your new vehicle. The New Vehicle Limited Warranty covers tire defects in factory supplied material or workmanship for 100% of labor costs and on a pro rata adjustment basis for parts. (See the reimbursement schedule below).

For vehicles within the New Vehicle Limited Warranty time in service and mileage coverage period, defective tires will be replaced on a pro rata adjustment basis according to the following mileage-based Reimbursement Schedule:

| MILES DRIVEN | PERCENT OF PARTS COVERED BY FORD |
|---|---|
| 1-12,000 | 100% |
| 12,001-24,000 | 60% |
| 24,001-36,000 | 30% |

The tire manufacturer also provides you with a separate tire warranty that may extend beyond the New Vehicle Limited Warranty coverage. You will find the manufacturer's tire warranty with the owner literature supplied with your vehicle. You have the option of having a tire warranty repair performed by the tire manufacturer's authorized service center. If you go to a tire service center for a repair covered by the New Vehicle Limited Warranty, you may be charged a prorated amount for wear or other charges. If so, you should present your paid invoice detailing the nature of the charges to any Ford Motor Company dealership for refund consideration. When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured or other parts that are authorized by Ford. In certain instances, Ford may authorize repairs at other than Ford dealer facilities. Tire replacements under warranty will be made with the same brand and model as originally equipped with the vehicle unless the same brand and model is no longer available, in which case a tire of the same brand, size, load, speed and tread type will be used. In some circumstances, Ford may authorize another brand and/or model to substitute for the original brand and model, even if still available.

Normal tire wear or damage is not reimbursable. See page 15 for details of what is not covered.

**Extended warranty coverage periods are available for certain vehicle parts and conditions. Specifically,**

(1) Your vehicle's Powertrain components are covered for five years or 60,000 miles, whichever occurs first. The extended coverage applies to the **Engine:** all internal lubricated parts, cylinder block, cylinder heads, electrical fuel pump, powertrain control module, engine mounts, flywheel, injection pump, manifold (exhaust and intake), manifold bolts, oil pan, oil pump, seals and gaskets, engine thermostat, engine thermostat housing, timing chain cover, timing chain (gears or belt), turbocharger/supercharger unit, valve covers, water pump;

**Transmission:** all internal parts, clutch cover, seals and gaskets, torque converter, transfer case (including all internal parts), transmission case, transmission mounts; **Front-Wheel Drive:** axle shafts, front bearings, seals and gaskets, universal and constant velocity joints; **Rear-Wheel Drive:** axle shafts, rear bearings, center support bearing, drive axle housing (including all internal parts), drive shaft, retainers, supports, seals and gaskets, universal and constant velocity joints.

The extended warranty coverage only applies if a body sheet metal panel becomes perforated due to corrosion during normal use due to a manufacturing defect in factory-supplied materials or factory workmanship. If aluminum body panels have corrosion or rust damage, and the damage is not the result of abnormal usage, vehicle accident, customer actions and/or extreme environmental conditions, the corrosion or rust damage repairs are covered for 5 years, unlimited miles. For damage caused by airborne material (environmental fallout) where there is no factory-related defect involved and therefore no warranty – our policy is to provide free repair of paint damage due to the airborne material for 12 months or 12,000 miles, whichever occurs first.

(4) Your vehicle's direct injection diesel engine and certain engine components are covered during the Diesel Engine Coverage Period, which lasts for five years or 100,000 miles, whichever occurs first. The following parts are covered during this extended coverage period: the engine, cylinder block, heads and all internal parts, intake and exhaust manifolds, timing gear, harmonic balancer, valve covers, oil pan and pump, water pump, fuel system (excluding fuel lines, fuel tank and frame mounted fuel conditioning module sometimes referred to as the frame mounted pump/filter/water separator or frame mounted fuel filter/water separator), high pressure lines, gaskets and seals, glow plugs, turbocharger, two-stage turbocharger assembly, turbocharger actuator,

powertrain control module, high pressure fuel injection pump assembly, injectors, injection pressure sensor, fuel rail pressure sensor, exhaust back pressure regulator and sensor, exhaust pressure sensor, manifold pressure sensor, intake air temperature sensor, crankshaft position sensor, camshaft position sensor, accelerator switch.

**NOTE:** Some components may also be covered by the Emissions Warranties. For more information, see pages 17-29.

If you own or lease a 2019-model Next Generation Police Interceptor Vehicle (NGPI), refer to the Warranty Addendum Card that was given to you when you took delivery of your vehicle for further explanation of Amendments to the New Vehicle Limited Warranty. The Warranty Addendum applies only the NGPI vehicles delivered in the State of Florida and New York.

If you need towing beyond the five years or 60,000 miles (whichever occurs first) period, Ford can arrange roadside assistance and charge your credit card. If the reason for the vehicle disablement is later found to be covered by another Ford warranty, Ford will provide a refund for the tow charge under the other warranty, through the dealership.

**For emergency roadside assistance, call 1-800-241-3673, 24 hours a day, 365 days a year.**

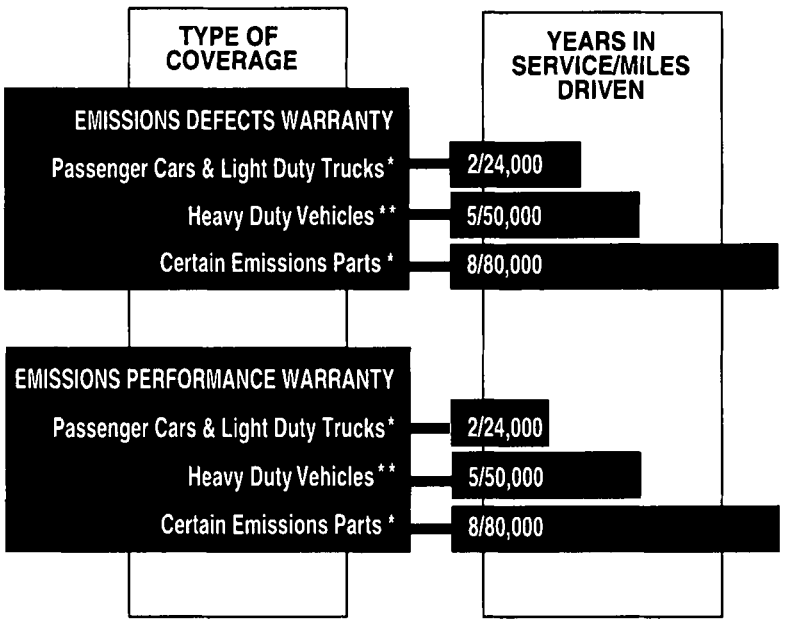
# 5. Federal requirements for emissions warranties

## QUICK REFERENCE: EMISSIONS WARRANTY COVERAGE

This chart shows your warranty coverage under two emissions warranties that Ford Motor Company provides, in compliance with Federal requirements. The warranties are:

- Emissions Defects Warranty
- Emissions Performance Warranty

**Emissions Warranties for Your Vehicle**



* Applies to vehicles up to 8,500 pounds gross vehicle weight rating (GVWR)
** Applies to trucks over 8,500 pounds gross vehicle weight rating (GVWR) up to 19,500 pounds gross vehicle weight rating (GVWR). Vocational vehicle tires covered for 2/24,000 for defects that affect compliance with greenhouse gas requirements.

For full details on emissions control coverage, see:

- ➡ **Emissions Defect Warranty** (page 18)
- ➡ **Emissions Performance Warranty** (page 19)
- ➡ **What is Covered?** (pages 20-21)
- ➡ **What is Not Covered?** (page 21)

## EMISSIONS DEFECT WARRANTY COVERAGE

  - — The emissions warranty coverage period for heavy duty vehicles (HDVs) is 5 years or 50,000 miles (whichever comes first) for all parts covered by your emissions warranty.

    • **Only for HDVs <u>not</u> designated as "vocational vehicles" on the underhood "VEHICLE EMISSION CONTROL INFORMATION" label:** The 5 year/50,000 mile warranty includes coverage of components whose failure would increase the vehicle's emissions of air conditioning refrigerants.

    • **Only for HDVs designated as "vocational vehicles" on the underhood "VEHICLE EMISSION CONTROL INFORMATION" label:** Tire defects that affect compliance with emission standards are covered for 2 years or 24,000 miles, whichever comes first.

## EXPLANATION OF CALIFORNIA EMISSIONS WARRANTIES

### Your Warranty Rights and Obligations

The California Air Resources Board and Ford Motor Company are pleased to explain the emission control system warranty on your 2019-model vehicle. In California, new motor vehicles must be designed, built, and equipped to meet the State's stringent anti-smog standards. Ford must warrant the emission control system on your vehicle for the periods of time listed on pages 24-26, provided there has been no abuse, neglect, or improper maintenance of your vehicle.

Your emission control system may include parts such as the fuel injection system, the ignition system, catalytic converter, and the engine computer. Also included may be hoses, belts, connectors, and other emissions-related assemblies.

Where a warrantable condition exists, Ford Motor Company will repair your vehicle at no cost to you including diagnosis, parts, and labor.

### Manufacturer's Warranty Coverage

For Vehicles Eligible for California Emission Warranty Coverage

If Gross Vehicle Weight Rating is 14,000 lbs. or less:

For 3 years or 50,000 miles (whichever first occurs):

1. If your vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Ford to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.

2. If any emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your short-term emission control system DEFECTS WARRANTY.

For 7 years or 70,000 miles (whichever first occurs):

If a high-priced emissions-related part is defective or if its failure causes your vehicle to fail a Smog Check inspection, the part will be repaired or replaced by Ford. This is your long-term emission control system DEFECTS WARRANTY.

For a list of the high-priced emission-related parts that are covered for 7 years or 70,000 miles, go to www.owner.ford.com / Owner Manuals. Select the list that corresponds to the model and the model year of your vehicle. NOTE: This list is vehicle specific and may not be the same for all vehicles. It is based on the replacement cost of each specific part, which can vary between vehicle lines.

If Gross Vehicle Weight rating is over 14,000 lbs.:

For 5 years or 50,000 miles (gasoline powered engines and vehicles) or 5 years or 100,000 miles (diesel powered engines and vehicles) (whichever first occurs):

If an emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your emission control system DEFECTS WARRANTY.

## Owner's Warranty Responsibilities

As the vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Ford Motor Company recommends that you retain all receipts covering maintenance on your vehicle, but Ford cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your vehicle to a Ford Motor Company dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that Ford Motor Company may deny you warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, or if you want to report what you believe to be violations of the terms of this warranty, you may contact the Ford Customer Relationship Center at 1-800-392-3673 (FORD) or the California Air Resources Board at:

**California Air Resources Board**
**9528 Telstar Avenue**
**El Monte, California 91731**

## Important Information about List of Parts

There may be additional coverage for these parts through the Bumper to Bumper, Powertrain, or Diesel Engine limited warranties. In any case, the warranty with the broadest coverage applies.

Also covered by this warranty are all emissions-related bulbs, hoses, clamps, brackets, tubes, gaskets, seals, belts, connectors, non diesel fuel lines, and wiring harnesses that are used with components on the list of parts above.

Concerning parts that should be replaced on a certain maintenance schedule: these parts remain under warranty until the first required replacement time that is specified in your **Owner's Manual**.

**NOTE**: If the diagnosis does not reveal a defect, the Defects Warranty does not apply.

Your Ford Motor Company dealer maintains a complete list of covered parts. For more details about the specific parts that are covered by the Defects Warranty, contact your dealer.

## WHAT IS NOT COVERED?

Ford Motor Company may deny you emissions warranty coverage if your vehicle or a part does not contain a defect that affects emissions or has failed because of abuse, neglect, improper maintenance, unapproved modifications, or any items included in **What Is Not Covered?**, pages 12-15.

# 7. Additional information about your emissions warranty coverage, under Federal and California requirements

## HOW DO I GET WARRANTY SERVICE?

To get service under your emissions warranties, take your vehicle to any Ford Motor Company dealer as soon as possible after illumination of the Malfunction Indicator Light or it has failed an EPA-approved test or a California Smog Check inspection. Be sure to show the dealer the document that says your vehicle has failed the test.

Your dealer will determine whether the repair is covered by the warranty. If the dealer has a question about Emissions Performance Warranty coverage, it will forward the question to Ford Motor Company, which must make a final decision within 30 days after you bring your vehicle in for repair. (The decision will be made within a shorter time if state, local, or federal law requires you to have the vehicle repaired more quickly in order to avoid additional penalties.) The deadline for a determination about Emissions Performance Warranty Coverage does not need to be met if you request a delay, agree to a delay in writing, or if the delay is caused by an event for which neither Ford nor your dealer is responsible. If a question about Emissions Performance Warranty coverage is referred to Ford Motor Company, you will be notified by Ford Motor Company in writing if your claim for warranty coverage is denied. The notice will explain the basis for denying your claim. If you fail to receive this notice within a timely manner, as determined above, Ford will perform the warranty repair for you free of charge.

## HOW DO I HANDLE EMERGENCY REPAIRS?

If your vehicle needs an emergency warrantable repair and a Ford Motor Company dealer is not available, or if a Ford Motor Company dealer cannot perform warrantable repair(s) within 30 days of you bringing your vehicle to the dealer, repairs may be performed at any service establishment or by you using Ford equivalent replacement parts.

Ford will reimburse you for the cost of these warranty repairs including diagnosis, if you take the part(s) that are replaced and the repair receipt(s) to a Ford Motor Company dealer. The reimbursement shall not exceed Ford's suggested retail price for the warranted parts that are replaced and labor charges based on Ford's recommended time allowance for the warranty repair and the geographically appropriate hourly rate.

PE23-015 000951 LC SV

## WHAT REPLACEMENT PARTS SHOULD I USE?

Ford Motor Company recommends that you use genuine Ford replacement parts. However, when you are having non-warranty work done on your vehicle, you may choose to use non-Ford parts. If you decide to use non-Ford parts, be sure they are equivalent to Ford parts in performance, quality, and durability. If you use replacement parts that are not equivalent to Ford parts, your vehicle's emissions control systems may not work as effectively, and you may jeopardize your emissions warranty coverage.

Under the Federal and California emissions warranties, Ford will repair or replace covered parts if they are properly installed Ford parts or the equivalent, or non-Ford parts that have been certified by the U.S. EPA or the California Air Resources Board (CARB). Ford is not responsible for the cost or repairing or replacing non-Ford parts that are not equivalent to Ford parts or that have not been certified by EPA or CARB.

**The maintenance, replacement, or repair of emissions control devices or systems can be performed by any automotive repair establishment or individual using Ford replacement parts or the equivalent, or EPA- or CARB-certified parts, without voiding your emissions warranty coverage for future repairs during the applicable warranty period.**

## PROPER MAINTENANCE PRESERVES YOUR WARRANTY

If you do not maintain your vehicle properly, Ford may have the right to deny you warranty coverage.

To have repairs made under this warranty, you may have to show that you have followed Ford's instructions on properly maintaining and using your vehicle. You will find these instructions in your **Owner's Manual**. Be sure to save your service receipts and to keep accurate records of all maintenance work.

## CUSTOMER ASSISTANCE

If you are not satisfied with the handling of a warranty matter, see **Customer Assistance**, on the inside front cover, and **Better Business Bureau (BBB) AUTO LINE program**, page 32.

## THE NOISE EMISSIONS WARRANTY OBLIGATIONS DO NOT APPLY TO:

# 10. The Better Business Bureau (BBB) AUTO LINE Program (U.S. Only)

Your satisfaction is important to Ford Motor Company and to your dealer. If a warranty concern has not been resolved using the three-step procedure outlined on the first page of the Customer Assistance section, you may be eligible to participate in the BBB AUTO LINE program.

The BBB AUTO LINE program consists of two parts — mediation and arbitration. During mediation, a representative of the BBB will contact both you and Ford Motor Company to explore options for settlement of the claim. If an agreement is not reached during mediation and your claim is eligible, you may participate in the arbitration process. An arbitration hearing will be scheduled so that you can present your case in an informal setting before an impartial person. The arbitrator will consider the testimony provided and make a decision after the hearing.

You are not bound by the decision, but should you choose to accept the BBB AUTO LINE decision, Ford must abide by the accepted decision as well. Disputes submitted to the BBB AUTO LINE program are usually decided within forty days after you file your claim with the BBB.

BBB AUTO LINE Application: Using the information provided below, please call or write to request a program application. You will be asked for your name and address, general information about your new vehicle, information about your warranty concerns, and any steps you have already taken to try to resolve them. A Customer Claim Form will be mailed that will need to be completed, signed, and returned to the BBB along with proof of ownership. Upon request, the BBB will review the claim for eligibilty under Program Summary Guidelines.

**You can get more information by callng BBB AUTO LINE at 1-800-955-5100, or writing to:**

**BBB AUTO LINE**
**3033 Wilson Boulevard, Suite 600**
**Arlington, Virginia 22201**

BBB AUTO LINE applications can also be requested by calling the Ford Motor Company Customer Relationship Center at 1-800-392-3673.

**Note:** Ford Motor Company reserves the right to change eligibility limitations, modify procedures, or to discontinue this process at any time without notice and without obligation.

# 11. State warranty enforcement laws

These state laws - sometimes called lemon laws - allow owners to receive a replacement vehicle or a refund of the purchase price, under certain circumstances. The laws vary from state to state.

To the extent your state law allows, Ford Motor Company requires that you first send us a written notification of any defects or non-conformities that you have experienced with your vehicle. (This will give us the opportunity to make any needed repairs before you pursue the remedies provided by your state's law.)

In all other states where not specifically required by state law, Ford Motor Company requests that you give us the written notice. Send your written notification to:

**Ford Motor Company**
**Customer Relationship Center**
**P.O. Box 6248**
**Dearborn, MI 48126**

PE23-015 000956 LC SV

# 12. Important information about ambulance conversions

Ford vehicles are suitable for producing ambulances only if equipped with the **Ford Ambulance Prep Package**. In addition, Ford urges ambulance manufacturers to follow the recommendations of the **Ford Incomplete Vehicle Manual** and the **Ford Truck Body Builders Layout Book** (and pertinent supplements).

**Using a Ford vehicle without the Ford Ambulance Prep Package to produce an ambulance could result in elevated underbody temperatures, fuel overpressurization, and the risk of fuel expulsion and fires. Such use also voids the Ford Bumper to Bumper Warranty and may void the Emissions Warranties.**

You may determine whether the vehicle is equipped with the **Ford Ambulance Prep Package** by inspecting the information plate on the driver's rear door pillar.

You may determine whether the ambulance manufacturer has followed Ford's recommendations by contacting the ambulance manufacturer of your vehicle.

Dear Sir/Madam:

Please be advised that this law firm represents the legal interests of [redacted] relating to the purchase of the above-mentioned vehicle. Let this letter serve as notification that you immediately cease and desist all communications with our client. **The only exception is the dealership may communicate with our client in reference to current and future repairs. The dealer must also provide all necessary documentation for our client including but not limited to repair orders, sales documents and current registration.** Moreover, if you make any attempts to settle with our client without including all statutory relief, including all damages attorney fees and costs the consumer is entitled to, we may file suit against you. This letter hereby notifies you of our attorney's lien with respect to our client.

Please let this letter also serve as notification that our client's vehicle is defective. The vehicle has been brought in for repairs several times for numerous defects and although you have been afforded sufficient opportunities for repairs, the defects continue to exist and substantially impair the use and value and/or safety of the vehicle. If you are interested in any further repairs pursuant to the Lemon Law you must contact me immediately. Our client demands that you immediately take action as required by law.

This letter shall also serve as our client's Revocation of Acceptance pursuant to the Uniform Commercial Code § 2608 and notice of defect under the Lemon Law. Due to the serious defects with the Vehicle since its purchase, our client hereby demands a return of the full purchase price along with all interest paid on the finance note or a replacement vehicle as well as attorney fees and costs and incidental and consequential damages within 10 days of receipt of this letter to settle this matter prior to filing a lawsuit.

Please be advised that if you do not adhere to our demands within 10 days, our client has instructed me to file a lawsuit against you asserting claims that include, but in no way are limited to, breach of warranties, both express and implied, violation of the Magnuson Moss Warranty Act, violation of the Lemon Law, revocation of acceptance, and common law breach of contract. Please direct all future communication to my attention.

Respectfully submitted,

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (*www.lawhelpcalifornia.org*), the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), or by contacting your local court or county bar association. ## STATEMENT OF THE FACTS

16. Plaintiff re-alleges and incorporates by reference all proceeding paragraphs 1 through 14 as though fully set forth herein.

17. On or around August 03, 2018 Plaintiff leased a new 2018 Eco Sport (hereinafter "Vehicle"), VIN MAJ3PITE8JC[redacted] from Folsom Lake Ford (hereinafter "Dealership") located at 12755 Folsom Blvd, Folsom CA 95630.

18. The Vehicle was sold with FORD 3yrs/ 36,000 miles bumper to bumper warranty and 5yrs/ 60,000 miles powertrain warranty, to be free from defects in materials and workmanship. 22. Plaintiff has suffered through an ongoing and reoccurring problem with the engine in 2018 Ford Eco-sport.
23. Defendant FORD is well aware of the chronic issues that have plagued the Vehicle.
24. Plaintiff's Vehicle continued to experience serious engine issues. Plaintiff was forced to return to FORD several times with the same underlying engine issues.
25. The Vehicle still shudders under acceleration and Plaintiff feels anxiety every time she operates the Vehicle.
26. The issues plaguing the Vehicle are not the fault of the Plaintiff. Plaintiff has meticulously maintained the Vehicle. The uncorrected issues are the fault of Defendant FORD.
27. The servicing Dealerships are Defendant FORD's agents in the capacity as they perform warranty repairs on behalf of and for FORD. It is clear that FORD is unable to fix, remedy and or repair the Vehicle to conform to the warranty. The Defendant's multiple replacements of the transmission and repair attempts have proven willfully unsuccessful in resolving the issue.
28. Plaintiff paid top dollar for the Vehicle and is reasonably entitled to expect great professional service and reliably strong vehicle. It is obvious that the chronic problems and defects are not acceptable in this class of vehicles.
29. FORD's multiple failures to remedy, repair and or fix the issues with the Vehicle have left the Plaintiff with no reasonable alternative but to bring this legal action.

## FIRST CAUSE OF ACTION

### Breach of Express Warranty-Song-Beverly Consumer Warranty Act

**Against FORD**

30. Plaintiff re-alleges and incorporates by reference all proceeding paragraphs 1 through 29 as though fully set forth herein.

31. In connection with the sale of the defective Vehicle, Defendant FORD provided the warranty as articulated in paragraph 18 herein the complaint. Under the terms of the warranty, FORD undertook to preserve and maintain the utility and performance of the Vehicle and to provide compensation to the original and subsequent private purchasers of the Vehicle if there is a failure of utility and or performance within said warranty period.

32. The warranty is an express warranty and a written warranty within the meaning defined, respectively, in Civil Code §1791.2 and 15 U.S.C. § 2301 (6).

33. The above-described defects, malfunctions, and nonconformities, more fully explained above in Paragraph 21, substantially impair the use, value, and safety of the vehicle.

34. Defendant FORD violated Civil Code § 1793.2, subdivision (d)(2) when it breached the express warranty provided by refusing within a reasonable number of attempts to service or repair the vehicle so as to conform it to the express warranty and again violated this same subsection when it subsequently failed to offer Plaintiff a repurchase or replacement of vehicle including restitution of all money paid out toward the vehicle, and interest on the same.

35. Under Civil Code § 1793.2(d)(2), FORD must, upon election by Plaintiff, reimburse the vehicle's price to Plaintiff or replace vehicle with a like vehicle. Plaintiff hereby again revokes her acceptance of the vehicle, rescind the contract, and demands a complete refund as explained above.

36. FORD violated Civil Code §§ 1793.3 and 1793.4 by failing to commence service and repair within reasonable time, and failing to tender conforming goods within 30 days.

37. Under Civil Code §§ 3287 and/or 3289 (a) Plaintiff is entitled to interest at the contracted for rate on all money paid toward the vehicle from the date of contract and hereby assert her claim for the same.

38. Plaintiff notified Defendant FORD of the problems suffered by the Vehicle and FORD willfully refused to acknowledge all the repair attempts and failed to service vehicle and/or remedy the aforementioned problems, as more fully explained above at Paragraph No. 21, within a reasonable amount of time under warranty. The failure of FORD to comply with the express warranty provided was willful in that FORD had actual knowledge nonconformities prior to and/or subsequent to Plaintiff's purchase of Vehicle. FORD knew of its legal duties under warranty. Subsequent to purchase of the Vehicle, FORD refused to make necessary repairs timely and correctly under warranty. FORD has since failed to offer Plaintiff a complete repurchase or refund. For the aforementioned and following reasons, under Civil Code § 1794(e)(1) [citing Civil Code § 1793.2(d)(2)] Plaintiff is entitled to a civil penalty of up to 2 times the amount of her damages in addition to such actual damages.

39. Under Civil Code § 1795.6 (a) and (b) the warranty cannot expire since the repair attempts failed to remedy the problems during the warranty period.

40. Under Civil Code § 1794 (a) Plaintiff is entitled to restitution of all consideration given and hereby elects the same.

41. As a proximate result of said breaches of express warranty, and of said rescission, Plaintiff has sustained, and continues to sustain, incidental and consequential damages, both economic and noneconomic, plus civil penalties and interest, according to proof.

42. Under Civil Code §1794(d) Plaintiff is entitled to attorney fees and expenses reasonably incurred in connection with this action.

## SECOND CAUSE OF ACTION

### Breach of Implied Warranty-Song-Beverly Consumer Warranty Act

### Against FORD

43. Plaintiff re-alleges and incorporates by reference all proceeding paragraphs 1 through 42 as though fully set forth herein.

44. FORD breached the implied warranties of merchantability and fitness as stated in Civil Codes §§ 1791.1; 1792; and 1792.1 in that the defects and nonconformities more fully

explained above in Paragraph No. 21 make the vehicle not merchantable, unfit for its ordinary and/or specific purposes, and it would not pass without objection in the trade.

45. Because of the breaches of implied warranties, Plaintiff again revokes acceptance of the Vehicle and rescinds the contract. Under Civil Code §§ 1794 (a) Plaintiff is entitled to restitution of all consideration given.

46. Under Civil Code §§ 3287 and/or 3289 (a) Plaintiff is entitled to interest on all money paid toward vehicle at the contracted for rate from the date of contract and hereby again asserts her claim for the same.

47. For the reasons stated above in Paragraph No. 20, under Civil Code § 1794 (c) and/or § 1794 (e)(1), Plaintiff is entitled to a civil penalty of up to 2 times the amount of her damages in addition to the actual damages suffered.

48. Under Civil Code § 1795.6 (a) and (b) the warranty cannot expire since the repair attempts failed to remedy the problems during the warranty period.

49. The failure of FORD to comply with the implied warranties provided was willful in that it had actual and/or reasonable knowledge of the nonconformities prior to Dealer selling the Vehicle to Plaintiff, knew of its legal duties under the applicable implied warranty, and subsequently refused to timely make necessary repairs, replacement, or refund. Therefore, under Civil Code § 1794 (c) and/or § 1794 (e)(1), Plaintiff is entitled to a civil penalty of up to two times the amount of her actual damages in addition to the actual damages suffered.

50. As a proximate result of said breaches of implied warranties, and of said rescission, Plaintiff has sustained, and continues to sustain, incidental and consequential damages, both economic and noneconomic, plus civil penalties and interest, according to proof.

51. Under Civil Code § 1794 (d), Plaintiff is entitled to attorney fees and expenses reasonably incurred in connection with this action.

## THIRD CAUSE OF ACTION

### Business and Professions Code § 17200

### Against FORD

52. Plaintiff re-allegcs and incorporates by reference all proceeding paragraphs 1 through 51 as though fully set forth herein.

53. Plaintiff brings this action against Defendant, FORD, for its alleged violation of *California Business and Professions Code §§ 17200 et seq.* (Unfair Competition Act) ("Act"). The Act prohibits "any unlawful, unfair, or fraudulent business act or practice" or "unfair, deceptive, untrue, or misleading advertising." Defendant's violation of the Song-Beverly Act, placing a known defective vehicle with a known defective design into the stream of commerce without warning and or remedying the defect are dcceptive business practices and was a fraudulent business practice.

54. Plaintiff alleges that *Cal. Bus. & Prof. Code §§ 17200 et seq.* prohibits thc "unlawful" Defendant conduct described previously and in greater detail herein throughout the complaint and that Plaintiff has suffered injury in fact as a result of Defendant's "unlawful" conduct.

55. Specifically, Defendant FORD intentionally placed the Subject Vehicle into the stream of commerce, even though it knew the Vehicle suffeied from manufacturing defects such as faulty engines, transmissions and electrically issues.

56. Defendant CYPRESS was well aware of the highly defective components in this Vehicle. Defendant intentionally failed to diagnose the issues in the Vehicle due to the fact that their repairs would prove willfully inadequate. Defendant knew that FORD was likely not to reimburse them for multiple repair due to the same underlying issue.

57. Plaintiff alleges that Defendant's conduct constitutes unfair competition within the meaning of the Act, insofar as the Act prohibits "any unlawful, unfair, or fraudulent business act or practice" or "unfair, deceptive, untrue, or misleading advertising." Plaintiff alleges that they have suffered an "injury in fact" because of Defendant's unfair competition. Pursuant to *Hill v. Time, Inc. (2008)* 158 Cal.App.4th 847, 854-55, "[A] plaintiff suffers injury in fact for purposes of standing under the [Act] when he or she has: (1) expended money due to the defendant's act of unfair competition; (2) lost money or property; or (3) been denied money to which he or she has cognizable claim."

PE23-015 000985 LC SV

58. Plaintiffs Vehicle has lost tremendous value due to the well-known chronic issues. Due to CYPRESS and FORD's failed repair attempts, they have stopped using the Vehicle for fear that the Vehicle will strand them or cause an accident. The Plaintiffs have had to spend money traveling back and forth to the Dealership for failed repairs. The Plaintiffs have had to hire counsel to pursue their valid warranty claims against the defendants.

59. Plaintiff alleges that as a result of Defendant's unfair competition within the meaning of the Act; to wit, violation of the Song-Beverly Act, knowingly selling a defectively manufactured vehicle. Plaintiff has had to hire an attorney to resolve the issue. Plaintiff has suffered "injury in fact" and is entitled to damages

## PRAYER FOR RELIEF

WHEREFORE, Plaintiff pray for judgment as follows:

1. A declaration that the purchase contract is rescinded;
2. A declaration that Defendant FORD has been given a reasonable number of repair attempts and/or days to conform the vehicle to the warranty;
3. Actual damages, according to proof;
4. Restitution of all consideration given by Plaintiff and/or paid out toward the vehicle;
5. Civil Penalties on each violation of the Song-Beverly Act in the amount of two times actual damages;
6. Reasonable attorney fees according to proof;
7. Costs and expenses reasonably incurred in connection with this action;
8. An order requiring Defendants to account for all monies that they have received as a result of the acts and practices found to constitute unfair competition pursuant to *Cal. Bus. & Prof. Code §§ 17200 et.seq.;*
9. An order requiring Defendants to abstain from any further acts and practices found to constitute unfair competition pursuant to *Cal. Bus. & Prof. Code §§17200 et. seq.;*

10. Such other relief as the court deems proper.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

**Case Management Statement**

All parties must file and serve a case management statement at least 15 calendar days before the case management conference. Parties are encouraged to file a single joint case management statement.

**Minimum Requirements**
Prior to the filing of the case management statement, the parties should have done the following:
-Served all parties named in the complaint within 60 days after the summons has been issued
-Ensured that all defendants and cross-defendants have answered, been dismissed, or had their defaults entered

**Tentative Ruling**
Following its review of the case management statement(s), the court may determine that a case management conference is not necessary.

# ALTERNATIVE DISPUTE RESOLUTION INFORMATION PACKAGE

Recognizing that many civil disputes can be resolved without the time and expense of traditional civil litigation, the Superior Court of California, County of Sacramento (Sacramento County Superior Court), strongly encourages parties in civil cases to explore and pursue the use of Alternative Dispute Resolution.

**What is Alternative Dispute Resolution?**

Alternative Dispute Resolution (ADR) is the general term applied to a wide variety of dispute resolution processes which are alternatives to lawsuits. Types of ADR processes include:

- Arbitration
- Mediation
- Settlement Conferences
- Private judging
- Neutral evaluation
- Mini-trials
- Negotiation and *hybrids* of these processes

All ADR processes offer a partial or complete alternative to traditional court litigation for resolving disputes. At the present time, the Sacramento County Superior Court offers Mediation and Arbitration.

**What are the advantages of using ADR?**

ADR can have a number of advantages over traditional court litigation.

- **ADR can save time.** Even in a complex case, a dispute can be resolved through ADR in a matter of months or weeks, while a lawsuit can take years.
- **ADR can save money.** By producing earlier settlements, ADR can save parties and courts money that might otherwise be spent on litigation costs (attorneys fees and court expenses.)
- **ADR provides more participation.** Parties have more opportunity with ADR to express their own interests and concerns, while litigation focuses exclusively on the parties' legal rights and responsibilities.
- **ADR provides more control and flexibility.** Parties can choose the ADR process most appropriate for their particular situation and that will best serve their particular needs.
- **ADR can reduce stress and provide greater satisfaction.** ADR encourages cooperation and communication, while discouraging the adversarial atmosphere found in litigation. Surveys of disputants who have gone through ADR have found that satisfaction with ADR is generally high, especially among those with extensive ADR experience.

**Arbitration and Mediation**

Although there are many different types of ADR processes, the types most commonly used to resolve disputes in California state courts are Arbitration and Mediation. The Sacramento County Superior Court currently offers pre-screened panelists with experience and training in each of the following areas.

**Arbitration.** An Arbitrator hears evidence presented by the parties, makes legal rulings, determines facts and makes an Arbitration award. Arbitration awards may be entered as judgments in accordance with the agreement of the parties or, where there is no agreement, in accordance with California statutes. Arbitration can be binding if the parties so agree in writing. If there is no such agreement, either party can reject the Arbitration award and request a trial.

PE23-015 000993 LC SV

**Mediation.** Mediation is a voluntary, informal, confidential process in which the Mediator, a neutral third party, facilitates settlement negotiations. The Mediator improves communication by and among the parties, helps parties clarify facts, identify legal issues, explore options and arrive at a mutually acceptable resolution of the dispute.

Litigants are encouraged to use an ADR process as early in the case as circumstances permit. All appropriate cases will be reviewed for referral to ADR at the Case Management Conference(CMC).

**ADR Procedures for the Sacramento County Superior Court**

Upon filing a complaint or cross-complaint, the plaintiff/cross-complainant must acquire this information package from the Court's Website, http://www.saccourt.ca.gov, or the Superior Court Clerk. Plaintiff is required to include the ADR Information Package when he or she serves the Complaint on the Defendant.

The court's ADR Panel List is available on-line at http://www.saccourt.ca.gov or may be obtained at the Civil Filing Counter at the Gordon D. Schaber Sacramento County Courthouse, 720 Ninth Street, Room 101, Sacramento, CA 95814.

**Mediation.**
All parties to the dispute may voluntarily agree to submit the case to a neutral Mediator, either through a court-appointment or through a private arrangement. The parties may choose either of the following Mediation choices:

**Private Mediation.** Parties to a civil action agree to mediate their dispute with a Mediator of their choice without court assistance. The cost of Mediation must be borne by the parties equally unless the parties agree otherwise. Parties will be charged an amount as set by the Mediator (refer to the ADR Panel List for current rates).

**Court Mediation.** Upon stipulation of the parties, a Mediator and alternate Mediator will be selected from the court-approved list of neutrals (ADR Panel List). The court will confirm the selected Mediator and notice parties by mail.

The Mediator is then responsible for contacting the parties to confirm a date, time, and place for Mediation. Mediators on the court's approved ADR Panel List have agreed to provide up to three (3) hours of pro-bono Mediation. In the event the Mediation extends beyond 3 hours and parties determine it would be beneficial to continue the Mediation process; the parties will independently be responsible for compensating the Mediator in an amount as set by the Mediator.

*UNLIMITED CIVIL CASES*

- A *Stipulation and Order to Mediation – Unlimited Civil Cases,* Form CV\E-MED-179 *(see attached)* may be filed with the court at any time up to 15 calendar days prior to the Case Management Conference.
- If the parties do not stipulate to Mediation prior to their CMC, they may indicate their willingness to stipulate to Mediation at the CMC. In that event, parties must submit a *Stipulation and Order to Mediation – Unlimited Civil Cases* within 14 calendar days after their CMC.
- A *Mediation Statement* must be filed with the *Case Management Statement.*

LIMITED CIVIL CASES

- Parties may select and conduct voluntary Private Mediation without notification to the Court.
- Parties may stipulate to court mediation by filing a Stipulation and Order to Arbitration/Mediation - Limited Civil Cases form (CV\E-203) at any time after the filing of the Limited Civil Case Status Memorandum form (CV\E-202). This form is located on the court's website at http://www.saccourt.ca.gov. A Stipulation and Order to Arbitration/Mediation – Limited Civil Cases MUST be filed concurrently or subsequent to a Limited Civil Case Status Memorandum.

PE23-015 000994 LC SV

**Arbitration**

*UNLIMITED CIVIL CASES*

- Plaintiff may elect, the parties may stipulate, or the judge may Order the case to Arbitration. Parties will be asked to select an Arbitrator and three alternate Arbitrators from the court's ADR Panel List. The court will send a Notice of Appointment and an appropriate Order to Arbitration to all parties.

- Arbitrations are conducted pursuant to California Rules of Court, rules 3.810 through 3.830, and Local Rules Chapter 2, Part 5. Unless otherwise stipulated, an Award of Arbitrator is not binding upon the parties provided that they file a timely Request for Trial De Novo pursuant to California Rules of Court, rule 3.826. Upon the filing of a timely Request for Trial De Novo, the case will proceed to a Trial-Setting Conference. If no timely Request for Trial De Novo is filed, judgment based upon the Award of Arbitrator will be entered pursuant to California Rules of Court, rule 3.827.

LIMITED CIVIL CASES

Arbitration may occur in a limited civil case under the following circumstances:

- When all parties stipulate to arbitration pursuant to Code of Civil Procedure section 1141.12. A stipulation for arbitration shall be filed using the Court's local form, Stipulation and Order to Arbitration/Mediation – Limited Civil Cases form (CV\E-203). A Stipulation and Order to Arbitration/Mediation – Limited Civil Cases MUST be filed concurrently or subsequent to a Limited Civil Case Status Memorandum form (CV\E-202).

- When plaintiff elects to refer the case to judicial arbitration. A written election by the plaintiff to submit an action or proceeding to arbitration shall be filed using the Court's local form, Limited Civil Case Status Memorandum form (CV\E-202).

Dear Sir or Madam:

Lemberg Law LLC is writing on behalf of the above client with regard to the above vehicle purchased in Michigan State. Should litigation become necessary, a lawsuit shall be filed in the Michigan court. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 2 months and subject to repairs due to the backup camera malfunction, windshield wiper line malfunction, EVAP valve failure and engine failure.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Matthew Clark*

Dear Sir or Madam:

Lemberg Law, LLC, is writing on behalf of the above client with regard to the above vehicle purchased in New York State. **Please consider this your notice for an opportunity to correct the defects specified below.** We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting New York consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 30 days and subject to repair due to the engine failure and the vehicle remains unrepaired.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the vehicle until the purchase price is returned, plus expenses in handling and inspecting the vehicle. Until you pay this amount, our client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the vehicle will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Vlad Hirnyk*

Re: [redacted]

Dear Sir/Madam:

Please be advised that this office represents the above named individual regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of Mrs. Lemoine's claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our client has experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle is a violation of the North Carolina Lemon Law and Magnuson-Moss Warranty Act. As such, our client respectfully requests that Ford Motor Company comply with the above statutes and pay all attorney fees and costs.

Please be further advised that all communication regarding this matter must be directed to my office. This offer and all of its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

## AGREEMENT TO ARBITRATE DISPUTES

This Agreement to Arbitrate Disputes can significantly affect your rights as the customer ("you" or "Customer") in any dispute with us. Please read it carefully before indicating your agreement to arbitrate disputes.

In consideration of our mutual promises, the sufficiency of which is hereby recognized, we agree as follows:

1. EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.
2. IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR A CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.
3. DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Agreement, and the arbitrability of the claim or dispute), between you and us or our employees or agents which arises out of or relates to your credit application, purchase or condition of the a vehicle, any paperwork memorializing the sale or lease, your trade, or any resulting transaction or relationship shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action, unless otherwise provided herein. If a federal law provides that a claim or dispute is not subject to binding arbitration, this Agreement shall not apply to such claim or dispute. Any other claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You and we expressly waive any right you may have to arbitrate a class action or to proceed as a private attorney general. You or we may choose one of the following arbitration organizations and its applicable rules: the American Arbitration Association (www.adr.org), or another other widely recognized arbitration organization, subject to agreement of all parties. You may obtain a copy of the rules of these organizations by contacting the arbitration organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law in making an award. The arbitration hearing shall be conducted in the federal district in which you reside unless we mutually agree otherwise. We will pay your filing, service or case management fee and your arbitrator or hearing fee up to a maximum of $1,500. We shall also pay any additional amount of such fees that the arbitrator determines we must pay in order to make this Agreement enforceable. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. The arbitrator's award shall be final and binding on all parties, except that the losing party may request a new arbitration under the rules of the arbitration organization by a three-party panel if allowed by such rules. If any provision under this Agreement, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. This Agreement to Arbitrate Disputes, and any arbitration conducted hereunder, shall be governed by the Federal Arbitration Act (9 U.S.C. § 1, et seq.). Any court having jurisdiction may enter judgment on the arbitrator's award. You and we retain any rights to self-help remedies including, but not limited to, repossession, involuntary bankruptcy petitions, right of set-off, resale, acceleration and cure. You and we further retain the right to seek individual remedies in court for individual claims or disputes only (as opposed to a class claim) so long as the amount in controversy is $5000.00 or less. This Agreement shall survive execution of a retail installment contract or lease agreement and remain fully enforceable by the parties hereto, notwithstanding any language in the retail installment contract or lease agreement to the contrary. In the event any term of this Agreement shall be in conflict with an arbitration clause in the retail installment contract or lease agreement, [redacted] between Dealer and Customer.

Dear Sir/Madam:

Please be advised that this office represents the above named individuals regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of Maiah Lesher and Michael Schneider's claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our clients have experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my clients' position that Ford Motor Company's inability to repair this vehicle is a violation of the Michigan Lemon Law and Magnuson-Moss Warranty Act. As such, our clients respectfully request that Ford Motor Company **comply with the above statutes and pay all attorney fees and costs.**

Please be further advised that all communication regarding this matter must be directed to my office. This offer and all its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

To Whom It May Concern:

Please be advised that I represent [redacted] regarding the sale of the above-referenced vehicle. Pursuant to the Illinois Uniform Commercial Code and the Federal Magnuson-Moss Warranty Act, (which covers breach of express and implied warranties, revocation of acceptance and other rights and remedies), my client hereby revokes acceptance of the above-referenced vehicle. My client is prepared to file suit to effect revocation of acceptance, cancellation of the sale, return of the vehicle and payment to her of all the monies expended putting her back in the position she was prior to the contract.

My client intend to hold you liable for all other foreseeable damages due to the nonconforming vehicle, including attorneys' fees incurred in enforcing her rights pursuant to 15 USC 2310 (d)(2). Since the date my client took delivery, the vehicle has been in for repairs for multiple occasions, and the vehicle continues to experience problems.

Please be advised that we are asserting an attorney's lien on any and all proceeds in this matter. All further communications with my client concerning her legal claims must be directed through my office. However, pursuant to the warranty, you are still obligated to make any further necessary warranty repairs.

I look forward to resolving my client's issues with you prior to filing of a lawsuit. Very truly yours,

**NOTICE!** You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (*www.lawhelpcalifornia.org*), the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), or by contacting your local court or county bar association. **NOTE:** The court has a statutory lien for waived fees and costs on any settlement or arbitration award of $10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case.

Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.sucorte.ca.gov), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia.*

*Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. # 1. Introduction

**Ford Motor Company** and your selling dealer thank you for selecting one of our quality products. Our commitment to you and your vehicle begins with quality protection and service.

When you need warranty repairs, your selling dealer would like you to return to it for that service, but you may also take your vehicle to another Ford Motor Company dealership authorized for warranty repairs. Certain warranty repairs require special training though, so not all dealers are authorized to perform all warranty repairs. That means that, depending on the warranty repair needed, the vehicle may need to be taken to another dealer. If a particular dealership cannot assist you, then contact the Customer Relationship Center at 1-800-392-3673.

This booklet explains in detail the warranty coverages that apply to your 2018-model car or light truck. If you bought a previously owned 2018-model vehicle, you are eligible for any remaining warranty coverages.

Ford Motor Company provides the **Emissions Defect Warranties** and **Emissions Performance Warranties** which cover your emissions control systems, and **Noise Emissions Warranty** which applies only to medium/heavy duty trucks over 10,000 pounds Gross Vehicle Weight Rating (pages 17-32).

# 2. Important information you should know

## IF YOU NEED CUSTOMER ASSISTANCE

Your Ford Motor Company dealer is available to assist you with all your automotive needs. Please follow the procedures outlined on the front page of this booklet.

In addition, if you are an eligible U.S. owner, you may use - at no cost - the services of the BBB AUTO LINE program. For details, see Better Business Bureau (BBB) AUTO LINE program, page 34 or call 1-800-955-5100.

## KNOW WHEN YOUR WARRANTY BEGINS

Your **Warranty Start Date** is the day you take delivery of your new vehicle or the day it is first put into service (for example, as a dealer demonstrator), whichever occurs first.

## CHECK YOUR VEHICLE

We try to check vehicles carefully at the assembly plant and the dealership, and we usually correct any damage to paint, sheet metal, upholstery, or other appearance items. But occasionally something may slip past us, and a customer may find that a vehicle was damaged before he or she took delivery. If you see any damage when you receive your vehicle, notify your dealership within one week.

## MAINTAIN YOUR VEHICLE PROPERLY

Your glove compartment contains an **Owner's Manual** which indicates the scheduled maintenance required for your vehicle. Proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance, may help increase the value you receive when you sell or trade your vehicle, and is important in allowing your vehicle to comply with applicable emissions standards.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Ford engineering specifications. Failure to perform scheduled maintenance as specified in the Owner's Manual will invalidate warranty coverage on

parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your **Owner's Manual**.

Your Ford or Lincoln dealership, or Ford or Lincoln Auto Care Service Center, has factory-trained technicians who can perform the required maintenance using genuine Ford parts. The dealership looks forward to meeting your every service need to maximize your satisfaction with your vehicle.

## WHO PAYS FOR WARRANTY REPAIRS?

You will not be charged for repairs covered by any applicable warranty during the stated coverage periods, unless specifically stated elsewhere in this guide.

Some states have mandated alternate time coverage periods for parts of your vehicle (e.g. seatbelts).

Some states and/or local governments may require a tax on a portion of warranty repairs. Where applicable law allows, the tax must be paid by you, the owner of the vehicle.

During the Bumper to Bumper Warranty period, dealers may receive instructions to provide no-cost, service-type improvements - not originally included in your Owner's Manual - intended to increase your overall satisfaction with your vehicle.

Sometimes Ford may offer a special adjustment program to pay all or part of the cost of certain repairs beyond the terms of the applicable warranty. Check with your dealer or call 1-800-392-3673 to learn whether any adjustment program is applicable to your vehicle. Please have your vehicle identification number available.

## DO WARRANTIES APPLY IN OTHER COUNTRIES?

The **New Vehicle Limited Warranty** and the **Emissions Warranties** described in this booklet apply to your vehicle if:

- it was originally purchased through the Ford Export Operations Military Sales Program; or
- it was originally sold or leased by Ford Motor Company or one of its dealers in the United States or U.S. Federalized Territories, and it was originally registered/licensed and operated in the United States, U.S. Federalized Territories, or Canada.

If you meet either of these two requirements, you do have warranty coverage when you travel with this vehicle outside the United States, U.S. Federalized Territories, or Canada. In some cases, however, you may have to pay the servicing Ford dealer in a foreign country or U.S. Federalized Territory for a repair that is covered under the U.S. warranty. If this happens, be sure to save the paid repair order or invoice. You should present this document to a U.S. Ford Motor Company dealer for warranty refund consideration. Refer to www.Ford.com for additional customer assistance reference information.

# 3. The New Vehicle Limited Warranty for your 2018-model vehicle

**LIMITATIONS AND DISCLAIMERS**

All of the warranties in this booklet are subject to the following limitations and disclaimers:

The warranties in this booklet are the only express warranties applicable to your vehicle. Ford does not assume or authorize anyone to assume for it any other obligation or liability in connection with your vehicle or these warranties. No person, including Ford employees or dealers, may modify or waive any part of these warranties.

Ford and its dealers reserve the right to make changes in or additions to vehicles built or sold by them at any time without incurring any obligation to make the same or similar changes or additions to vehicles previously built or sold.

Ford and its dealers also reserve the right to provide post-warranty repairs, conduct recalls, or extend the warranty coverage period for certain vehicles or vehicle populations, at the sole discretion of Ford. The fact that Ford has provided such measures to a particular vehicle or vehicle population in no way obligates Ford to provide similar accommodations to other owners of similar vehicles.

As a condition of these warranties, you are responsible for properly using, maintaining, and caring for your vehicle as outlined in your Owner's Manual. Ford recommends that you maintain copies of all maintenance records and receipts for review by Ford.

Ford and your dealer are not responsible for any time or income that you lose, any inconvenience you might be caused, the loss of your transportation or use of your vehicle, the cost of rental vehicles, fuel, telephone, travel, meals, or lodging, the loss of personal or commercial property, the loss of revenue, or for any other incidental or consequential damages you may have.

Punitive, exemplary, or multiple damages may not be recovered unless applicable law prohibits their disclaimer.

You may not bring any warranty-related claim as a class representative, a private attorney general, a member of a class of claimants, or in any other representative capacity.

Ford shall not be liable for any damages caused by delay in delivery or furnishing of any products and/or services.

You may have some implied warranties. For example, you may have an implied warranty of merchantability (that the car or light truck is reasonably fit for the general purpose for which it was sold) or an implied warranty of fitness for a particular purpose (that the car or light truck is suitable for your special purposes), if a special purpose was specifically disclosed to Ford itself not merely to the dealer, before your purchase, and Ford itself not just the dealer told you the vehicle would be suitable for that purpose.

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties, or to the applicable time period provided by state law, whichever period is shorter.

These implied warranties do not apply at all if you use your vehicle for business or commercial purposes. In addition, the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

The warranties contained in this booklet and all questions regarding their enforceability and interpretation are governed by the law of the state in which you purchased your Ford vehicle. Some states do not allow Ford to limit how long an implied warranty lasts or to exclude or limit incidental or consequential damages, so the limitation and exclusions described above may not apply to you.

**NOTE: This information about the limitation of implied warranties and the exclusion of incidental and consequential damages under the NEW VEHICLE LIMITED WARRANTY also applies to the EMISSIONS WARRANTIES described on pages 17-31.**

Ford participates in the BBB AUTO LINE warranty dispute resolution program. You may contact BBB AUTO LINE by calling 800-955-5100.

You are required to submit your warranty dispute to the BBB AUTO LINE before exercising rights or seeking remedies under the Federal Magnuson-Moss Warranty Act, 15 U.S.C. §2301 et seq. To the extent permitted by the applicable state "Lemon Law", you are also required to submit your warranty dispute to the BBB AUTO LINE before exercising any rights or seeking remedies under the "Lemon Law". If you choose to seek remedies that are not created by the Magnuson-Moss Warranty Act or the applicable state "Lemon Law," you are not required to first use BBB AUTO LINE to resolve your dispute – although the program is still available to you.

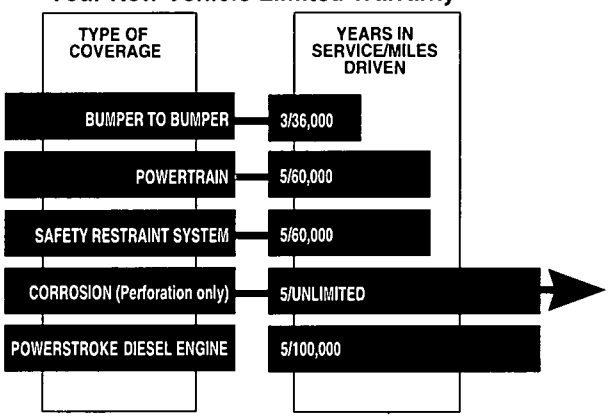
## QUICK REFERENCE: WARRANTY COVERAGE

This chart gives a general summary of your warranty coverage provided by Ford Motor Company under the **New Vehicle Limited Warranty.** Please refer to the description of warranty coverage for more specific information.

For each type of coverage, the chart shows two measures:

- years in service
- miles driven

**Your New Vehicle Limited Warranty**



The measure that occurs first determines how long your coverage lasts. For example: Your Bumper to Bumper Coverage lasts for three years - unless you drive more than 36,000 miles before three years elapse. In that case, your coverage ends at 36,000 miles.

For more details on coverage, see:

➡ **What is Covered?** (pages 8-12)

➡ **What is Not Covered?** (pages 12-15)

## WHAT IS COVERED?

Your NEW VEHICLE LIMITED WARRANTY gives you specific legal rights. You may have other rights that vary from state to state. Under your New Vehicle Limited Warranty if:

- your Ford vehicle is properly operated and maintained, and

- was taken to a Ford dealership for a warranted repair during the warranty period,

then authorized Ford Motor Company dealers will, without charge, repair, replace, or adjust all parts on your vehicle that malfunction or fail during normal use during the applicable coverage period due to a manufacturing defect in factory-supplied materials or factory workmanship.

This warranty does not mean that each Ford vehicle is defect free. Defects may be unintentionally introduced into vehicles during the design and manufacturing processes and such defects could result in the need for repairs. Ford provides the New Vehicle Limited Warranty only to remedy manufacturing defects that result in vehicle part malfunction or failure during the warranty period.

The remedy under this written warranty, and any implied warranty, is limited to repair, replacement, or adjustment of defective parts. This exclusive remedy shall not be deemed to have failed its essential purpose so long as Ford, through its authorized dealers, is willing and able to repair, replace, or adjust defective parts in the prescribed manner. Ford's liability, if any, shall in no event exceed the cost of correcting manufacturing defects as herein provided and upon expiration of this warranty, any such liability shall terminate.

Conditions that are not covered by the New Vehicle Limited Warranty are described on pages 12-15. When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured or other parts that are authorized by Ford, at the discretion of Ford or the Ford dealership.

Nothing in this warranty should be construed as requiring defective parts to be replaced with parts of a different type or design than the original part, so long as the vehicle functions properly with the replacement part. Moreover, Ford and its authorized dealers are entitled to a reasonable time and a reasonable number of attempts within which to diagnose and repair any defect covered by this warranty.

In certain instances, Ford may authorize repairs at other than Ford dealer facilities.

Two separate warranties apply to tires on your new vehicle. The New Vehicle Limited Warranty covers tire defects in factory supplied material or workmanship for 100% of labor costs and on a pro rata adjustment basis for parts. (See the reimbursement schedule below).

For vehicles within the New Vehicle Limited Warranty time in service and mileage coverage period, defective tires will be replaced on a pro rata adjustment basis according to the following mileage-based Reimbursement Schedule:

| MILES DRIVEN | PERCENT OF PARTS COVERED BY FORD |
|---|---|
| 1-12,000 | 100% |
| 12,001-24,000 | 60% |
| 24,001-36,000 | 30% |

The tire manufacturer also provides you with a separate tire warranty that may extend beyond the New Vehicle Limited Warranty coverage. You will find the manufacturer's tire warranty with the owner literature supplied with your vehicle. You have the option of having a tire warranty repair performed by the tire manufacturer's authorized service center. If you go to a tire service center for a repair covered by the New Vehicle Limited Warranty, you may be charged a prorated amount for wear or other charges. If so, you should present your paid invoice detailing the nature of the charges to any Ford Motor Company dealership for refund consideration. When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured or other parts that are authorized by Ford. In certain instances, Ford may authorize repairs at other than Ford dealer facilities. Tire replacements under warranty will be made with the same brand and model as originally equipped with the vehicle unless the same brand and model is no longer available, in which case a tire of the same brand, size, load, speed and tread type will be used. In some circumstances, Ford may authorize another brand and/or model to substitute for the original brand and model, even if still available.

Normal tire wear or damage is not reimbursable. See page 15 for details of what is not covered.

**Extended warranty coverage periods are available for certain vehicle parts and conditions. Specifically,**

(1) Your vehicle's Powertrain components are covered for five years or 60,000 miles, whichever occurs first. The extended coverage applies to the **Engine:** all internal lubricated parts, cylinder block, cylinder heads, electrical fuel pump, powertrain control module, engine mounts, flywheel, injection pump, manifold (exhaust and intake), manifold bolts, oil pan, oil pump, seals and gaskets, engine thermostat, engine thermostat housing, timing chain cover, timing chain (gears or belt), turbocharger/supercharger unit, valve covers, water pump;

**Transmission:** all internal parts, clutch cover, seals and gaskets, torque converter, transfer case (including all internal parts), transmission case, transmission mounts; **Front-Wheel Drive:** axle shafts, front bearings, seals and gaskets, universal and constant velocity joints; **Rear-Wheel Drive:** axle shafts, rear bearings, center support bearing, drive axle housing (including all internal parts), drive shaft, retainers, supports, seals and gaskets, universal and constant velocity joints.

The extended warranty coverage only applies if a body sheet metal panel becomes perforated due to corrosion during normal use due to a manufacturing defect in factory-supplied materials or factory workmanship. If aluminum body panels have corrosion or rust damage, and the damage is not the result of abnormal usage, vehicle accident, customer actions and/or extreme environmental conditions, the corrosion or rust damage repairs are covered for 5 years, unlimited miles. For damage caused by airborne material (environmental fallout) where there is no factory-related defect involved and therefore no warranty – our policy is to provide free repair of paint damage due to the airborne material for 12 months or 12,000 miles, whichever occurs first.

(4) Your vehicle's direct injection diesel engine and certain engine components are covered during the PowerStroke Diesel Engine Coverage Period, which lasts for five years or 100,000 miles, whichever occurs first. The following parts are covered during this extended coverage period: the engine, cylinder block, heads and all internal parts, intake and exhaust manifolds, timing gear, harmonic balancer, valve covers, oil pan and pump, water pump, fuel system (excluding fuel lines, fuel tank and frame mounted fuel conditioning module sometimes referred to as the frame mounted pump/filter/water separator or frame mounted fuel filter/water separator), high pressure lines, gaskets and seals, glow plugs, turbocharger, two-stage turbocharger assembly, turbocharger actuator,

powertrain control module, high pressure fuel injection pump assembly, injectors, injection pressure sensor, fuel rail pressure sensor, exhaust back pressure regulator and sensor, exhaust pressure sensor, manifold pressure sensor, intake air temperature sensor, crankshaft position sensor, camshaft position sensor, accelerator switch.

**NOTE:** Some components may also be covered by the Emissions Warranties. For more information, see pages 17-31.

If you own or lease a 2018-model Next Generation Police Interceptor Vehicle (NGPI), refer to the Warranty Addendum Card that was given to you when you took delivery of your vehicle for further explanation of Amendments to the New Vehicle Limited Warranty. The Warranty Addendum applies only the NGPI vehicles delivered in the State of Florida and New York.

### ROADSIDE SERVICE ASSISTANCE (UNITED STATES, PUERTO RICO, AND U.S. VIRGIN ISLANDS)

Your vehicle is covered by the complimentary Ford Roadside Assistance Program (unless you are driving a daily rental unit). Under this program, Ford will cover:

- Towing to the nearest Ford Motor Company dealership, or towing to your selling dealership if within 35 miles of the disablement
- Flat tire change (vehicle must have useable spare)

The Roadside Assistance Program is separate from the New Vehicle Limited Warranty. It begins at the warranty start date and lasts for five years or 60,000 miles (whichever occurs first). If you need towing beyond the five years or 60,000 miles (whichever occurs first) period, Ford can arrange roadside assistance and charge your credit card. If the reason for the vehicle disablement is later found to be covered by another Ford warranty, Ford will provide a refund for the tow charge under the other warranty, through the dealership.

**For emergency roadside assistance, call 1-800-241-3673, 24 hours a day, 365 days a year.**

Ford Motor Company reserves the right to modify or discontinue Roadside Assistance at any time. Certain restrictions apply to Roadside Assistance benefits. Call 1-800-241-3673 for further details.

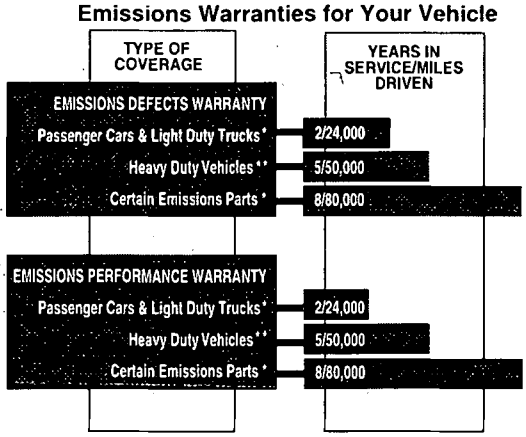
# 5. Federal requirements for emissions warranties

## QUICK REFERENCE: EMISSIONS WARRANTY COVERAGE

This chart shows your warranty coverage under two emissions warranties that Ford Motor Company provides, in compliance with Federal requirements. The warranties are:

- Emissions Defects Warranty
- Emissions Performance Warranty

**Emissions Warranties for Your Vehicle**



* Applies to vehicles up to 8,500 pounds gross vehicle weight rating (GVWR)
** Applies to trucks over 8,500 pounds gross vehicle weight rating (GVWR) up to 19,500 pounds gross vehicle weight rating (GVWR). Vocational vehicle tires covered for 2/24,000 for defects that affect compliance with greenhouse gas requirements.

For full details on emissions control coverage, see:

- ➡ **Emissions Defect Warranty** (page 18)
- ➡ **Emissions Performance Warranty** (page 19)
- ➡ **What is Covered?** (pages 20-21)
- ➡ **What is Not Covered?** (page 21)

## EMISSIONS DEFECT WARRANTY COVERAGE

During the warranty coverage period, Ford Motor Company warrants that:

- your vehicle or engine is designed, built, and equipped to meet - at the time it is sold - the emissions regulations of the U.S. Environmental Protection Agency (EPA).
- your vehicle or engine is free from emission-related defects in factory-supplied materials or workmanship, which are defects that could prevent the vehicle or engine from conforming with applicable EPA regulations.
- you will not be charged for diagnosis, repair, replacement, or adjustment of parts containing an emissions-related defect. A list of emission-related parts can be found in **What is Covered?** on pages 20-21.

The warranty coverage period for:

- The emissions defects warranty coverage period for passenger cars and light duty trucks (applies to vehicles up to 8,500 pound GVWR) is as follows:
  — 8 years or 80,000 miles (whichever occurs first) for catalytic converters, electronic emissions control unit, and onboard emissions diagnostic devices, including the Battery Energy Control Module (BECM).
  — 2 years or 24,000 miles (whichever occurs first) for all other covered parts. (Note: Ford's 3-year, 36,000-mile bumper-to-bumper coverage, as described above, surpasses this mandatory federal coverage.)
- Heavy duty vehicles (applies to trucks over 8,500 pounds GVWR up to 19,500 pounds GVWR)
  — The emissions warranty coverage period for heavy duty vehicles (HDVs) is 5 years or 50,000 miles (whichever comes first) for all parts covered by your emissions warranty.

  • **Only for HDVs not designated as "vocational vehicles" on the underhood "VEHICLE EMISSION CONTROL INFORMATION" label:** The 5 year/50,000 mile warranty includes coverage of components whose failure would increase the vehicle's emissions of air conditioning refrigerants.

  • **Only for HDVs designated as "vocational vehicles" on the underhood "VEHICLE EMISSION CONTROL INFORMATION" label:** Tire defects that affect compliance with emission standards are covered for 2 years or 24,000 miles, whichever comes first.

## EMISSIONS PERFORMANCE WARRANTY COVERAGE

Under Emissions Performance Warranty Coverage, Ford Motor Company will repair, replace, or adjust - with no charge for labor, diagnosis, or parts - any emissions control device or system, if you meet all of the following conditions:

## EXPLANATION OF CALIFORNIA EMISSIONS WARRANTIES

### Your Warranty Rights and Obligations

The California Air Resources Board and Ford Motor Company are pleased to explain the emission control system warranty on your 2018-model vehicle. In California, new motor vehicles must be designed, built, and equipped to meet the State's stringent anti-smog standards. Ford must warrant the emission control system on your vehicle for the periods of time listed on pages 24-25, provided there has been no abuse, neglect, or improper maintenance of your vehicle.

Your emission control system may include parts such as the fuel injection system, the ignition system, catalytic converter, and the engine computer. Also included may be hoses, belts, connectors, and other emissions-related assemblies.

Where a warrantable condition exists, Ford Motor Company will repair your vehicle at no cost to you including diagnosis, parts, and labor.

### Manufacturer's Warranty Coverage

For Vehicles Eligible for California Emission Warranty Coverage

If Gross Vehicle Weight Rating is 14,000 lbs. or less:

For 3 years or 50,000 miles (whichever first occurs):

1. If your vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Ford to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.

2. If any emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your short-term emission control system DEFECTS WARRANTY.

For 7 years or 70,000 miles (whichever first occurs):

If an emissions-related part listed on pages 27 and 29 with coverage for 7 years or 70,000 miles is defective or if its failure causes your vehicle to fail a Smog Check inspection, the part will be repaired or replaced by Ford. This is your long-term emission control system DEFECTS WARRANTY.

If Gross Vehicle Weight rating is over 14,000 lbs.:

For 5 years or 50,000 miles (gasoline powered engines and vehicles) or 5 years or 100,000 miles (diesel powered engines and vehicles) (whichever first occurs):

If an emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your emission control system DEFECTS WARRANTY.

### Owner's Warranty Responsibilities

As the vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Ford Motor Company recommends that you retain all receipts covering maintenance on your vehicle, but Ford cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your vehicle to a Ford Motor Company dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that Ford Motor Company may deny you warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, or if you want to report what you believe to be violations of the terms of this warranty, you may contact the Ford Customer Relationship Center at 1-800-392-3673 (FORD) or the California Air Resources Board at:

**State of California Air Resources Board**
**Mobile Source Operations Division**
**P.O. Box 8001**

### Important Information about List of Parts

There may be additional coverage for these parts through the Bumper to Bumper, Powertrain, or Diesel Engine limited warranties. In any case, the warranty with the broadest coverage applies.

Also covered by this warranty are all emissions-related bulbs, hoses, clamps, brackets, tubes, gaskets, seals, belts, connectors, non diesel fuel lines, and wiring harnesses that are used with components on the list of parts above.

Concerning parts that should be replaced on a certain maintenance schedule: these parts remain under warranty until the first required replacement time that is specified in your **Owner's Manual**.

**NOTE**: If the diagnosis does not reveal a defect, the Defects Warranty does not apply.

Your Ford Motor Company dealer maintains a complete list of covered parts. For more details about the specific parts that are covered by the Defects Warranty, contact your dealer.

## WHAT IS NOT COVERED?

Ford Motor Company may deny you emissions warranty coverage if your vehicle or a part does not contain a defect that affects emissions or has failed because of abuse, neglect, improper maintenance, unapproved modifications, or any items included in **What Is Not Covered?**, pages 12-15.

## 7. Additional information about your emissions warranty coverage, under Federal and California requirements

### HOW DO I GET WARRANTY SERVICE?

To get service under your emissions warranties, take your vehicle to any Ford Motor Company dealer as soon as possible after illumination of the Malfunction Indicator Light or it has failed an EPA-approved test or a California Smog Check inspection. Be sure to show the dealer the document that says your vehicle has failed the test.

Your dealer will determine whether the repair is covered by the warranty. If the dealer has a question about Emissions Performance Warranty coverage, it will forward the question to Ford Motor Company, which must make a final decision within 30 days after you bring your vehicle in for repair. (The decision will be made within a shorter time if state, local, or federal law requires you to have the vehicle repaired more quickly in order to avoid additional penalties.) The deadline for a determination about Emissions Performance Warranty Coverage does not need to be met if you request a delay, agree to a delay in writing, or if the delay is caused by an event for which neither Ford nor your dealer is responsible. If a question about Emissions Performance Warranty coverage is referred to Ford Motor Company, you will be notified by Ford Motor Company in writing if your claim for warranty coverage is denied. The notice will explain the basis for denying your claim. If you fail to receive this notice within a timely manner, as determined above, Ford will perform the warranty repair for you free of charge.

### HOW DO I HANDLE EMERGENCY REPAIRS?

If your vehicle needs an emergency warrantable repair and a Ford Motor Company dealer is not available, or if a Ford Motor Company dealer cannot perform warrantable repair(s) within 30 days of you bringing your vehicle to the dealer, repairs may be performed at any service establishment or by you using Ford equivalent replacement parts.

Ford will reimburse you for the cost of these warranty repairs including diagnosis, if you take the part(s) that are replaced and the repair receipt(s) to a Ford Motor Company dealer. The reimbursement shall not exceed Ford's suggested retail price for the warranted parts that are replaced and labor charges based on Ford's recommended time allowance for the warranty repair and the geographically appropriate hourly rate.

## WHAT REPLACEMENT PARTS SHOULD I USE?

Ford Motor Company recommends that you use genuine Ford replacement parts. However, when you are having non-warranty work done on your vehicle, you may choose to use non-Ford parts. If you decide to use non-Ford parts, be sure they are equivalent to Ford parts in performance, quality, and durability. If you use replacement parts that are not equivalent to Ford parts, your vehicle's emissions control systems may not work as effectively, and you may jeopardize your emissions warranty coverage.

Under the Federal and California emissions warranties, Ford will repair or replace covered parts if they are properly installed Ford parts or the equivalent, or non-Ford parts that have been certified by the U.S. EPA or the California Air Resources Board (CARB). Ford is not responsible for the cost or repairing or replacing non-Ford parts that are not equivalent to Ford parts or that have not been certified by EPA or CARB.

**The maintenance, replacement, or repair of emissions control devices or systems can be performed by any automotive repair establishment or individual using Ford replacement parts or the equivalent, or EPA- or CARB-certified parts, without voiding your emissions warranty coverage for future repairs during the applicable warranty period.**

## PROPER MAINTENANCE PRESERVES YOUR WARRANTY

If you do not maintain your vehicle properly, Ford may have the right to deny you warranty coverage.

To have repairs made under this warranty, you may have to show that you have followed Ford's instructions on properly maintaining and using your vehicle. You will find these instructions in your **Owner's Manual**. Be sure to save your service receipts and to keep accurate records of all maintenance work.

## CUSTOMER ASSISTANCE

If you are not satisfied with the handling of a warranty matter, see **Customer Assistance**, on the inside front cover, and **Better Business Bureau (BBB) AUTO LINE program**, page 34.

## 10. The Better Business Bureau (BBB) AUTO LINE Program (U.S. Only)

Your satisfaction is important to Ford Motor Company and to your dealer. If a warranty concern has not been resolved using the three-step procedure outlined on the first page of the Customer Assistance section, you may be eligible to participate in the BBB AUTO LINE program.

The BBB AUTO LINE program consists of two parts — mediation and arbitration. During mediation, a representative of the BBB will contact both you and Ford Motor Company to explore options for settlement of the claim. If an agreement is not reached during mediation and your claim is eligible, you may participate in the arbitration process. An arbitration hearing will be scheduled so that you can present your case in an informal setting before an impartial person. The arbitrator will consider the testimony provided and make a decision after the hearing.

You are not bound by the decision, but should you choose to accept the BBB AUTO LINE decision, Ford must abide by the accepted decision as well. Disputes submitted to the BBB AUTO LINE program are usually decided within forty days after you file your claim with the BBB.

BBB AUTO LINE Application: Using the information provided below, please call or write to request a program application. You will be asked for your name and address, general information about your new vehicle, information about your warranty concerns, and any steps you have already taken to try to resolve them. A Customer Claim Form will be mailed that will need to be completed, signed, and returned to the BBB along with proof of ownership. Upon request, the BBB will review the claim for eligibilty under Program Summary Guidelines.

**You can get more information by callng BBB AUTO LINE at 1-800-955-5100, or writing to:**

**BBB AUTO LINE**
**3033 Wilson Boulevard, Suite 600**
**Arlington, Virginia 22201**

BBB AUTO LINE applications can also be requested by calling the Ford Motor Company Customer Relationship Center at 1-800-392-3673.

**Note:** Ford Motor Company reserves the right to change eligibility limitations, modify procedures, or to discontinue this process at any time without notice and without obligation.

## 11. State warranty enforcement laws

These state laws - sometimes called lemon laws - allow owners to receive a replacement vehicle or a refund of the purchase price, under certain circumstances. The laws vary from state to state.

To the extent your state law allows, Ford Motor Company requires that you first send us a written notification of any defects or non-conformities that you have experienced with your vehicle. (This will give us the opportunity to make any needed repairs before you pursue the remedies provided by your state's law.)

In all other states where not specifically required by state law, Ford Motor Company requests that you give us the written notice. Send your written notification to:

**Ford Motor Company**
**Customer Relationship Center**
**P.O. Box 6248**
**Dearborn, MI 48126**

## 12. Important information about ambulance conversions

Ford vehicles are suitable for producing ambulances only if equipped with the **Ford Ambulance Prep Package**. In addition, Ford urges ambulance manufacturers to follow the recommendations of the **Ford Incomplete Vehicle Manual** and the **Ford Truck Body Builders Layout Book** (and pertinent supplements).

**Using a Ford vehicle without the Ford Ambulance Prep Package to produce an ambulance could result in elevated underbody temperatures, fuel overpressurization, and the risk of fuel expulsion and fires. Such use also voids the Ford Bumper to Bumper Warranty and may void the Emissions Warranties.**

You may determine whether the vehicle is equipped with the **Ford Ambulance Prep Package** by inspecting the information plate on the driver's rear door pillar.

You may determine whether the ambulance manufacturer has followed Ford's recommendations by contacting the ambulance manufacturer of your vehicle.

# INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. Dear Sir or Madam:

Lemberg Law, L.L.C. is writing on behalf of its above referenced client, [redacted] i.e. Record Owner, with regard to the above vehicle. **Please consider this your notice for an opportunity to correct the defects specified below.** We will file a lawsuit in this case unless it is settled. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting Illinois consumers.

Since the purchase date and during the warranty period, this vehicle has been subject to repairs for over 3 months due to the engine failure and powertrain wrench light, the ending oil light coming on, and the "check engine" light came on, engine losing power and same powertrain wrench light continues to persist.

The nonconformities listed above substantially impair the vehicle's use, value, and safety to our client and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608 and 810 ILCS 5/2-608. Our client demands a full refund for the defective vehicle which includes the contract price, plus all sales tax, document fees, finance interest, satisfaction of all liens, the costs of any added optional equipment, any out-of-pocket repair expenses, the unexpended portion of any registration and plates, incidental and consequential damages, plus payment of all costs and attorney's fees.

Please be advised that under U.C.C. § 2-711(3) and 810 ILCS 5/2-711(3), our client has a security interest in the vehicle until the purchase price is returned, plus expenses in handling and inspecting the vehicle. Until you pay this amount, our client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the vehicle will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under 810 ILCS 5/9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to 810 ILCS 5/9-404.5, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under 810 ILCS 5/9-404.5(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Sergei Lemberg*

Dear Sir or Madam:

Lemberg Law LLC is writing on behalf of the above client with regard to the above vehicle purchased in Louisiana. **Please consider this your statutory notice for an opportunity to correct the defects specified below.** Should litigation become necessary, a lawsuit shall be filed in the Michigan court. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 30 days and subject to repair due to the low engine oil pressure light coming on and engine failure, and the vehicle remains unrepaired.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Matthew Clark*

Dear Sir or Madam:

Lemberg Law L.L.C. is writing on behalf of the above client with regard to the above vehicle purchased. **Please consider this your statutory notice for an opportunity to correct the defects specified below.** Should litigation become necessary, a lawsuit shall be filed in the Texas court. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting Texas consumers.

Since the purchase date and during the warranty period, this vehicle has been out of service at least forty-five (45) days and subject to four repairs due to defective engine, the "check engine" light turning on, a coolant leak, and vehicle going into limp mode. The same engine defects continue to persist.

All defects in the vehicle substantially impair its use, value, and safety to our client and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement.

Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Jennifer Solak*

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

## ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION

CASE NUMBER: 37-2023-00018506-CU-BC-CTL CASE TITLE: Mendez vs Ford Motor Company [IMAGED]

**NOTICE: All plaintiffs/cross-complainants in a general civil case are required to serve a copy of the following three forms on each defendant/cross-defendant, together with the complaint/cross-complaint:**
**(1) this Alternative Dispute Resolution (ADR) Information form (SDSC form #CIV-730),**
**(2) the Stipulation to Use Alternative Dispute Resolution (ADR) form (SDSC form #CIV-359), *and***
**(3) the Notice of Case Assignment form (SDSC form #CIV-721).**

Most civil disputes are resolved without filing a lawsuit, and most civil lawsuits are resolved without a trial. The courts, community organizations, and private providers offer a variety of Alternative Dispute Resolution (ADR) processes to help people resolve disputes without a trial. The San Diego Superior Court expects that litigants will utilize some form of ADR as a mechanism for case settlement before trial, and it may be beneficial to do this early in the case.

Below is some information about the potential advantages and disadvantages of ADR, the most common types of ADR, and how to find a local ADR program or neutral. A form for agreeing to use ADR is attached (SDSC form #CIV-359).

### Potential Advantages and Disadvantages of ADR

ADR may have a variety of advantages or disadvantages over a trial, depending on the type of ADR process used and the particular case:

**Potential Advantages**
- Saves time
- Saves money
- Gives parties more control over the dispute resolution process and outcome
- Preserves or improves relationships

**Potential Disadvantages**
- May take more time and money if ADR does not resolve the dispute
- Procedures to learn about the other side's case (discovery), jury trial, appeal, and other court protections may be limited or unavailable

### Most Common Types of ADR

You can read more information about these ADR processes and watch videos that demonstrate them on the court's ADR webpage at http://www.sdcourt.ca.gov/adr.

**Mediation:** A neutral person called a "mediator" helps the parties communicate in an effective and constructive manner so they can try to settle their dispute. The mediator does not decide the outcome, but helps the parties to do so. Mediation is usually confidential, and may be particularly useful when parties want or need to have an ongoing relationship, such as in disputes between family members, neighbors, co-workers, or business partners, or when parties want to discuss non-legal concerns or creative resolutions that could not be ordered at a trial.

**Settlement Conference:** A judge or another neutral person called a "settlement officer" helps the parties to understand the strengths and weaknesses of their case and to discuss settlement. The judge or settlement officer does not make a decision in the case but helps the parties to negotiate a settlement. Settlement conferences may be particularly helpful when the parties have very different ideas about the likely outcome of a trial and would like an experienced neutral to help guide them toward a resolution.

**Arbitration:** A neutral person called an "arbitrator" considers arguments and evidence presented by each side and then decides the outcome of the dispute. Arbitration is less formal than a trial, and the rules of evidence are usually relaxed. If the parties agree to binding arbitration, they waive their right to a trial and agree to accept the arbitrator's decision as final. With nonbinding arbitration, any party may reject the arbitrator's decision and request a trial. Arbitration may be appropriate when the parties want another person to decide the outcome of their dispute but would like to avoid the formality, time, and expense of a trial.

**Other ADR Processes:** There are several other types of ADR which are not offered through the court but which may be obtained privately, including neutral evaluation, conciliation, fact finding, mini-trials, and summary jury trials. Sometimes parties will try a combination of ADR processes. The important thing is to try to find the type or types of ADR that are most likely to resolve your dispute. Be sure to learn about the rules of any ADR program and the qualifications of any neutral you are considering, and about their fees.

## Local ADR Programs for Civil Cases

**Mediation:** The San Diego Superior Court maintains a Civil Mediation Panel of approved mediators who have met certain minimum qualifications and have agreed to charge $150 per hour for each of the first two (2) hours of mediation and their regular hourly rate thereafter in court-referred mediations.

On-line mediator search and selection: Go to the court's ADR webpage at www.sdcourt.ca.gov/adr and click on the "Mediator Search" to review individual mediator profiles containing detailed information about each mediator including their dispute resolution training, relevant experience, ADR specialty, education and employment history, mediation style, and fees and to submit an on-line Mediator Selection Form (SDSC form #CIV-005). The Civil Mediation Panel List, the Available Mediator List, individual Mediator Profiles, and Mediator Selection Form (CIV-005) can also be printed from the court's ADR webpage and are available at the Mediation Program Office or Civil Business Office at each court location.

**Settlement Conference:** The judge may order your case to a mandatory settlement conference, or voluntary settlement conferences may be requested from the court if the parties certify that: (1) settlement negotiations between the parties have been pursued, demands and offers have been tendered in good faith, and resolution has failed; (2) a judicially supervised settlement conference presents a substantial opportunity for settlement; and (3) the case has developed to a point where all parties are legally and factually prepared to present the issues for settlement consideration and further discovery for settlement purposes is not required. Refer to SDSC Local Rule 2.2.1 for more information. To schedule a settlement conference, contact the department to which your case is assigned.

**Arbitration:** The San Diego Superior Court maintains a panel of approved judicial arbitrators who have practiced law for a minimum of five years and who have a certain amount of trial and/or arbitration experience. Refer to SDSC Local Rules Division II, Chapter III and Code Civ. Proc. § 1141.10 et seq or contact the Arbitration Program Office at (619) 450-7300 for more information.

More information about court-connected ADR: Visit the court's ADR webpage at www.sdcourt.ca.gov/adr or contact the court's Mediation/Arbitration Office at (619) 450-7300.

**Dispute Resolution Programs Act (DRPA) funded ADR Programs:** The following community dispute resolution programs are funded under DRPA (Bus. and Prof. Code §§ 465 et seq.):

- In Central, East, and South San Diego County, contact the National Conflict Resolution Center (NCRC) at www.ncrconline.com or (619) 238-2400.
- In North San Diego County, contact North County Lifeline, Inc. at www.nclifeline.org or (760) 726-4900.

**Private ADR:** To find a private ADR program or neutral, search the Internet, your local telephone or business directory, or legal newspaper for dispute resolution, mediation, settlement, or arbitration services.

## Legal Representation and Advice

To participate effectively in ADR, it is generally important to understand your legal rights and responsibilities and the likely outcomes if you went to trial. ADR neutrals are not allowed to represent or to give legal advice to the participants in the ADR process. If you do not already have an attorney, the California State Bar or your local County Bar Association can assist you in finding an attorney. Information about obtaining free and low cost legal assistance is also available on the California courts website at *www.courtinfo.ca.gov/selfhelp/lowcost*.

| TYPE OF HEARING SCHEDULED | DATE | TIME | DEPT | JUDGE |
|---|---|---|---|---|
| Civil Case Management Conference | 10/27/2023 | 10:30 am | C-75 | James A Mangione |

**Due to the COVID-19 pandemic, all Case Management Conferences (CMCs) are being conducted virtually unless there is a court order stating otherwise.** Prior to the hearing date, visit the "virtual hearings" page for the most current instructions on how to appear for the applicable case-type/department on the court's website at www.sdcourt.ca.gov.

A Case Management Statement (JC Form #CM-110) must be completed by counsel for all parties and by all self-represented litigants and timely filed with the court at least 15 days prior to the initial CMC. (San Diego Superior Court (SDSC) Local Rules, rule 2.1.9; Cal. Rules of Court, rule 3.725).

All counsel of record and self-represented litigants must appear at the CMC, be familiar with the case, and be fully prepared to participate effectively in the hearing, including discussions of Alternative Dispute Resolution (ADR) options.

It is the duty of each plaintiff (and cross-complainant) to serve a copy of this Notice of Case Assignment and Case Management Conference (SDSC Form #CIV-721) with the complaint (and cross-complaint), the Alternative Dispute Resolution (ADR) Information Form (SDSC Form # CIV-730), a Stipulation to Use Alternative Dispute Resolution (ADR) (SDSC Form # CIV-359), and other documents on all parties to the action as set out in SDSC Local Rules, rule 2.1.5.

TIME FOR SERVICE AND RESPONSE: The following rules apply to civil cases except for collections cases under California Rules of Court, rule 3.740(a), unlawful detainer actions, proceedings under the Family Code, and other proceedings for which different service requirements are prescribed by law (Cal. Rules of Court, rule 3.110; SDSC Local Rules, rule 2.1.5):

- **Service:** The complaint must be served on all named defendants, and proof of service filed with the court within 60 days after filing the complaint. An amended complaint adding a defendant must be served on the added defendant and proof of service filed within 30 days after filing of the amended complaint. A cross-complaint against a party who has appeared in the action must be accompanied by proof of service on that party at the time it is filed. If it adds a new party, the cross-complaint must be served on all parties and proof of service on the new party must be filed within 30 days of the filing of the cross-complaint.
- **Defendant's appearance:** Unless a special appearance is made, each defendant served must generally appear (as defined in Code of Civ. Proc. § 1014) within 30 days of service of the complaint/cross-complaint.
- **Extensions:** The parties may stipulate without leave of court to one 15-day extension beyond the 30-day time period prescribed for the response after service of the initial complaint (SDSC Local Rules, rule 2.1.6). If a party fails to serve and file pleadings as required under this rule, and has not obtained an order extending time to serve its pleadings, the court may issue an order to show cause why sanctions shall not be imposed.

JURY FEES: In order to preserve the right to a jury trial, one party for each side demanding a jury trial shall pay an advance jury fee in the amount of one hundred fifty dollars ($150) on or before the date scheduled for the initial case management conference in the action.

COURT REPORTERS: Official Court Reporters are not normally available in civil matters, but may be requested in certain situations no later than 10 days before the hearing date. See SDSC Local Rules, rule 1.2.3 and Policy Regarding Normal Availability and Unavailability of Official Court Reporters (SDSC Form #ADM-317) for further information.

ALTERNATIVE DISPUTE RESOLUTION (ADR): The court discourages any unnecessary delay in civil actions; therefore, continuances are discouraged and timely resolution of all actions, including submitting to any form of ADR is encouraged. The court encourages and expects the parties to consider using ADR options prior to the CMC. The use of ADR will be discussed at the CMC. Prior to the CMC, parties stipulating to the ADR process may file the Stipulation to Use Alternative Dispute Resolution (SDSC Form #CIV-359).

# NOTICE OF E-FILING REQUIREMENTS AND IMAGED DOCUMENTS

Effective April 15, 2021, e-filing is required for attorneys in represented cases in all limited and unlimited civil cases, pursuant to the San Diego Superior Court General Order: In Re Procedures Regarding Electronically Imaged Court Records, Electronic Filing and Access to Electronic Court Records in Civil and Probate Cases. Additionally, you are encouraged to review CIV-409 for a listing of documents that are not eligible for e-filing. E-filing is also encouraged, but not mandated, for self-represented litigants, unless otherwise ordered by the court. All e-filers are required to comply with the e-filing requirements set forth in Electronic Filing Requirements (Civil) (SDSC Form #CIV-409) and Cal. Rules of Court, rules 2.250-2.261.

All Civil cases are assigned to departments that are part of the court's "Imaging Program." This means that original documents filed with the court will be imaged, held for 30 days, and then destroyed, with the exception of those original documents the court is statutorily required to maintain. The electronic copy of the filed document(s) will be the official court record, pursuant to Government Code § 68150. Thus, original documents should not be attached to pleadings filed with the San Diego Superior Court, unless it is a document for which the law requires an original be filed. Any original documents necessary for a motion hearing or trial shall be lodged in advance of the hearing pursuant to California Rules of Court, rule 3.1302(b).

It is the duty of each plaintiff, cross-complainant, or petitioner to serve a copy of this Notice of Case Assignment and Case Management Conference (Civil) (SDSC Form #CIV-721) with the complaint, cross-complaint, or petition on all parties to the action.

On all pleadings filed after the initial case originating filing, all parties must, to the extent it is feasible to do so, place the words "IMAGED FILE" in all caps immediately under the title of the pleading on all subsequent pleadings filed in the action.

The official court file will be electronic and accessible at one of the kiosks located in the Civil Business Office and may be found on the court's website at www.sdcourt.ca.gov.

Dear Sir/Madam:

Please be advised that this law firm represents the legal interests o[redacted] relating to the purchase of the above-mentioned vehicle. Let this immediately cease and desist all communications with our client. **The only exception is the dealership may communicate with our client in reference to current and future repairs. The dealer must also provide all necessary documentation for our client including but not limited to repair orders, sales documents and current registration.** Moreover, if you make any attempts to settle with our client without including all statutory relief, including all damages attorney fees and costs the consumer is entitled to, we may file suit against you. This letter hereby notifies you of our attorney's lien with respect to our client.

Please let this letter also serve as notification that our client's vehicle is defective. The vehicle has been brought in for repairs several times for numerous defects and although you have been afforded sufficient opportunities for repairs, the defects continue to exist and substantially impair the use and value and/or safety of the vehicle. If you are interested in any further repairs pursuant to the Lemon Law you must contact me immediately. Our client demands that you immediately take action as required by law.

This letter shall also serve as our client's Revocation of Acceptance pursuant to the Uniform Commercial Code § 2608 and notice of defect under the Lemon Law. Due to the serious defects with the Vehicle since its purchase, our client hereby demands a return of the full purchase price along with all interest paid on the finance note or a replacement vehicle as well as attorney fees and costs and incidental and consequential damages within 10 days of receipt of this letter to settle this matter prior to filing a lawsuit.

Please be advised that if you do not adhere to our demands within 10 days, our client has instructed me to file a lawsuit against you asserting claims that include, but in no way are limited to, breach of warranties, both express and implied, violation of the Magnuson Moss Warranty Act, violation of the Lemon Law, revocation of acceptance, and common law breach of contract. Please direct all future communication to my attention.

Respectfully submitted,

Re: Lemon Law Claim of May Miranda

Dear Sir or Madam:

Ms. [redacted] has retained my services to assist her in obtaining relief for her defective 2018 Ford Ecosport, VIN MAJ3P1TE5JC[redacted] which she purchased from Future Ford of Concord ("the Dealer") on August 18, 2018. As I now represent Ms. May, please direct any and all further communications regarding this matter to my office. Please note that this letter serves as a formal demand that your company comply with its legal obligations to Ms. May, including, but not limited to, those under the purchase agreement and California Civil Code Section 1793.2(d). This letter also serves as a preliminary notice and demand for corrective action pursuant to the provisions of California Civil Code section 1782 on behalf of my client and all other similarly situated persons.

As you may already know from [redacted] numerous visits to the Dealer, the automobile has been plagued by significant system failures. The vehicle will intermittently shut down completely, lose power completely, or lose power partially. The vehicle is currently undergoing its third repair attempt. To date, the vehicle has been out of service for 145 days. Despite repeated efforts during which significant engine components have been replaced, Ford Motor Company has been unable to resolve the problem.

Thus, [redacted] is faced with an automobile that cannot be repaired by the people most knowledgeable about it. She has lost all faith in the reliability of the vehicle. Indeed, in its current state, the vehicle's use, safety, and value have been compromised. The repeated repair visits and substantial time without the automobile have become a major inconvenience. The severe engine failures not only result in [redacted] nable to use the automobile for its intended purpose, it also poses a significant safety risk to her, other drivers, and pedestrians. In addition, if [redacted] were to try to sell the vehicle on the used-market, she would find that its value has significantly dropped.

With no other solution in sigh[redacted]s naturally considering her legal options, which are considerable. For example, California's "lemon law," Civil Code section 1790, *et seq.*, provides for economic damages, civil penalties of twice those damages, and full attorneys' fees and court costs. *See* Cal. Civ. Code § 1794. Making this case will be rather easy since the automobile has been presented for repair at least three times and has spent at least 145 days out of service but the issue currently remains. *See* Cal. Civ. Code § 1793.2(d)(1). Moreover, these repair attempts all occurred within the first 18 months of ownership and within the first 18,000 miles of use. In other words, through two separate statutory provisions, the vehicle is now presumptively considered a "lemon." *See* Cal. Civ. Code § 1793.22(b)(2)-(3).

As you may know, California courts routinely impose significant judgments against manufacturers that refuse to refund a consumer's money, despite evidence of a defect—particularly if they require the consumer to litigate their claims. *See, e.g., Lukather v. General Motors, LLC* (2010) 181 Cal.App.4th 1041 ($185,000 for defective Cadillac); *Orozco v. Ford Motor Company* (2006) ($155,000 for defective Ford F-250); *Tabata Properties v. General Motors Corporation* (2004) ($90,000 for defective 2004 Cadillac); *Jiagbogu v. Mercedes-Benz USA* (2004) 118 Cal.App.4th 1235 ($206,000 for defective Mercedes); *Nightingale v. Hyundai Motor America* (1994) 31 Cal. App. 4th 99 ($149,000 for defective Hyundai); *Levy v. Toyota Motor Sales, U.S.A., Inc.* (1992) 4 Cal.App.4th 807 ($56,000 for defective Toyota).

Fortunately [redacted]would prefer to resolve this matter quickly and amicably, as she is not a litigious person. Given the significant costs and risks associated with litigation, an informal [redacted]uld surely be in your company's interests as well. With that in mind, I propose that [redacted]immediately return the automobile, in exchange for a full refund of all money spent on it. Of course, the statute also requires that her legal fees and costs be covered. *See* Cal. Civ. Code § 1794(d), (e). These expenses are presently very modest but will escalate quickly if litigation is necessary.

If your company will agree to these very reasonable—and statutorily mandated—terms, [redacted] prepared to waive her right to seek damages and penalties. Should you like to discuss this matter, I can be reached at the telephone number and address shown above.

This offer will expire at 5:00 p.m. on June 24, 2019. If I do not hear from you by then, I will presume that Ford Motor Company is not interested in resolving this matter informally and will proceed accordingly.

Thank you for your anticipated cooperation. I hope to hear from you soon.

Yours truly,

[redacted]

Lemberg Law L.L.C. is writing on behalf of the above client with regard to the above vehicle purchased. **Please consider this your notice for an opportunity to correct the defects specified below.** We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting California consumers, including the California Unfair Trade Practices Act. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 30 days and subject to repair due to the engine failure and the vehicle remains unrepaired.

The defects in the vehicle constitute a breach of warranty in that they substantially impair its use, value, and safety to the client. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Trinette Kent*

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

The Early Organizational Meeting Stipulation, Discovery Resolution Stipulation, and Motions in Limine Stipulation are voluntary stipulations entered into by the parties. The parties may enter into one, two, or all three of the stipulations; however, they may not alter the stipulations as written, because the Court wants to ensure uniformity of application. These stipulations are meant to encourage cooperation between the parties and to assist in resolving issues in a manner that promotes economic case resolution and judicial efficiency.

*The following organizations endorse the goal of promoting efficiency in litigation and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases.*

**This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.**

**The parties agree that:**

1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, *to discuss and consider whether there can be agreement on the following*:

   a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended complaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?

   b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repair or maintenance records could be considered "core.");

   c. Exchange of names and contact information of witnesses;

   d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;

   e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;

   f. Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;

   g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as

discussed in the "Alternative Dispute Resolution (ADR) Information Package" served with the complaint;

h. Computation of damages, including documents, not privileged or protected from disclosure, on which such computation is based;

i. Whether the case is suitable for the Expedited Jury Trial procedures (see information at ***www.lacourt.org*** under "*Civil*" and then under "*General Information*").

2. The time for a defending party to respond to a complaint or cross-complaint will be extended to _____ (INSERT DATE) for the complaint, and _____ (INSERT DATE) for the cross-complaint, which is comprised of the 30 days to respond under Government Code § 68616(b), and the 30 days permitted by Code of Civil Procedure section 1054(a), good cause having been found by the Civil Supervising Judge due to the case management benefits provided by this Stipulation. A copy of the General Order can be found at *www.lacourt.org* under "*Civil*", click on "*General Information*", then click on "*Voluntary Efficient Litigation Stipulations*".

3. The parties will prepare a joint report titled "Joint Status Report Pursuant to Initial Conference and Early Organizational Meeting Stipulation, and if desired, a proposed order summarizing results of their meet and confer and advising the Court of any way it may assist the parties' efficient conduct or resolution of the case. The parties shall attach the Joint Status Report to the Case Management Conference statement, and file the documents when the CMC statement is due.

4. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day

The following parties stipulate:

| **STIPULATION – DISCOVERY RESOLUTION** | | CASE NUMBER: |

**This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.**

**The parties agree that:**

1. Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.

2. At the Informal Discovery Conference the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.

3. Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:

    a. The party requesting the Informal Discovery Conference will:

        i. File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;

        ii. Include a brief summary of the dispute and specify the relief requested; and

        iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.

    b. Any Answer to a Request for Informal Discovery Conference must:

        i. Also be filed on the approved form (copy attached);

        ii. Include a brief summary of why the requested relief should be denied;

iii. Be filed within two (2) court days of receipt of the Request; and

iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filing.

c. No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.

d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.

e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.

4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.

5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.

   It is the understanding and intent of the parties that this stipulation shall, for each discovery dispute to which it applies, constitute a writing memorializing a "specific later date to which the propounding [or demanding or requesting] party and the responding party have agreed in writing," within the meaning of Code Civil Procedure sections 2030.300(c), 2031.320(c), and 2033.290(c).

6. Nothing herein will preclude any party from applying *ex parte* for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.

7. Any party may terminate this stipulation by giving twenty-one (21) days notice of intent to terminate the stipulation.

8. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day.

| General Order Re Use of Voluntary Efficient Litigation Stipulations | ORDER PURSUANT TO CCP 1054(a), EXTENDING TIME TO RESPOND BY 30 DAYS WHEN PARTIES AGREE TO EARLY ORGANIZATIONAL MEETING STIPULATION |

Whereas the Los Angeles Superior Court and the Executive Committee of the Litigation Section of the Los Angeles County Bar Association have cooperated in drafting "Voluntary Efficient Litigation Stipulations" and in proposing the stipulations for use in general jurisdiction civil litigation in Los Angeles County;

Whereas the Los Angeles County Bar Association Litigation Section; the Los Angeles County Bar Association Labor and Employment Law Section; the Consumer Attorneys Association of Los Angeles; the Association of Southern California Defense Counsel; the Association of Business Trial Lawyers of Los Angeles; and the California Employment Lawyers Association all "endorse the goal of promoting efficiency in litigation, and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases;"

PE23-015 001243 LC SV

Whereas the Early Organizational Meeting Stipulation is intended to encourage cooperation among the parties at an early stage in litigation in order to achieve litigation efficiencies;

Whereas it is intended that use of the Early Organizational Meeting Stipulation will promote economic case resolution and judicial efficiency;

Whereas, in order to promote a meaningful discussion of pleading issues at the Early Organizational Meeting and potentially to reduce the need for motions to challenge the pleadings, it is necessary to allow additional time to conduct the Early Organizational Meeting before the time to respond to a complaint or cross complaint has expired;

Whereas Code of Civil Procedure section 1054(a) allows a judge of the court in which an action is pending to extend for not more than 30 days the time to respond to a pleading "upon good cause shown";

Now, therefore, this Court hereby finds that there is good cause to extend for 30 days the time to respond to a complaint or to a cross complaint in any action in which the parties have entered into the Early Organizational Meeting Stipulation. This finding of good cause is based on the anticipated judicial efficiency and benefits of economic case resolution that the Early Organizational Meeting Stipulation is intended to promote.

IT IS HEREBY ORDERED that, in any case in which the parties have entered into an Early Organizational Meeting Stipulation, the time for a defending party to respond to a complaint or cross complaint shall be extended by the 30 days permitted

## INSTRUCTIONS FOR HANDLING UNLIMITED CIVIL CASES

The following critical provisions of the California Rules of Court, Title 3, Division 7, as applicable in the Superior Court, are summarized for your assistance.

**APPLICATION**
The Division 7 Rules were effective January 1, 2007. They apply to all general civil cases.

**PRIORITY OVER OTHER RULES**
The Division 7 Rules shall have priority over all other Local Rules to the extent the others are inconsistent.

**CHALLENGE TO ASSIGNED JUDGE**
A challenge under Code of Civil Procedure Section 170.6 must be made within **15** days after notice of assignment for all purposes to a judge, or if a party has not yet appeared, within 15 days of the first appearance.

**TIME STANDARDS**
Cases assigned to the Independent Calendaring Courts will be subject to processing under the following time standards:

**COMPLAINTS**
All complaints shall be served within 60 days of filing and proof of service shall be filed within 90 days.

**CROSS-COMPLAINTS**
Without leave of court first being obtained, no cross-complaint may be filed by any party after their answer is filed. Cross-complaints shall be served within 30 days of the filing date and a proof of service filed within 60 days of the filing date.

**STATUS CONFERENCE**
A status conference will be scheduled by the assigned Independent Calendar Judge no later than 270 days after the filing of the complaint. Counsel must be fully prepared to discuss the following issues: alternative dispute resolution, bifurcation, settlement, trial date, and expert witnesses.

**FINAL STATUS CONFERENCE**
The Court will require the parties to attend a final status conference not more than 10 days before the scheduled trial date. All parties shall have motions in limine, bifurcation motions, statements of major evidentiary issues, dispositive motions, requested form jury instructions, special jury instructions, and special jury verdicts timely filed and served prior to the conference. These matters may be heard and resolved at this conference. At least five days before this conference, counsel must also have exchanged lists of exhibits and witnesses, and have submitted to the court a brief statement of the case to be read to the jury panel as required by Chapter Three of the Los Angeles Superior Court Rules.

**SANCTIONS**
The court will impose appropriate sanctions for the failure or refusal to comply with Chapter Three Rules, orders made by the Court, and time standards or deadlines established by the Court or by the Chapter Three Rules. Such sanctions may be on a party, or if appropriate, on counsel for a party.

**This is not a complete delineation of the Division 7 or Chapter Three Rules, and adherence only to the above provisions is therefore not a guarantee against the imposition of sanctions under Trial Court Delay Reduction. Careful reading and compliance with the actual Chapter Rules is imperative.**

**Class Actions**
Pursuant to Local Rule 2.3, all class actions shall be filed at the Stanley Mosk Courthouse and are randomly assigned to a complex judge at the designated complex courthouse. If the case is found not to be a class action it will be returned to an Independent Calendar Courtroom for all purposes.

***Provisionally Complex Cases**
Cases filed as provisionally complex are initially assigned to the Supervising Judge of complex litigation for determination of complex status. If the case is deemed to be complex within the meaning of California Rules of Court 3.400 et seq., it will be randomly assigned to a complex judge at the designated complex courthouse. If the case is found not to be complex, it will be returned to an Independent Calendar Courtroom for all purposes.

# ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION PACKAGE

**THE PLAINTIFF MUST SERVE THIS ADR INFORMATION PACKAGE ON EACH PARTY WITH THE COMPLAINT.**

**CROSS-COMPLAINANTS** must serve this ADR Information Package on any new parties named to the action with the cross-complaint.

## What is ADR?

ADR helps people find solutions to their legal disputes without going to trial. The main types of ADR are negotiation, mediation, arbitration, and settlement conferences. When ADR is done by phone, videoconference or computer, it may be called Online Dispute Resolution (ODR). These alternatives to litigation and trial are described below.

## Advantages of ADR

- **Saves Time:** ADR is faster than going to trial.
- **Saves Money:** Parties can save on court costs, attorney's fees, and witness fees.
- **Keeps Control** (with the parties): Parties choose their ADR process and provider for voluntary ADR.
- **Reduces Stress/Protects Privacy:** ADR is done outside the courtroom, in private offices, by phone or online.

## Disadvantages of ADR

- **Costs:** If the parties do not resolve their dispute, they may have to pay for ADR, litigation, and trial.
- **No Public Trial:** ADR does not provide a public trial or decision by a judge or jury.

## Main Types of ADR

1. **Negotiation:** Parties often talk with each other in person, or by phone or online about resolving their case with a settlement agreement instead of a trial. If the parties have lawyers, they will negotiate for their clients.

2. **Mediation:** In mediation, a neutral mediator listens to each person's concerns, helps them evaluate the strengths and weaknesses of their case, and works with them to try to create a settlement agreement that is acceptable to all. Mediators do not decide the outcome. Parties may go to trial if they decide not to settle.

   **Mediation may be appropriate when the parties**
   - want to work out a solution but need help from a neutral person.
   - have communication problems or strong emotions that interfere with resolution.

   **Mediation may <u>not</u> be appropriate when the parties**
   - want a public trial and want a judge or jury to decide the outcome.
   - lack equal bargaining power or have a history of physical/emotional abuse.

## How to Arrange Mediation in Los Angeles County

Mediation for **civil cases** is voluntary and parties may select any mediator they wish. Options include:

a. **The Civil Mediation Vendor Resource List**
If all parties in an active civil case agree to mediation, they may contact these organizations to request a "Resource List Mediation" for mediation at reduced cost or no cost (for selected cases).

- **ADR Services, Inc.** Assistant Case Manager Janet Solis, janet@adrservices.com (213) 683-1600
- **Mediation Center of Los Angeles** Program Manager info@mediationLA.org (833) 476-9145

**These organizations cannot accept every case and they may decline cases at their discretion.** They may offer online mediation by video conference for cases they accept. Before contacting these organizations, review important information and FAQs at www.lacourt.org/ADR.Res.List

**NOTE: The Civil Mediation Vendor Resource List program does not accept family law, probate, or small claims cases.**

b. **Los Angeles County Dispute Resolution Programs.** Los Angeles County-funded agencies provide mediation services on the day of hearings in small claims, unlawful detainer (eviction), civil harassment, and limited civil (collections and non-collection) cases. https://dcba.lacounty.gov/countywidedrp/

**Online Dispute Resolution (ODR).** Parties in small claims and unlawful detainer (eviction) cases should carefully review the Notice and other information they may receive about (ODR) requirements for their case. https://my.lacourt.org/odr/

c. Mediators and ADR and Bar organizations that provide mediation may be found on the internet.

3. **Arbitration:** Arbitration is less formal than trial, but like trial, the parties present evidence and arguments to the person who decides the outcome. In "binding" arbitration, the arbitrator's decision is final; there is no right to trial. In "nonbinding" arbitration, any party can request a trial after the arbitrator's decision. For more information about arbitration, visit https://www.courts.ca.gov/programs-adr.htm

4. **Mandatory Settlement Conferences (MSC):** MSCs are ordered by the Court and are often held close to the trial date or on the day of trial. The parties and their attorneys meet with a judge or settlement officer who does not make a decision but who instead assists the parties in evaluating the strengths and weaknesses of the case and in negotiating a settlement. For information about the Court's MSC programs for civil cases, visit https://www.lacourt.org/division/civil/CI0047.aspx

Dear Sir/Madam:

Please be advised that I represent [redacted] regarding the above referenced matter. I will refrain from filing suit in an effort to resolve this matter prior to litigation upon your request. In order for you to evaluate this matter, the following is a detailed repair summary relative to [redacted] 2018 Ford Escape.

| Date | Mileage | Invoice # | Complaint |
|---|---|---|---|
| 01/10/20 | 33,368 | 313151 | **ELECTRICAL DEFECT:** The FM radio does not work. **Updated the ACM.** |

**-5 DAYS OUT OF SERVICE**

**THE VEHICLE HAS BEEN OUT OF SERVICE DUE TO REPAIR FOR AT LEAST 100 DAYS.**

[redacted] Ms. Moore purchased the 2018 Ford EcoSport from [redacted] Ford. [redacted] has submitted the 2018 Ford EcoSport for vehicle defects on at least three (3) different occasions. The limited written warranty provides that Ford Motor Company, or its authorized dealerships, will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle after three (3) attempts is a breach of its warranty.

It is my understanding that you will review this matter and contact me within 30 days upon receipt of this letter.

This offer and all of its contents are for settlement purposes only.

Thank you for your time and attention. I look forward to hearing from you.

Very Truly Yours,

**LAW OFFICE OF RONALD J. BOLZ, PLLC**

## ADDITIONAL TERMS OF THIS CONTRACT AND SECURITY AGREEMENT

**GENERAL TERMS:** You have been given the opportunity to purchase the Vehicle and described services for the Cash Price or the Total Sale Price. The Total Sale Price is the total price of the Vehicle and any services if you buy them over time. You agreed to purchase the items over time. The Total Sale Price shown in the TRUTH IN LENDING DISCLOSURES assumes that all payments will be made as scheduled. The actual amount you will pay may be more or less depending on your payment record.

We do not intend to charge or collect, and you do not agree to pay, any finance charge or fee, that is more than the maximum amount permitted for this sale by state or federal law. If you pay a finance charge or fee that is contrary to this provision, we will, instead, apply it first to reduce the principal balance, and when the principal has been paid in full, refund it to you.

You understand and agree that some payments to third parties as a part of this Contract may involve money retained by us or paid back to us as commissions or other remuneration.

If any section or provision of this Contract is not enforceable, the other terms will remain part of this Contract.

**UNEQUAL PAYMENTS:** If this Contract is not payable in substantially equal successive installments, you may have the right by law to refinance this Contract on terms as favorable as the terms originally agreed to in this Contract. This right does not apply if your payment schedule is adjusted for seasonal or irregular income.

**PREPAYMENT:** You may prepay this Contract in full or in part at any time.

**Contractual Lien on Accounts:**
In addition to any other security listed in this agreement, you give to us a contractual lien (i.e., a security interest) on all funds in any share account (including, but not limited to, your share, share draft and share certificate accounts, but excluding IRA account(s)), with us on which you are a signatory or in which you have an ownership interest now or in the future, regardless of the source of the funds. You agree that we may use such funds, without notice, to pay any debts or amounts owed to us by you, other than obligations secured by real property or where otherwise prohibited by federal or state law or regulation.

**Additional Security (Cross Collateralization):**
You understand and agree that the property referenced as security herein (and all proceeds thereof and all insurance proceeds and insurance premium refunds, whether we have required the insurance or not) shall secure this loan and any and all other loans and lines of credit you now have with us or become obligated to pay in the future. In addition, any property (and any proceeds thereof and all insurance premium refunds) securing other loans and lines of credit you have with us or become obligated to pay us in the future will also secure all funds advanced by us under this loan. This "Cross Collateralization" agreement shall not apply to any loan, line of credit or other agreement secured by real property, property used as your dwelling or where otherwise prohibited by federal or state law or regulation.

charges accruing on the unpaid balance at the rate of 4.9900 % per year from today's date until paid in full. Finance charges accrue on a 365 day basis. You agree to pay this Contract according to the payment schedule and late charge provisions shown in the TRUTH IN LENDING DISCLOSURES. You also agree to pay any additional amounts according to the terms and conditions of this Contract.

**DOWN PAYMENT:** You also agree to pay, or apply to the Cash Price, on or before today's date, any cash, rebate and net trade-in value described in the ITEMIZATION OF AMOUNT FINANCED. ☐ You agree to make deferred payments as part of the cash down payment as reflected in your Payment Schedule.

☐ **RETURNED CHECK CHARGE:** If you make any payment required by this Contract with a check or negotiable instrument that is returned or dishonored, you agree to pay a fee of $ 25.00 .

[redacted]

Dear Sir/Madam:

Please be advised that I represent [redacted] regarding the above referenced matter. I will refrain from filing suit in an effort to resolve this matter prior to litigation upon your request. In order for you to evaluate this matter, the following is a detailed repair summary relative to [redacted] 2018 Ford Escape.

| Date | Mileage | Invoice # | Complaint |
|---|---|---|---|
| 09/12/19 | 31,451 | 304754 | **ENGINE DEFECT:** The low oil pressure message cam on. **REPLACED THE ENGINE.** |
| | | | **-86 DAYS OUT OF SERVICE** |
| 12/23/19 | 32,409 | 311913 | **ENGINE DEFECT:** The vehicle is overheating. **REPLACED THE COOLANT HOSE.** |
| | | | **-9 DAYS OUT OF SERVICE** |

| Date | Mileage | Invoice # | Complaint |
|---|---|---|---|
| 01/10/20 | 33,368 | 313151 | **ELECTRICAL DEFECT:** The FM radio does not work. **Updated the ACM.** |
| | | | **-5 DAYS OUT OF SERVICE** |
| | | | **THE VEHICLE HAS BEEN OUT OF SERVICE DUE TO REPAIR FOR AT LEAST 100 DAYS.** |

[redacted]Ms. Moore purchased the 2018 Ford EcoSport from [redacted] Ford. [redacted] has submitted the 2018 Ford EcoSport for vehicle defects on at least three (3) different occasions. The limited written warranty provides that Ford Motor Company, or its authorized dealerships, will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle after three (3) attempts is a breach of its warranty.

It is my understanding that you will review this matter and contact me within 30 days upon receipt of this letter.

This offer and all of its contents are for settlement purposes only.

Thank you for your time and attention. I look forward to hearing from you.

Very Truly Yours,

**LAW OFFICE OF RONALD J. BOLZ, PLLC**

## ADDITIONAL TERMS OF THIS CONTRACT AND SECURITY AGREEMENT

**GENERAL TERMS:** You have been given the opportunity to purchase the Vehicle and described services for the Cash Price or the Total Sale Price. The Total Sale Price is the total price of the Vehicle and any services if you buy them over time. You agreed to purchase the items over time. The Total Sale Price shown in the TRUTH IN LENDING DISCLOSURES assumes that all payments will be made as scheduled. The actual amount you will pay may be more or less depending on your payment record.

We do not intend to charge or collect, and you do not agree to pay, any finance charge or fee, that is more than the maximum amount permitted for this sale by state or federal law. If you pay a finance charge or fee that is contrary to this provision, we will, instead, apply it first to reduce the principal balance, and when the principal has been paid in full, refund it to you.

You understand and agree that some payments to third parties as a part of this Contract may involve money retained by us or paid back to us as commissions or other remuneration.

If any section or provision of this Contract is not enforceable, the other terms will remain part of this Contract.

**UNEQUAL PAYMENTS:** If this Contract is not payable in substantially equal successive installments, you may have the right by law to refinance this Contract on terms as favorable as the terms originally agreed to in this Contract. This right does not apply if your payment schedule is adjusted for seasonal or irregular income.

**PREPAYMENT:** You may prepay this Contract in full or in part at any time.

**Contractual Lien on Accounts:**
In addition to any other security listed in this agreement, you give to us a contractual lien (i.e., a security interest) on all funds in any share account (including, but not limited to, your share, share draft and share certificate accounts, but excluding IRA account(s)), with us on which you are a signatory or in which you have an ownership interest now or in the future, regardless of the source of the funds. You agree that we may use such funds, without notice, to pay any debts or amounts owed to us by you, other than obligations secured by real property or where otherwise prohibited by federal or state law or regulation.

**Additional Security (Cross Collateralization):**
You understand and agree that the property referenced as security herein (and all proceeds thereof and all insurance proceeds and insurance premium refunds, whether we have required the insurance or not) shall secure this loan and any and all other loans and lines of credit you now have with us or become obligated to pay in the future. In addition, any property (and any proceeds thereof and all insurance premium refunds) securing other loans and lines of credit you have with us or become obligated to pay us in the future will also secure all funds advanced by us under this loan. This "Cross Collateralization" agreement shall not apply to any loan, line of credit or other agreement secured by real property, property used as your dwelling or where otherwise prohibited by federal or state law or regulation.

charges accruing on the unpaid balance at the rate of 3.9900 % per year from today's date until paid in full. Finance charges accrue on a 365 day basis. You agree to pay this Contract according to the payment schedule and late charge provisions shown in the TRUTH IN LENDING DISCLOSURES. You also agree to pay any additional amounts according to the terms and conditions of this Contract.

**DOWN PAYMENT:** You also agree to pay, or apply to the Cash Price, on or before today's date, any cash, rebate and net trade-in value described in the ITEMIZATION OF AMOUNT FINANCED. ☐ You agree to make deferred payments as part of the cash down payment as reflected in your Payment Schedule.

☐ **RETURNED CHECK CHARGE:** If you make any payment required by this Contract with a check or negotiable instrument that is returned or dishonored, you agree to pay a fee of $ 25.00 .

**RE:** [redacted]

Dear Sir/Madam:

Please be advised that this office represents the above-named individual regarding claims against your company pursuant to the Federal Magnuson-Moss Warranty Act with regard to the above-listed vehicle. Please direct all future contacts and correspondence to our office.

**Having been formally notified of our representation, you are instructed not to contact our client under any circumstances. Direct all inquiries to this office. If you fail to act in conformity with this directive, injunctive relief will be sought against you.**

**Pursuant to 15 U.S.C. 2310(d), you are hereby notified that any settlement made with our client requires payment of our attorneys' fees. If you settle directly with our client and do not make arrangements for payment of our attorneys' fees, we will file suit against you. In addition, you are hereby notified of our attorneys' lien.**

There is a defect present in my client's vehicle for which relief is sought and numerous attempts to repair the vehicle have been unsuccessful. The defect includes, but is not limited to:

1. Defective engine/electrical system as evidenced by no start condition; and
2. Any additional defects, whether or not they are contained on any dealer repair orders.

Because of the defect, my client has justifiably lost confidence in the vehicle. As one court has stated:

> For a majority of people the purchase of a new car is a major investment, rationalized by the peace of mind that flows from its dependability and safety. Once their faith is shaken, the vehicle loses not only its real value in their eyes, but becomes an instrument whose integrity is substantially impaired and whose operation is fraught with apprehension. Zabriskie Chevrolet, Inc. v. Smith, 240 A.2d 195.

Concerning the amount of grief a person must endure, one court expressed the consumer's lament in the following manner:

> There comes a time when enough is enough – when an automobile purchaser, after having to take her car into the shop for repairs an inordinate number of times and experiencing all of the attendant inconvenience, is entitled to say, "That's all," and revoke, notwithstanding the repeated good faith efforts to fix the car. Rester v. Morrow, 491 So.2d 204.

My client's repair history clearly shows there was a breach of both written and implied warranties:

> Based upon the generally accepted rule that an unsuccessful effort to remedy defects found to exist renders the warrantor liable; the buyer is not bound to allow her the opportunity or permit her to tinker with the article indefinitely in the hope that it may ultimately be made to comply with the warranty. Kure v. Chevrolet Motor Division, 581 P.2d 603.

Therefore, you are hereby notified in writing of your breach of warranty and of my client's intent to pursue claims for breach of warranty in a court of law should you fail to amicably resolve this matter. Please be advised that pursuant to Uniform Commercial Code §2-711(3), my client has a security interest in the vehicle. Unless you are willing to accept the return of the vehicle and reimburse my client for all monies paid on the vehicle, my client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest and to minimize your damages. Moreover, my client needs return of the monies listed above before a substitute vehicle can be acquired. In addition, any attempt by you or your agents to repossess the vehicle will be wrongful and may subject you to liability for conversion and for wrongful repossession under Uniform Commercial Code §§9-503 and 9-507, as well as any other applicable remedies.

If the seller or, if applicable, the assignee, or any creditor subject to the FTC Holder Rule has filed a financing statement covering the goods, I demand, pursuant to Uniform Commercial Code §9-404, that you file a termination statement within ten (10) days to terminate your security interest and forward a copy to me. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten (10) days and cooperate in removing the lien, you may be liable under Uniform Commercial Code §9-404(1) in the amount of $100.00, plus any loss caused to my client by your failure to do so.

To avoid any litigation, my client requests the return of fifty (50) percent of the purchase price of the vehicle as compensation for its diminished value due to its defect and payment of our attorneys' fees pursuant to the fee-shifting provision of the Federal Magnuson-Moss Warranty Act. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more time spent on our part or on the part of your attorneys. A great deal of time, money and effort will be saved by all parties involved with a quick resolution of this claim.

Accordingly, if you wish to resolve this matter amicably, please feel free to contact my office. If the matter has not been resolved within fourteen (14) days from the date of this letter, a lawsuit will be filed.

Sincerely,

*/s/ Brandi Schueler*

**Re:**
**Our Client:**
**Vehicle:**
**Date of Purch/Leas**

**Our File No:**

Dear Case Manager:

Please be advised that this office has been retained by [redacted] regarding the above-referenced vehicle which was obtained from North Coast Automall (1875 Brittain Road, Akron, Ohio 44310). Since that time, our client's vehicle has undergone repeated repair attempts for a number of defects and nonconformities. As a result, our client has been forced to seek full relief pursuant to state and federal consumer product warranty laws.

The vehicle's primary defects and nonconformities include, but are not limited to, the following:

1. Engine;
2. Any and all additional complaints actually made, whether contained on company invoices or otherwise.

These nonconformities substantially impair the use, value and safety of the subject vehicle as defined under the Ohio Lemon Law, the Magnuson-Moss Warranty Act and the Ohio Uniform Commercial Code. Because the "purchase of a new car is a major investment [which is] rationalized by the peace of mind that flows from its dependability and safety...," these defects have understandably caused our client to lose all faith and confidence in the vehicle's integrity. Zabriskie Chevrolet, Inc. v. Smith, 240 A.2d 195 (N.J. Super. Ct. 1968).

Therefore, you (and the authorized dealer) are hereby notified that our client is revoking acceptance of the vehicle effective immediately. Our client has directed us to demand the return of any and all funds paid towards this vehicle, to rescind the contracts, and to seek compensation for any incidental and consequential damages, including attorney's fees. Please inform this office of the procedure whereby our client may return the vehicle and recoup these expenses. DO NOT CONTACT OUR CLIENT UNDER ANY CIRCUMSTANCES AND DIRECT ALL INQUIRIES TO THIS LAW OFFICE.[1]

If you wish to resolve this matter expeditiously or merely apprise us of your position, please contact this office within the next fourteen (14) days. If we do not hear anything from you, because Ford Motor Company does not have an approved Informal Dispute Resolution Mechanism in Ohio we have been directed to begin preparing a formal complaint to be filed with the Court.

Sincerely,

**KAHN & ASSOCIATES, L.L.C.**

## ADDITIONAL TERMS AND CONDITIONS

1. ***We have the right to increase the Vehicle price.*** *We may increase the price of the Vehicle after we accept this Agreement if any Trade-In Vehicle described above is reappraised, new equipment is required by state or federal law, or the increase is caused by state or federal tax rate changes. If the price is increased, you may cancel this Agreement with full refund of any Deposit/Down Payment, provided that the cancellation occurs prior to you taking delivery of the purchased Vehicle.*
2. **Manufacturer – New Vehicle Pricing, Design and Availability.** The manufacturer of the Vehicle (the "Manufacturer") may change or modify the design of or any part or accessory of its new vehicles without notice to us. If this occurs, you agree that you will not have any claim or right against us if the Vehicle does not contain such changes or modifications, nor shall we be required to effect such changes or modifications to the Vehicle.
3. **Buyer Representations and Warranties.** You represent, warrant and affirm to us that: • you are not purchasing a new Vehicle for resale or export within the period beginning on the date the Vehicle title is issued to you and ending on the date 1 year thereafter; • you acknowledge that we are relying on this representation and agree that we would not sell the Vehicle to you without this representation. If we are required by the Manufacturer to forfeit or repay any manufacturer incentives, allowance and/or special pricing, or if we suffer any loss or harm as a result of your breach of this provision, you agree to indemnify and hold us harmless from any such cost, loss or harm suffered as a result of or arising because of your breach; • the Deposit/Down Payment and any amounts due to us have been paid in full, any check given to us will be honored by your bank, and that no part of the Deposit/Down Payment has been loaned to you by us or any third party; • all statements made by you in this Agreement and any other documents completed in connection with this transaction are true and correct; • you are the person you have represented yourself to be and you have purchased the Vehicle for your own use and not on behalf of another person, unless you have disclosed otherwise to us; and any Trade-In Vehicle delivered to us has been properly titled to you, has never been titled as or declared a total loss, salvage, junk, rebuilt, flood, or lemon buyback vehicle; that you have the right to sell or otherwise convey such vehicle; that such vehicle is free and clear of liens or encumbrances, except as may be noted in this Agreement; all emissions control equipment is on the vehicle and in satisfactory working order; and, unless you have told us otherwise, that you have not removed any equipment from the vehicle subsequent to our appraisal and that the odometer reading shown is accurate.
4. **Trade-In Vehicle:** Any Trade-In Vehicle delivered by you to us in connection with this transaction must be accompanied by a Certificate of Title or documents sufficient to enable us to obtain a Certificate of Title to the Trade-In Vehicle in accordance with applicable state law. If you are delivering a Trade-In Vehicle in connection with this transaction and the actual amount of the balance owed on the Trade-In Vehicle is greater than the amount of the Balance Owed as listed in this Agreement, you agree to pay the difference to us. If the actual amount of the balance owed is less than the amount listed, we will pay or credit the difference to you. If you are delivering a Trade-In Vehicle to us in connection with this transaction and the delivery will not be made until delivery of the Vehicle being purchased from us, we have the right to reappraise your Trade-In Vehicle at the time of delivery. The reappraised amount shall be the amount allowed for the Trade-In Vehicle in this transaction. If you are dissatisfied with the reappraisal, you may cancel this Agreement with full refund of any Deposit/Down Payment, provided that the cancellation occurs prior to you taking delivery of the purchased Vehicle.
5. **Cancellation Remedies:** You agree that we are not liable for any damages resulting from our failure to deliver the Vehicle if the failure is caused by the Manufacturer, an accident, fire, act of nature or any other causes beyond our control. This Agreement may be renegotiated or cancelled (with full refund of any Deposit/Down Payment) if the Vehicle is not delivered to you pursuant to Paragraphs 1 or 4. If you have delivered a Trade-In Vehicle to us, the Trade-In Vehicle will be returned to you if we have not already sold it. If we have already sold the Trade-In Vehicle, we will refund the agreed upon Trade-In Allowance. Regardless of whether we return the Trade-In Vehicle or have already sold it, you are responsible for paying to us the Balance Owed on the Trade-In Vehicle if we have paid the Balance Owed to the Lienholder. We may keep any portion of the amount you have paid to us as a Deposit/Down Payment and any Trade-In Allowance we owe to you to offset against the amount you owe us. If the actual amount you owe to us is greater than the amount of the Deposit/Down Payment, you agree to pay the difference to us. If the actual amount you owe is less than the amount of the Deposit/ Down Payment, we will pay the difference to you. 6. **Default:** In the event you have agreed to pay the Unpaid Balance described on the first page of this Agreement in cash or financing is being obtained by you through a credit source of your choice and we do not receive the Unpaid Balance from you at the time of delivery of the Vehicle or on the date promised in this Agreement, you fail to perform any of your other obligations under this Agreement, or you breach any representation or warranty made by you to us, we may, at our sole discretion, exercise the remedies provided in this Agreement or otherwise available at law or equity, either separately or together, including the following: • we may cancel this Agreement; • we may repossess the Vehicle without notice (if permitted by law); • we may rescind the sales transaction; • we may seek collection for amounts due; • we may retain any cash down payment made by you; and • in the event that you have delivered a Trade-In Vehicle as part of the consideration for your purchase of the Vehicle from us, we may sell such Trade-In Vehicle and reimburse the Seller out of the proceeds of such sale for any reasonable expenses incurred in connection with preparing and offering the Trade-In Vehicle for sale and any actual damages suffered by the Seller as a result of your default. Regardless of whether we return the Trade-In Vehicle or have already sold it, you are responsible for paying to us the Balance Owed on the Trade-In Vehicle if we have paid the Balance Owed to the Lienholder(s) described on the first page of this Agreement and for any reasonable expenses incurred by the Seller in connection with preparing or reconditioning the Trade-In Vehicle for sale. Any waiver by of a remedy hereunder is not a continuing waiver. If the actual amount you owe us is greater than the amount of the down payment and/or proceeds from the sale of your Trade-In Vehicle, you must pay the difference to us upon demand. If the actual amount you owe is less the proceeds of such sale, then we will pay the difference to you.
7. **Other Products and Services:** We offer our customers goods and services from various suppliers. The amounts charged to customers for such goods or services may be greater than our cost, and/or we may receive a commission or other payment in connection with such sale. You are not required to purchase any other goods or services from us, nor are you required to finance the Unpaid Balance under this Agreement with a particular lender. If this Agreement includes a charge for other goods or services for which you must complete an application for coverage, and for any reason such coverage cannot be provided, you will receive a credit for the amount charged. If the cost of other goods or services was included in Unpaid Balance, then we will apply an appropriate credit to the balance you owe under this Agreement.
8. **Dealer Assisted Financing:** If you choose us to assist you to obtain financing for payment of the Unpaid Balance, you give us permission to submit credit applications on your behalf to third-party finance sources. Any annual percentage rate (APR) quoted by us may be negotiable, and we may receive a fee, commission or other compensation from any third-party finance source. We do not make any representations or warranties regarding whether you obtained the best APR or could have obtained a better APR from us or a third-party finance source.

You understand that it may take some time for us to verify your credit and assign this contract. You agree that we have **fifteen (15) days** to assign this contract. 13. ***Arbitration:*** *Either you or we may choose to have any dispute arising under this Agreement resolved by binding neutral arbitration under the rules then in effect of the American Arbitration Association ("AAA") or any other arbitration organization you choose and that we approve in writing ("the Arbitration Organization"). The arbitration shall be conducted under the then current rules of the Arbitration Organization and not by any state law concerning arbitration. You may get a copy of the rules of an Arbitration Organization by contacting the Arbitration Organization or visiting its website. Neither you nor we waive the right to arbitrate by using self-help remedies, such as repossession, or by filing an action to recover a* deficiency balance, or for individual injunctive relief. Either of us may elect to arbitrate even if an action has been filed in court, so long as no judgment has been rendered. You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. A single arbitrator shall hold the arbitration hearing at a location near where you signed this Agreement (or, if you have since moved, in the federal judicial district where you live). The arbitrator shall apply applicable law, including applicable statutes of limitation. The arbitrator's award shall be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act. Either party may enter judgment on the award in the highest local, state or federal court or before any administrative body. We agree to pay any initial filing fee you may owe should you choose to arbitrate. Additionally, we agree for only the first day of arbitration to pay the following fees up to a maximum of $2500 in the aggregate, unless the law or the rules of the chosen arbitration organization require us to pay more: the arbitrator's fee, those reasonable arbitration expenses or costs (excluding attorney fees) assessed to you that you would not pay if you had brought a dispute in court, and any other reasonable expense or cost unique to the arbitration process. We will also pay other amounts an arbitrator determines that we must pay in order to assure the enforceability of this arbitration provision. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims are frivolous under applicable law. This arbitration provision shall survive termination or expiration of this Agreement. NO CLASS ACTION ARBITRATION MAY BE BROUGHT OR ORDERED UNDER THIS ARBITRATION PROVISION AND THERE SHALL BE NO JOINDER OF PARTIES, EXCEPT FOR JOINDER OF PARTIES TO THIS AGREEMENT. IF EITHER YOU OR WE CHOOSE TO ARBITRATE, THE FOLLOWING WARNINGS APPLY: ALL DISPUTES BETWEEN YOU AND US WILL BE RESOLVED BY BINDING ARBITRATION; YOU WILL GIVE UP THE RIGHT TO SEEK REMEDIES IN COURT, INCLUDING THE RIGHT TO A JURY TRIAL; YOUR ABILITY TO COMPEL OTHER PARTIES TO PRODUCE DOCUMENTS OR BE EXAMINED WILL BE MORE LIMITED IN ARBITRATION THAN IN A LAWSUIT; AND, YOUR RIGHTS TO APPEAL OR CHANGE AN ARBITRATION AWARD IN COURT WILL BE VERY LIMITED. If any part of this arbitration provision, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this arbitration provision shall be unenforceable. You and we agree that this Agreement evidences a transaction in interstate commerce. This Arbitration provision is governed by the Federal Arbitration Act, 9 U.S.C. §§ 1 et seq. and not by any state arbitration law.

    If you don't want this arbitration provision to apply, you may reject it by mailing us at 5755 Granger Rd., Ste. 777, Independence, OH 44131 a written rejection notice which identifies this Agreement and tells us that you are rejecting this arbitration provision. ## OTHER IMPORTANT AGREEMENTS

### 1. FINANCE CHARGE AND PAYMENTS

a. **How we will figure Finance Charge.** We will figure the Finance Charge on a daily basis at the Annual Percentage Rate on the unpaid part of the Amount Financed.

b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of the Amount Financed and to other amounts you owe under this contract in any order we choose.

c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on page 1 of this contract, on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.

d. **You may prepay.** You may prepay all or part of the unpaid part of the Amount Financed at any time without penalty. If you do so, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

e. **Your right to refinance an irregular payment schedule.** An irregular payment schedule is one with payments not scheduled to be paid in substantially equal consecutive payments. If you have an irregular payment schedule and if you are buying the vehicle primarily for personal, family, or household use, you may refinance this contract without penalty. The terms of the refinancing will be no less favorable to you than the terms of this contract. This provision does not apply if we adjusted your payment schedule to your seasonal or irregular income.

### 2. YOUR OTHER PROMISES TO US

a. ***If the vehicle is damaged, destroyed, or missing.*** *You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.*

b. ***Using the vehicle.*** *You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.*

c. **Security Interest.**

You give us a security interest in:

- The vehicle and all parts or goods put on it;
- All money or goods received (proceeds) for the vehicle;
- All insurance, maintenance, service or other contracts we finance for you; and
- All proceeds from insurance, maintenance, service or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle. You will not allow any other security interest to be placed on the title without our written permission.

d. **Insurance you must have on the vehicle.** *You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. You agree to name us on your insurance policy as an additional insured and as loss payee. If you do not have this insurance, we may exercise our rights under this contract, or if we choose, buy physical damage insurance covering our interest in the vehicle. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.*

e. **What happens to returned insurance, maintenance, service, or other contract charges.** *If we get a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.*

### 3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

a. **You may owe late charges.** *You will pay a late charge on each late payment as shown on page 1 of this contract. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments. If you pay late, we may also take the steps described below.*

b. **You may have to pay all you owe at once.** *If you break your promises (default), we may demand that you pay all you owe on this contract at once (accelerate). Default means:*

1. *You do not pay any payment on time;*
2. *You give false, incomplete, or misleading information on a credit application;*
3. *You start a proceeding in bankruptcy or one is started against you or your property; or*
4. *You break any agreements in this contract.*

If your only default is that you did not pay a payment on time, we may accelerate this contract only if your default continues for at least 30 days. Otherwise, we may accelerate any time after you default. Our right to accelerate is subject to any right the law gives you to reinstate this contract.

The amount you will owe will be the unpaid part of the Amount Financed plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

c. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

d. **How you can get the vehicle back if we take it.** If we repossess the vehicle, in many situations, the law gives you the right to pay to get it back. We will tell you what you have to do to get the vehicle back.

e. **We will sell the vehicle if you do not get it back.** If you do not do what is required to get the vehicle back, we will sell the vehicle.
We will apply the money from the sale, less allowed expenses, to the amount you owe. Allowed expenses are expenses we pay as a direct result of taking the vehicle, holding it, preparing it for sale, and selling it. If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at the greater of the Annual Percentage Rate shown on the front of this contract, or the highest rate the law permits.

f. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, you agree that we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

## 4. SERVICING AND COLLECTION CONTACTS

You agree that we may try to contact you in writing, by e-mail, or using prerecorded/artificial voice messages, text messages, and automatic telephone dialing systems, as the law allows. You also agree that we may try to contact you in these and other ways at any address or telephone number you provide us, even if the telephone number is a cell phone number or the contact results in a charge to you.

## 5. APPLICABLE LAW

Federal law and the law of the state of our address shown on page 1 of this contract apply to this contract.

**Electronic Contracting and Signature Acknowledgment.** You agree that (i) this contract is an electronic contract executed by you using your electronic signature, (ii) your electronic signature signifies your intent to enter into this contract and that this contract be legally valid and enforceable in accordance with its terms to the same extent as if you had executed this contract using your written signature and (iii) the authoritative copy of this contract ("Authoritative Copy") shall be that electronic copy that resides in a document management system designated by us for the storage of authoritative copies of electronic records, which shall be deemed held by us in the ordinary course of business. Notwithstanding the foregoing, if the Authoritative Copy is converted by printing a paper copy which is marked by us as the original (the "Paper Contract"), then you acknowledge and agree that (1) your signing of this contract with your electronic signature also constitutes issuance and delivery of such Paper Contract, (2) your electronic signature associated with this contract, when affixed to the Paper Contract, constitutes your legally valid and binding signature on the Paper Contract and (3) subsequent to such conversion, your obligations will be evidenced by the Paper Contract alone.

### Limited Right to Cancel

a. We agree to deliver the vehicle to you on the date this contract is signed by us and you. You understand that it may take a few days for us to verify your credit and assign this contract. You agree that we have the number of days stated on page 2 of this contract to assign this contract. If we are unable to assign this contract within this period of time to any one of the financial institutions with whom we regularly do business, you or we may cancel this contract. This limited right to cancel will end at the earlier of the date we assign the contract or the end of the stated time period.

b. We will notify you if we cannot assign this contract and if we elect to cancel this contract. Upon receipt of such notice, you must comply with "Buyer's Obligations" described below and we must give back to you all consideration we have received in accordance with the terms of the Buyers Order.

c. Buyer's Obligations: If we do not assign the contract within the time described above, and you or we cancel this contract as provided above, you must return the vehicle to us immediately in the same condition as when sold, reasonable wear and tear excepted. You agree to pay us the cost of repairing any damage occurring to the vehicle while it is in your possession and to hold us harmless from any expenses, costs and fees arising out of any act pertaining to the operation of the vehicle while it is in your possession. If the vehicle is immobilized or impounded while in your possession, you agree to do whatever is necessary to ensure the vehicle's return to us. If you do not return the vehicle immediately, you will be liable for all expenses incurred by us in taking the vehicle from you. If you fail to return the vehicle, we may use any legal means to take it back.

d. While the vehicle is in your possession, all terms of this contract, including those relating to use of the vehicle and insurance for the vehicle, are in full force and you assume all risk of loss or damage to the vehicle.

e. Nothing in this section gives you the right to cancel this contract for reasons unrelated to our assignment of this contract.

## NO COOLING OFF PERIOD

**State law does not provide for a "cooling off" or cancellation period for this sale. After you sign this contract, you may only cancel it if the seller agrees, if this contract is subject to the limited right to cancel described on page 2, or for legal cause. You cannot cancel this contract simply because you change your mind. This notice does not apply to home solicitation sales.**

**1. EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.**

**2. IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.**

**3. DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.**

*Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Provision, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, purchase or condition of this vehicle, this contract or any resulting transaction or relationship (including any such relationship with third parties who do not sign this contract) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose the American Arbitration Association, 1633 Broadway, 10th Floor, New York, New York 10019 (www.adr.org), or any other organization to conduct the arbitration subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website. Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside unless the Seller-Creditor is a party to the claim or dispute, in which case the hearing will be held in the federal district where this contract was executed. We will pay your filing, administration, service or case management fee and your arbitrator or hearing fee all up to a maximum of $5000, unless the law or the rules of the chosen arbitration organization require us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control. Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et. seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.*

*You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate by using self-help remedies, such as repossession, or by filing an action to recover the vehicle, to recover a deficiency balance, or for individual injunctive relief. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive any termination, payoff or transfer of this contract. If any part of this Arbitration Provision, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Provision shall be unenforceable.*

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

**GENERAL ALLEGATIONS**

2. Plaintiff, [redacted] is an individual residing in the City of [redacted] State of California.

3. Defendant, FORD MOTOR COMPANY, is and was a Delaware Corporation operating and doing business in the State of California.

4. Defendant, HUNTINGTON BEACH FORD, is and was a California Corporation registered to do business in the State of California with its principal place of business in the City of Huntington Beach, State of California.

8. Each Defendant, whether actually or fictitiously named herein, was the principal, agent (actual or ostensible), or employee of each other Defendant, and in acting as such principal or within the course and scope of such employment or agency, took some part in the acts and omissions hereinafter set forth by reason of which each Defendant is liable to Plaintiff for the relief prayed for herein.

9. On December 1, 2020, Plaintiff purchased a 2018 Ford EcoSport, having VIN No.: [redacted] ("the Subject Vehicle"). These causes of action arise out of warranty and repair obligations of FORD MOTOR COMPANY in connection with a vehicle that Plaintiff purchased and for which FORD MOTOR COMPANY issued a written warranty. The warranty was not issued by the selling dealership.

10. FORD MOTOR COMPANY warranted the Subject Vehicle and agreed to preserve or maintain the utility or performance of Plaintiff's vehicle or to provide compensation if there was a failure in such utility or performance. In connection with the purchase, Plaintiff received various warranties, inter alia, a 3-year/36,000 mile express bumper to bumper warranty, a 5-year/60,000 mile powertrain warranty which, inter alia, covers the engine and the transmission, as well as various emissions warranties that exceed the time and mileage limitations of the bumper to bumper and powertrain warranties.

11. The Subject Vehicle was delivered to Plaintiff with serious defects and nonconformities to warranty and developed other serious defects and nonconformities to warranty including, but not limited to, engine, electrical, emission, and transmission system defects.

12. Plaintiff first presented the Subject Vehicle for repairs in March 2021 for issues relating to the Engine. Plaintiff reported a loud popping noise coming from the engine bay before subsequently receiving a low oil pressure message. After the Defendant's authorized technician allegedly made the necessary repairs, Plaintiff reported that the Subject Vehicle would not start and the check engine light became illuminated.

13. In October 2022, Plaintiff presented the Subject Vehicle again for issues relating to the check engine light illuminating. Plaintiff reported that the Subject Vehicle had to be jump started, made an abnormal noise, and felt like it wanted to shut off.

QUILL&ARROW•LLP ATTORNEYS AT LAW

14. Plaintiff presented the Subject Vehicle again in December 2022 for issues relating to the transmission. Plaintiff reported that the transmission would slip through gears and experience harsh shifts.

15. Plaintiff hereby revokes acceptance of the sales contract.

16. Pursuant to the Song-Beverly Consumer Warranty Act (hereinafter the "Act") Civil Code sections 1790 *et seq.* the Subject Vehicle constitutes "consumer goods" used primarily for family or household purposes, and Plaintiff has used the vehicle primarily for those purposes.

17. Plaintiff is a "buyer" of consumer goods under the Act.

18. Defendant, FORD MOTOR COMPANY, is a "manufacturer" and/or "distributor" under the Act.

19. Plaintiff hereby demands trial by jury in this action.

**FIRST CAUSE OF ACTION**

**Violation of the Song-Beverly Act – Breach of Express Warranty**

**(Against Defendant FORD MOTOR COMPANY)**

20. Plaintiff incorporates herein by reference each and every allegation contained in the preceding and succeeding paragraphs as though herein fully restated and re-alleged.

21. The Subject Vehicle was sold to Plaintiff with express warranties that the Subject Vehicle would be free from defects in materials, nonconformity, or workmanship during the applicable warranty period and to the extent that the Subject Vehicle had defects, Defendant FORD MOTOR COMPANY would repair the defects.

22. The Subject Vehicle was delivered to Plaintiff with serious defects and nonconformities to warranty and developed other serious defects and nonconformities to warranty including, but not limited to, engine, electrical, emission, and transmission system defects.

23. Pursuant to the Song-Beverly Consumer Warranty Act (hereinafter the "Act") Civil Code sections 1790 *et seq.* the vehicle constitutes "consumer goods" used primarily for family or household purposes, and Plaintiff has used the Subject Vehicle primarily for those purposes.

24. Plaintiff is the "buyer" of consumer goods under the Act.

25. Defendant, FORD MOTOR COMPANY, is a "manufacturer" and/or "distributor"

under the Act.

26. The foregoing defects and nonconformities to warranty manifested themselves in the Subject Vehicle within the applicable express warranty period. The nonconformities substantially impair the use, value, and/or safety of the vehicle.

27. Plaintiff delivered the vehicle to an authorized FORD MOTOR COMPANY repair facility for repair of the nonconformities.

28. Defendant was unable to conform Plaintiff's vehicle to the applicable express warranty after a reasonable number of repair attempts.

29. Notwithstanding Plaintiff's entitlement, Defendant FORD MOTOR COMPANY has failed to either promptly replace the new motor vehicle or to promptly make restitution in accordance with the Song-Beverly Act.

30. By failure of Defendant to remedy the defects as alleged above or to issue a refund or replacement vehicle, Defendant is in breach of its obligations under the Song-Beverly Act.

31. Under the Act, Plaintiff is entitled to reimbursement of the price paid for the vehicle less that amount directly attributable to use by the Plaintiff prior to the first presentation of the nonconformities.

32. Plaintiff is entitled to all incidental, consequential, and general damages resulting from Defendant's failure to comply with its obligations under the Song-Beverly Act.

33. Plaintiff is entitled under the Song-Beverly Act to recover as part of the judgment a sum equal to the aggregate amount of costs and expenses, including attorney's fees, reasonably incurred in connection with the commencement and prosecution of this action.

34. Because Defendant willfully violated the Song-Beverly Act, Plaintiff is entitled, in addition to the amounts recovered, a civil penalty of up to two times the amount of actual damages for FORD MOTOR COMPANY's willful failure to comply with its responsibilities under the Act.

**APPLICATION**
The Division 7 Rules were effective January 1, 2007. They apply to all general civil cases.

**PRIORITY OVER OTHER RULES**
The Division 7 Rules shall have priority over all other Local Rules to the extent the others are inconsistent.

**CHALLENGE TO ASSIGNED JUDGE**
A challenge under Code of Civil Procedure Section 170.6 must be made within **15** days after notice of assignment for all purposes to a judge, or if a party has not yet appeared, within 15 days of the first appearance.

**TIME STANDARDS**
Cases assigned to the Independent Calendaring Courts will be subject to processing under the following time standards:

**COMPLAINTS**
All complaints shall be served within 60 days of filing and proof of service shall be filed within 90 days.

**CROSS-COMPLAINTS**
Without leave of court first being obtained, no cross-complaint may be filed by any party after their answer is filed. Cross-complaints shall be served within 30 days of the filing date and a proof of service filed within 60 days of the filing date.

**STATUS CONFERENCE**
A status conference will be scheduled by the assigned Independent Calendar Judge no later than 270 days after the filing of the complaint. Counsel must be fully prepared to discuss the following issues: alternative dispute resolution, bifurcation, settlement, trial date, and expert witnesses.

**FINAL STATUS CONFERENCE**
The Court will require the parties to attend a final status conference not more than 10 days before the scheduled trial date. | **STIPULATION – EARLY ORGANIZATIONAL MEETING** | | CASE NUMBER: |

**This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.**

**The parties agree that:**

1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, *to discuss and consider whether there can be agreement on the following*:

   a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended complaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?

   b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repair or maintenance records could be considered "core.");

   c. Exchange of names and contact information of witnesses;

   d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;

   e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;

   f. Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;

   g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as

discussed in the "Alternative Dispute Resolution (ADR) Information Package" served with the complaint;

h. Computation of damages, including documents, not privileged or protected from disclosure, on which such computation is based;

i. Whether the case is suitable for the Expedited Jury Trial procedures (see information at ***www.lacourt.org*** under "*Civil*" and then under "*General Information*").

2. The time for a defending party to respond to a complaint or cross-complaint will be extended to _____ (INSERT DATE) for the complaint, and _____ (INSERT DATE) for the cross-complaint, which is comprised of the 30 days to respond under Government Code § 68616(b), and the 30 days permitted by Code of Civil Procedure section 1054(a), good cause having been found by the Civil Supervising Judge due to the case management benefits provided by this Stipulation. A copy of the General Order can be found at *www.lacourt.org* under "*Civil*", click on "*General Information*", then click on "*Voluntary Efficient Litigation Stipulations*".

3. The parties will prepare a joint report titled "Joint Status Report Pursuant to Initial Conference and Early Organizational Meeting Stipulation, and if desired, a proposed order summarizing results of their meet and confer and advising the Court of any way it may assist the parties' efficient conduct or resolution of the case. The parties shall attach the Joint Status Report to the Case Management Conference statement, and file the documents when the CMC statement is due.

4. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day

| **STIPULATION – DISCOVERY RESOLUTION** | | CASE NUMBER: |

**This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.**

**The parties agree that:**

1. Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.

2. At the Informal Discovery Conference the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.

3. Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:

    a. The party requesting the Informal Discovery Conference will:

        i. File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;

        ii. Include a brief summary of the dispute and specify the relief requested; and

        iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.

    b. Any Answer to a Request for Informal Discovery Conference must:

        i. Also be filed on the approved form (copy attached);

        ii. Include a brief summary of why the requested relief should be denied;

iii. Be filed within two (2) court days of receipt of the Request; and

iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filing.

c. No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.

d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.

e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.

4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.

5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.

   It is the understanding and intent of the parties that this stipulation shall, for each discovery dispute to which it applies, constitute a writing memorializing a "specific later date to which the propounding [or demanding or requesting] party and the responding party have agreed in writing," within the meaning of Code Civil Procedure sections 2030.300(c), 2031.320(c), and 2033.290(c).

6. Nothing herein will preclude any party from applying *ex parte* for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.

7. Any party may terminate this stipulation by giving twenty-one (21) days notice of intent to terminate the stipulation.

8. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day.

Whereas the Los Angeles Superior Court and the Executive Committee of the Litigation Section of the Los Angeles County Bar Association have cooperated in drafting "Voluntary Efficient Litigation Stipulations" and in proposing the stipulations for use in general jurisdiction civil litigation in Los Angeles County;

Whereas the Los Angeles County Bar Association Litigation Section; the Los Angeles County Bar Association Labor and Employment Law Section; the Consumer Attorneys Association of Los Angeles; the Association of Southern California Defense Counsel; the Association of Business Trial Lawyers of Los Angeles; and the California Employment Lawyers Association all "endorse the goal of promoting efficiency in litigation, and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases;"

PE23-015 001336 LC SV

Whereas the Early Organizational Meeting Stipulation is intended to encourage cooperation among the parties at an early stage in litigation in order to achieve litigation efficiencies;

Whereas it is intended that use of the Early Organizational Meeting Stipulation will promote economic case resolution and judicial efficiency;

Whereas, in order to promote a meaningful discussion of pleading issues at the Early Organizational Meeting and potentially to reduce the need for motions to challenge the pleadings, it is necessary to allow additional time to conduct the Early Organizational Meeting before the time to respond to a complaint or cross complaint has expired;

Whereas Code of Civil Procedure section 1054(a) allows a judge of the court in which an action is pending to extend for not more than 30 days the time to respond to a pleading "upon good cause shown";

Now, therefore, this Court hereby finds that there is good cause to extend for 30 days the time to respond to a complaint or to a cross complaint in any action in which the parties have entered into the Early Organizational Meeting Stipulation. This finding of good cause is based on the anticipated judicial efficiency and benefits of economic case resolution that the Early Organizational Meeting Stipulation is intended to promote.

IT IS HEREBY ORDERED that, in any case in which the parties have entered into an Early Organizational Meeting Stipulation, the time for a defending party to respond to a complaint or cross complaint shall be extended by the 30 days permitted

PE23-015 001337 LC SV

by Code of Civil Procedure section 1054(a) without further need of a specific court order.

# ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION PACKAGE

**THE PLAINTIFF MUST SERVE THIS ADR INFORMATION PACKAGE ON EACH PARTY WITH THE COMPLAINT.**

**CROSS-COMPLAINANTS** must serve this ADR Information Package on any new parties named to the action with the cross-complaint.

## What is ADR?

ADR helps people find solutions to their legal disputes without going to trial. The main types of ADR are negotiation, mediation, arbitration, and settlement conferences. When ADR is done by phone, videoconference or computer, it may be called Online Dispute Resolution (ODR). These alternatives to litigation and trial are described below.

## Advantages of ADR

- **Saves Time:** ADR is faster than going to trial.
- **Saves Money:** Parties can save on court costs, attorney's fees, and witness fees.
- **Keeps Control** (with the parties): Parties choose their ADR process and provider for voluntary ADR.
- **Reduces Stress/Protects Privacy:** ADR is done outside the courtroom, in private offices, by phone or online.

## Disadvantages of ADR

- **Costs:** If the parties do not resolve their dispute, they may have to pay for ADR, litigation, and trial.
- **No Public Trial:** ADR does not provide a public trial or decision by a judge or jury.

## Main Types of ADR

1. **Negotiation:** Parties often talk with each other in person, or by phone or online about resolving their case with a settlement agreement instead of a trial. If the parties have lawyers, they will negotiate for their clients.

2. **Mediation:** In mediation, a neutral mediator listens to each person's concerns, helps them evaluate the strengths and weaknesses of their case, and works with them to try to create a settlement agreement that is acceptable to all. Mediators do not decide the outcome. Parties may go to trial if they decide not to settle.

   **Mediation may be appropriate when the parties**
   - want to work out a solution but need help from a neutral person.
   - have communication problems or strong emotions that interfere with resolution.

   **Mediation may <u>not</u> be appropriate when the parties**
   - want a public trial and want a judge or jury to decide the outcome.
   - lack equal bargaining power or have a history of physical/emotional abuse.

## How to Arrange Mediation in Los Angeles County

Mediation for **civil cases** is voluntary and parties may select any mediator they wish. Options include:

a. **The Civil Mediation Vendor Resource List**
If all parties in an active civil case agree to mediation, they may contact these organizations to request a "Resource List Mediation" for mediation at reduced cost or no cost (for selected cases).

- **ADR Services, Inc.** Assistant Case Manager Janet Solis, janet@adrservices.com (213) 683-1600
- **Mediation Center of Los Angeles** Program Manager info@mediationLA.org (833) 476-9145

**These organizations cannot accept every case and they may decline cases at their discretion.** They may offer online mediation by video conference for cases they accept. Before contacting these organizations, review important information and FAQs at www.lacourt.org/ADR.Res.List

**NOTE: The Civil Mediation Vendor Resource List program does not accept family law, probate, or small claims cases.**

b. **Los Angeles County Dispute Resolution Programs.** Los Angeles County-funded agencies provide mediation services on the day of hearings in small claims, unlawful detainer (eviction), civil harassment, and limited civil (collections and non-collection) cases. https://dcba.lacounty.gov/countywidedrp/

**Online Dispute Resolution (ODR).** Parties in small claims and unlawful detainer (eviction) cases should carefully review the Notice and other information they may receive about (ODR) requirements for their case. https://my.lacourt.org/odr/

c. Mediators and ADR and Bar organizations that provide mediation may be found on the internet.

3. **Arbitration:** Arbitration is less formal than trial, but like trial, the parties present evidence and arguments to the person who decides the outcome. In "binding" arbitration, the arbitrator's decision is final; there is no right to trial. In "nonbinding" arbitration, any party can request a trial after the arbitrator's decision. For more information about arbitration, visit https://www.courts.ca.gov/programs-adr.htm

4. **Mandatory Settlement Conferences (MSC):** MSCs are ordered by the Court and are often held close to the trial date or on the day of trial. The parties and their attorneys meet with a judge or settlement officer who does not make a decision but who instead assists the parties in evaluating the strengths and weaknesses of the case and in negotiating a settlement. For information about the Court's MSC programs for civil cases, visit https://www.lacourt.org/division/civil/CI0047.aspx

Dear Sir/Madam:

Please be advised that this law firm represents the legal interests o[redacted] relating to the purchase of the above-mentioned vehicle. Let this letter serve as notification that you immediately cease and desist all communications with our client. The only exception is the dealership may communicate with the client in reference to future repairs. Moreover, if you make any attempts to settle with our client without including all statutory relief, including all damages attorney fees and costs the consumer is entitled to, we may file suit against you. This letter hereby notifies you of our attorney's lien with respect to our client.

Please let this letter also serve as notification that our client's vehicle is defective. The vehicle has been brought in for repairs several times for numerous defects and although you have been afforded sufficient opportunities for repairs, the defects continue to exist and substantially impair the use and value and/or safety of the vehicle. If you are interested in any further repairs pursuant to the Lemon Law you must contact me immediately. Our client demands that you immediately take action as required by law.

This letter shall also serve as our client's Revocation of Acceptance pursuant to the Uniform Commercial Code § 2608 and notice of defect under the Lemon Law. Due to the serious defects with the Vehicle since its purchase, our client hereby demands a return of the full purchase price along with all interest paid on the finance note as well as attorney fees and incidental and consequential damages within 10 days of receipt of this letter to settle this matter prior to filing a lawsuit.

Please be advised that if you do not adhere to our demands within 10 days, our client has instructed me to file a lawsuit against you asserting claims that include, but in no way are limited to, breach of warranties, both express and implied, violation of the Magnuson Moss Warranty Act, violation of the Lemon Law, revocation of acceptance, and common law breach of contract. Please direct all future communication to my attention.

Respectfully submitted,

LEMON LAW GROUP PARTNERS PLC

To Whom It May Concern:

Please be advised that this office represents the above-named individual regarding claims pursuant to the federal Magnuson-Moss Warranty Act and the Uniform Commercial Code ("U.C.C.") with regard to the above-listed vehicle. Please direct all future contacts and correspondence to the office listed above.

There were numerous non-conformities with my client's automobile for which relief is sought, and numerous attempts to repair the vehicle have been unsuccessful. There were also numerous violations of both federal and state law in connection with the delivery and/or repair of the aforementioned vehicle. The primary non-conformities and violations include, but are not limited to:

1. **Engine;**
2. **Electrical;**
3. **Check engine light;**
4. **Driveability;**
5. **Excessive repair attempts;**
6. **Excessive days out of service.**

The non-conformities listed above constitute a substantial impairment of the use, value and safety of the subject vehicle. Because of the inordinate amount of repairs my client has justifiably lost confidence in the vehicle.

My client's repair history clearly shows there was a breach of the written warranty and/or implied warranties of merchantability and fitness for a particular purpose, *see* U.C.C. §§ 2-314 and 2-315, based upon the generally accepted rule that an unsuccessful effort to remedy defects found to exist renders the warrantor liable; the buyer is not bound to allow him the opportunity or permit him to tinker with the article indefinitely in the hope that it may ultimately be made to comply with the warranty.

Therefore, you are hereby notified that my client is revoking acceptance of the vehicle, pursuant to the provisions of U.C.C. § 2-608. Our client has directed us to demand the return of all funds paid towards this vehicle, the cancellation of the contracts, and compensation for all damages and attorneys' fees.

Please be advised that under U.C.C. § 2-711(3) my client has a security interest in the car for return of the total purchase price, plus expenses in handling and inspecting the car. Until you pay this amount, my client will hold the car and use it to the extent necessary to preserve it, to protect its security interest, and to minimize your damages. Moreover, my client demands return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507 as well as other applicable Consumer Fraud remedies.

If the seller [or, if applicable the assignee, or any creditor subject to the FTC Holder Rule] has filed a financing statement covering the goods, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within ten days to terminate your security interest and forward a copy to this office. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten days and cooperate in removing the lien, you will be liable under U.C.C. § 9-404(1) in the amount of $100.00 plus any loss caused my client by your failure.

HAVING BEEN FORMALLY NOTIFIED OF OUR REPRESENTATION, YOU ARE INSTRUCTED NOT TO CONTACT OUR CLIENT **EXCEPT REGARDING REPAIRS TO THE SUBJECT VEHICLE**. YOU ARE ALSO HEREBY NOTIFIED OF OUR ATTORNEYS' LIEN.

To avoid any further litigation, my client merely requests a refund for the defective product and will waive any incidental and consequential damages at this point. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more needless effort and expense spent on our part and on the part of your attorneys. Time, money and effort would be saved by both sides with a quick resolution of this claim.

This letter shall serve as notice to Ford Motor Company of its final opportunity to cure the above-referenced defects.

Sincerely,

ALEX SIMANOVSKY & ASSOCIATES, LLC

**Our Client:** [redacted]
**Vehicle:**
**VIN:**

Dear Sir or Madam:

Please be advised that this firm has the privilege of representing [redacted] regarding claims against Ford Motor Company pursuant to the Federal Magnuson-Moss Warranty Act with regard to the above-listed 2020 Ford EcoSport (the "Vehicle"). Going forward, please cease all communication with my client and direct all correspondence to this office. Additionally, you are hereby notified that any settlement made with our client must include compensation for all statutory and other relief available to a consumer, including attorney's fees and costs. If you settle directly with our client, and do not make arrangements for payment of fees and costs, we will file suit against you. In addition, you are hereby notified of our attorney's fees lien with regard to this matter. I thank you in advance for your cooperation in this regard.

On or about May 25, 2020 my client purchased the vehicle from Gary Yeomans Ford Daytona Beach, Florida, for approximately $32,343.55. Unfortunately, and as set forth in greater detail below, the vehicle my client purchased has proven to be plagued with ongoing issues that substantially impair the use, value and safety of the vehicle. The issues and defects include, but are not limited to, the following:

- Defective engine; and
- All additional complaints made by our client, whether or not they are contained in your company's records or in the records of your authorized service providers.

**DEMAND**

My client has already afforded Ford Motor Company multiple opportunities to correct the issues listed above, but the vehicle remains in a defective state. The defects and non-conformities listed above constitute a substantial impairment of the use, value and safety of the vehicle. Your failure and/or refusal to repair said defects and non-conformities in accordance with the terms of your respective warranties, constitutes a breach of warranty entitling my client to recovery. See Rastaedt v. Mercedes-Benz USA, LLC, 63 So. 3d 41 (Fla. 4th DCA 2011); Ocana v. Ford Motor

Company**,** 992 So. 2d 319 (Fla. 3d DCA 2008); Zelyony v. Porsche Cars N. Am., Inc., 2008 U.S. Dist. LEXIS 31439 (S.D. Fla. 2008).

To the extent my client has not already placed you on notice, you are hereby notified that your failure to successfully repair the defects and non-conformities in the subject vehicle constitute a breach of your warranty. The repair history for the vehicle clearly shows that you have been unable or unwilling to correct the defects and nonconformities, after being afforded more than reasonable opportunities to do so. Accordingly, your warranty has failed of its essential purpose, and my client is entitled to seek any remedy available at law. See Frank Griffin Volkswagen, Inc. v. Smith, 610 So. 2d 597 (Fla. 1st DCA 1992); Burns v. DaimlerChrysler, 914 So.2d 451 (Fla. 4th DCA 2006).

It is my client's contention that you have already been provided with sufficient opportunities to cure the breach of warranty. However, if you are interested in making an additional attempt at curing the breach of warranty, my client has authorized me to resolve this matter for a repurchase of the subject vehicle, reimbursement of all loan and insurance payments made to date, damages for loss of use of the vehicle, and payment of attorney's fees and costs, which are relatively low as of the date of this writing. My client will also agree to execute a mutually agreeable release agreement as a condition of settlement.

My client is neither litigious nor unreasonable and she only wants the quality product she expected when she purchased the vehicle. As such, I respectfully request that you contact me on or before **Tuesday, July 4, 2023** to accept my client's demand and finalize the terms of same. If this matter is not resolved within the stated timeframe, my client has instructed me to pursue any and all legal and equitable remedies available to her under state and federal law, including an award of costs and attorneys' fees incurred in seeking same.

PLEASE GOVERN YOURSELVES ACCORDINGLY.

[redacted] or Madam:

Lemberg Law LLC is writing on behalf of the above client with regard to the above vehicle purchased in Texas. **Please consider this your notice for an opportunity to correct the defects specified below.** Should litigation become necessary, a lawsuit shall be filed in the Michigan court. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 30 days and subject to repairs due to the car shutting off, shaking, "check engine" light coming on, catastrophic engine failure, and the vehicle remains unrepaired.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Matthew Clark*

1. Failure of CUSTOMER to pay DEALER'S charges in full at the time possession of COLLATERAL is returned to CUSTOMER, or in the event CUSTOMER is approved for credit by DEALER, failure to pay DEALER'S charges in full within thirty (30) days from date of DEALER'S INVOICE.
2. Any time DEALER believes that the prospect for payment of the obligation secured hereby is impaired.

In the event of default, DEALER shall have the right at DEALER'S option to repossess and sell, without Court order, COLLATERAL at public or private sale, and DEALER may be the Purchaser at such sale for reasonable value, and CUSTOMER SHALL pay all reasonable attorney's fees and costs of repossession, storage and sale of collateral. In event repossession occurs, CUSTOMER agrees to surrender Title Certificate to COLLATERAL and assign same to DEALER. CUSTOMER authorizes DEALER, in the event of default, to repossess COLLATERAL without demand and for this purpose to enter upon any premises where the COLLATERAL is located. Dear Sir or Madam:

Lemberg Law L.L.C. is writing on behalf of the above client with regard to the above vehicle purchased. **Please consider this your notice for an opportunity to correct the defects specified below.** We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting California consumers, including the California Unfair Trade Practices Act. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 30 days and subject to repair due to the engine failure, but same defect continues to persist.

The defects in the vehicle constitute a breach of warranty in that they substantially impair its use, value, and safety to the client. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Trinette Kent*

To Whom It May Concern:

Please be advised that this office represents the above-named individual regarding claims pursuant to the federal Magnuson-Moss Warranty Act and the Uniform Commercial Code ("U.C.C.") with regard to the above-listed vehicle. Please direct all future contacts and correspondence to the office listed above.

There were numerous non-conformities with my client's automobile for which relief is sought, and numerous attempts to repair the vehicle have been unsuccessful. There were also numerous violations of both federal and state law in connection with the delivery and/or repair of the aforementioned vehicle. The primary non-conformities and violations include, but are not limited to:

1. **Engine;**
2. **Electrical;**
3. **Check engine light;**
4. **Transmission;**
5. **Vehicle vibration;**
6. **Driveability;**
7. **Torque converter;**

8. **Excessive repair attempts;**

9. **Excessive days out of service.**

The non-conformities listed above constitute a substantial impairment of the use, value and safety of the subject vehicle. Because of the inordinate amount of repairs my client has justifiably lost confidence in the vehicle.

My client's repair history clearly shows there was a breach of the written warranty and/or implied warranties of merchantability and fitness for a particular purpose, *see* U.C.C. §§ 2-314 and 2-315, based upon the generally accepted rule that an unsuccessful effort to remedy defects found to exist renders the warrantor liable; the buyer is not bound to allow him the opportunity or permit him to tinker with the article indefinitely in the hope that it may ultimately be made to comply with the warranty.

Therefore, you are hereby notified that my client is revoking acceptance of the vehicle, pursuant to the provisions of U.C.C. § 2-608. Our client has directed us to demand the return of all funds paid towards this vehicle, the cancellation of the contracts, and compensation for all damages and attorneys' fees.

Please be advised that under U.C.C. § 2-711(3) my client has a security interest in the car for return of the total purchase price, plus expenses in handling and inspecting the car. Until you pay this amount, my client will hold the car and use it to the extent necessary to preserve it, to protect its security interest, and to minimize your damages. Moreover, my client demands return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507 as well as other applicable Consumer Fraud remedies.

If the seller [or, if applicable the assignee, or any creditor subject to the FTC Holder Rule] has filed a financing statement covering the goods, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within ten days to terminate your security interest and forward a copy to this office. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten days and cooperate in removing the lien, you will be liable under U.C.C. § 9-404(1) in the amount of $100.00 plus any loss caused my client by your failure.

HAVING BEEN FORMALLY NOTIFIED OF OUR REPRESENTATION, YOU ARE INSTRUCTED NOT TO CONTACT OUR CLIENT UNDER ANY CIRCUMSTANCES. DIRECT ALL INQUIRIES TO THIS OFFICE. IF YOU FAIL TO ACT IN CONFORMITY WITH THIS DIRECTIVE, INJUNCTIVE RELIEF WILL BE SOUGHT AGAINST YOU. IN ADDITION, YOU ARE HEREBY NOTIFIED OF OUR ATTORNEYS' LIEN.

To avoid any further litigation, my client merely requests a refund for the defective product and will waive any incidental and consequential damages at this point. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more needless effort and expense spent on our part and on the part of your attorneys. Time, money and effort would be saved by both sides with a quick resolution of this claim.

This letter shall serve as notice to Ford Motor Company of its final opportunity to cure the above-referenced defects.

Sincerely,

[redacted]SOCIATES, LLC

Please be advised that this office represents the above named individuals regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of Ronald and [redacted] claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our clients have experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my clients' position that Ford Motor Company's inability to repair this vehicle is a violation of the Wisconsin Lemon Law and Magnuson-Moss Warranty Act. As such, our clients respectfully request that Ford Motor Company **comply with the above statutes and pay all attorney fees and costs.**

**Please be further advised that all communication regarding this matter must be directed to my office**. This offer and all its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

Dear Sir/Madam:

Please be advised that this office represents the above named individual regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of Ms. Pearson's claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our client has experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle is a violation of the Florida Lemon Law and Magnuson-Moss Warranty Act. As such, our client respectfully requests that Ford Motor Company comply with the above statutes and pay all attorney fees and costs.

Please be further advised that all communication regarding this matter must be directed to my office. This offer and all of its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

8. The vehicle was delivered to Plaintiff with serious defects and nonconformities to warranty and developed other serious defects and nonconformities to warranty including, but not limited to, various engine defects.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

To Whom it May Concern:

Please be advised that I represent [redacted] in a warranty claim related to the above-referenced 2018 Ford Ecosport. Pursuant to the North Carolina New Motor Vehicles Warranties Act, the North Carolina Uniform Commercial Code, and the Magnuson-Moss Warranty Act, I am putting you on formal notice that my client has experienced significant problems with this vehicle since its purchase on March 26, 2018. Specifically, the Vehicle has experienced problems with the following components or systems:

- Engine – oil pressure defect resulting in catastrophic failure

These issues have been persistent and unable to be fixed since the first repair attempt that took place on April 03, 2019. The manufacturer's warranty covers the defect or condition, or series of defects or conditions, which began within the warranty period. You have had at least 1 unsuccessful repair attempts, lasting approximately 4/3/19 thru 5/14/19 days. These unresolved problems create a significant concern for the Vehicle's long-term mechanical soundness, substantially impair its value to my client, and have caused him to lose confidence in the Vehicle's safety and reliability.

**NOTICE OF OPPORTUNITY FOR FINAL REPAIR ATTEMPT AND FINAL OPPORTUNITY TO COMPLY WITH N.C.G.S. § 20-351.3**

Pursuant to the North Carolina New Motor Vehicles Warranties Act, please consider this letter your statutory notice that you now have fifteen (15) calendar days during which to correct the

above-mentioned nonconformity or series of nonconformities. If you are unable to do so, then my client requests that the Vehicle be repurchased or replaced with a comparable new vehicle pursuant to N.C.G.S. § 20-351.3. Refusal to comply with this statutory requirement will be deemed to be unreasonable.

This letter also serves as the required ten-day written notice under N.C.G.S. § 20-351.7 of my client's intent to commence legal proceedings against Ford Motor Company if the needed repairs are not completed, and we cannot reach a mutually agreeable resolution to this dispute.

Please be sure to direct all future contact with my client through this office. Thank you for your time and attention to this matter. I look forward to working with you to achieve an amicable resolution.

CUSTOMER DROPPED OF VEHICLE ON 6/1/2019. VEHICLE WAS RECENTLY REPAIRED AT CARY LOCATION FOR ENGINE FAILURE. SINCE VEHICLE HAD EXTENSIVE WARRANTY ENGINE REPAIRS, CUSTOMER FELT UNEASY REGARDING THE REPAIRS-THINKS THERE IS STILL EXCESSIVE NOISE ON START UP. CUSTOMER DROPPED VEHICLE HERE WITH ADVISER, BUT WAS TOLD IT WOULD BE AWHILE BEFORE WE COULD GET TO IT.
VEHICLE WAS NEVER BROUGHT INTO THE SHOP, CUSTOMER CAME IN 7/12/19 AND SPOKE WITH GM AND SERVICE MGR REGARDING ISSUE. THE FACT OF THEIR CONCERN WITH THE CAR, AND THE REPAIRS PERFORMED IN CARY AND THE FACT THAT NO ONE HAS CONTACTED THEM FROM OUR DEALERSHIP. GM AND SERVICE MGR GOT INVOLVED AND HANDLED THE SITUATION. SERVICE MGR AND A MASTER SENIOR CERTIFIED TECHNICIAN WENT WITH CUSTOMER TO THE VEHICLE PARKED HERE AND LISTENED TO CONCERN. WE AGREED THE NOISE WAS EXCESSIVE ON START UP BUT EVENTUALLY WENT AWAY ONCE WARMED UP. THINKING THERE MAY BE ISSUE, WE COMPARED IT TO SAID LIKE VEHICLE AND FOUND IT BE THE EXACT SAME NOISE/CONCERN. THE NEW 2019 MODEL WAS ACTUALLY LOUDER ON START UP THAN CUSTOMER'S. CUSTOMER POINTED OUT SOME DAMAGE DUE TO THE FACT OF HOW LONG VEHICLE SAT HERE, A COUPLE OF DINGS ON RIGHT SIDE OF VEHICLE. SERVICE MGR AGREED TO REPAIR THEM.
TECHNICIAN CONTINUED TO DOUBLE CHECK REPAIRS PERFORMED AT CARY STORE, CHECK FLUID/OIL LEVELS AND DETERMINED THAT THE REPAIRS PERFORMED WERE ADEQUATE. NO FURTHER ATTENTION NEEDED AT ALL. SERVICE MGR CALLED SENIOR TECH AT CARY TO LET HIM KNOW THE SITUATION. HE OFFERED ASSISTANCE IF NEEDED, BUT NO ASSISTANCE IS NECESSARY AT THIS TIME. SPOKE WITH CUSTOMER REGARDING WHAT HAS TRANSPIRED, INCLUDING AN APOLOGY FOR HOW LONG THIS HAS TAKEN. HE AGREED THAT EVERYTHING WAS OK, BUT JUST WANTED HIS DINGS REPAIRED AT NO COST TO HIM. CARMEDIC CAME DOWN ON THURSDAY TO MAKE NECESSARY REPAIRS AND FINISHED THEM. CUSTOMER PICKED UP VEHICLE SATURDAY, 7/20/19, AND WILL CONTACT US IF NEEDED IN THE FUTURE. Dear Sir/Madam:

Please be advised that this office represents the above named individual regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of Ms. [redacted] claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our client has experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle is a violation of the Michigan Lemon Law and Magnuson-Moss Warranty Act. As such, our client respectfully requests that Ford Motor Company comply with the above statutes and pay all attorney fees and costs.

Please be further advised that all communication regarding this matter must be directed to my office. This offer and all of its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

PRESTIGE LEGAL SOLUTIONS, P.C.
6420 WILSHIRE BLVD., STE. 200, LOS ANGELES, CA 90048

31. 32. Plaintiffs were harmed by the breach of the implied warranty of merchantability.

33. Defendant's failure to comply with its obligations under the implied warranty was a substantial factor in causing Plaintiffs' harm. Thus, Plaintiffs bring this cause of action pursuant to Civil Code section 1794.

Wherefore, Plaintiffs pray for judgment against Defendant as follows:

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

## ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION PACKAGE

**THE PLAINTIFF MUST SERVE THIS ADR INFORMATION PACKAGE ON EACH PARTY WITH THE COMPLAINT.**

**CROSS-COMPLAINANTS** must serve this ADR Information Package on any new parties named to the action with the cross-complaint.

**What is ADR?**

ADR helps people find solutions to their legal disputes without going to trial. The main types of ADR are negotiation, mediation, arbitration, and settlement conferences. When ADR is done by phone, videoconference or computer, it may be called Online Dispute Resolution (ODR). These alternatives to litigation and trial are described below.

**Advantages of ADR**

- **Saves Time:** ADR is faster than going to trial.
- **Saves Money:** Parties can save on court costs, attorney's fees, and witness fees.
- **Keeps Control** (with the parties): Parties choose their ADR process and provider for voluntary ADR.
- **Reduces Stress/Protects Privacy:** ADR is done outside the courtroom, in private offices, by phone or online.

**Disadvantages of ADR**

- **Costs:** If the parties do not resolve their dispute, they may have to pay for ADR, litigation, and trial.
- **No Public Trial:** ADR does not provide a public trial or decision by a judge or jury.

**Main Types of ADR**

1. **Negotiation:** Parties often talk with each other in person, or by phone or online about resolving their case with a settlement agreement instead of a trial. If the parties have lawyers, they will negotiate for their clients.

2. **Mediation:** In mediation, a neutral mediator listens to each person's concerns, helps them evaluate the strengths and weaknesses of their case, and works with them to try to create a settlement agreement that is acceptable to all. Mediators do not decide the outcome. Parties may go to trial if they decide not to settle.

   **Mediation may be appropriate when the parties**
   - want to work out a solution but need help from a neutral person.
   - have communication problems or strong emotions that interfere with resolution.

   **Mediation may <u>not</u> be appropriate when the parties**
   - want a public trial and want a judge or jury to decide the outcome.
   - lack equal bargaining power or have a history of physical/emotional abuse.

## How to Arrange Mediation in Los Angeles County

Mediation for **civil cases** is voluntary and parties may select any mediator they wish. Options include:

a. **The Civil Mediation Vendor Resource List**
If all parties in an active civil case agree to mediation, they may contact these organizations to request a "Resource List Mediation" for mediation at reduced cost or no cost (for selected cases).

- **ADR Services, Inc.** Assistant Case Manager Janet Solis, janet@adrservices.com (213) 683-1600
- **Mediation Center of Los Angeles** Program Manager info@mediationLA.org (833) 476-9145

**These organizations cannot accept every case and they may decline cases at their discretion.** They may offer online mediation by video conference for cases they accept. Before contacting these organizations, review important information and FAQs at www.lacourt.org/ADR.Res.List

**NOTE: The Civil Mediation Vendor Resource List program does not accept family law, probate, or small claims cases.**

b. **Los Angeles County Dispute Resolution Programs.** Los Angeles County-funded agencies provide mediation services on the day of hearings in small claims, unlawful detainer (eviction), civil harassment, and limited civil (collections and non-collection) cases.
https://dcba.lacounty.gov/countywidedrp/

**Online Dispute Resolution (ODR).** Parties in small claims and unlawful detainer (eviction) cases should carefully review the Notice and other information they may receive about (ODR) requirements for their case. https://my.lacourt.org/odr/

c. Mediators and ADR and Bar organizations that provide mediation may be found on the internet.

3. **Arbitration:** Arbitration is less formal than trial, but like trial, the parties present evidence and arguments to the person who decides the outcome. In "binding" arbitration, the arbitrator's decision is final; there is no right to trial. In "nonbinding" arbitration, any party can request a trial after the arbitrator's decision. For more information about arbitration, visit https://www.courts.ca.gov/programs-adr.htm

4. **Mandatory Settlement Conferences (MSC):** MSCs are ordered by the Court and are often held close to the trial date or on the day of trial. The parties and their attorneys meet with a judge or settlement officer who does not make a decision but who instead assists the parties in evaluating the strengths and weaknesses of the case and in negotiating a settlement. For information about the Court's MSC programs for civil cases, visit https://www.lacourt.org/division/civil/CI0047.aspx

# INSTRUCTIONS FOR HANDLING UNLIMITED CIVIL CASES

The following critical provisions of the California Rules of Court, Title 3, Division 7, as applicable in the Superior Court, are summarized for your assistance.

## APPLICATION
The Division 7 Rules were effective January 1, 2007. They apply to all general civil cases.

## PRIORITY OVER OTHER RULES
The Division 7 Rules shall have priority over all other Local Rules to the extent the others are inconsistent.

## CHALLENGE TO ASSIGNED JUDGE
A challenge under Code of Civil Procedure Section 170.6 must be made within **15** days after notice of assignment for all purposes to a judge, or if a party has not yet appeared, within 15 days of the first appearance.

## TIME STANDARDS
Cases assigned to the Independent Calendaring Courts will be subject to processing under the following time standards:

## COMPLAINTS
All complaints shall be served within 60 days of filing and proof of service shall be filed within 90 days.

## CROSS-COMPLAINTS
Without leave of court first being obtained, no cross-complaint may be filed by any party after their answer is filed. Cross-complaints shall be served within 30 days of the filing date and a proof of service filed within 60 days of the filing date.

## STATUS CONFERENCE
A status conference will be scheduled by the assigned Independent Calendar Judge no later than 270 days after the filing of the complaint. Counsel must be fully prepared to discuss the following issues: alternative dispute resolution, bifurcation, settlement, trial date, and expert witnesses.

## FINAL STATUS CONFERENCE
The Court will require the parties to attend a final status conference not more than 10 days before the scheduled trial date. All parties shall have motions in limine, bifurcation motions, statements of major evidentiary issues, dispositive motions, requested form jury instructions, special jury instructions, and special jury verdicts timely filed and served prior to the conference. These matters may be heard and resolved at this conference. At least five days before this conference, counsel must also have exchanged lists of exhibits and witnesses, and have submitted to the court a brief statement of the case to be read to the jury panel as required by Chapter Three of the Los Angeles Superior Court Rules.

## SANCTIONS
The court will impose appropriate sanctions for the failure or refusal to comply with Chapter Three Rules, orders made by the Court, and time standards or deadlines established by the Court or by the Chapter Three Rules. Such sanctions may be on a party, or if appropriate, on counsel for a party.

**This is not a complete delineation of the Division 7 or Chapter Three Rules, and adherence only to the above provisions is therefore not a guarantee against the imposition of sanctions under Trial Court Delay Reduction. Careful reading and compliance with the actual Chapter Rules is imperative.**

## Class Actions
Pursuant to Local Rule 2.3, all class actions shall be filed at the Stanley Mosk Courthouse and are randomly assigned to a complex judge at the designated complex courthouse. If the case is found not to be a class action it will be returned to an Independent Calendar Courtroom for all purposes.

## *Provisionally Complex Cases
Cases filed as provisionally complex are initially assigned to the Supervising Judge of complex litigation for determination of complex status. If the case is deemed to be complex within the meaning of California Rules of Court 3.400 et seq., it will be randomly assigned to a complex judge at the designated complex courthouse. If the case is found not to be complex, it will be returned to an Independent Calendar Courtroom for all purposes.

**This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.**

**The parties agree that:**

1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, *to discuss and consider whether there can be agreement on the following*:

   a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended complaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?

   b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repair or maintenance records could be considered "core.");

   c. Exchange of names and contact information of witnesses;

   d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;

   e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;

   f. Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;

   g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as

discussed in the "Alternative Dispute Resolution (ADR) Information Package" served with the complaint;

h. Computation of damages, including documents, not privileged or protected from disclosure, on which such computation is based;

i. Whether the case is suitable for the Expedited Jury Trial procedures (see information at ***www.lacourt.org*** under "*Civil*" and then under "*General Information*").

2. The time for a defending party to respond to a complaint or cross-complaint will be extended to _____ (INSERT DATE) for the complaint, and _____ (INSERT DATE) for the cross-complaint, which is comprised of the 30 days to respond under Government Code § 68616(b), and the 30 days permitted by Code of Civil Procedure section 1054(a), good cause having been found by the Civil Supervising Judge due to the case management benefits provided by this Stipulation. A copy of the General Order can be found at *www.lacourt.org* under "*Civil*", click on "*General Information*", then click on "*Voluntary Efficient Litigation Stipulations*".

3. The parties will prepare a joint report titled "Joint Status Report Pursuant to Initial Conference and Early Organizational Meeting Stipulation, and if desired, a proposed order summarizing results of their meet and confer and advising the Court of any way it may assist the parties' efficient conduct or resolution of the case. The parties shall attach the Joint Status Report to the Case Management Conference statement, and file the documents when the CMC statement is due.

4. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day

**This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.**

**The parties agree that:**

1. Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.

2. At the Informal Discovery Conference the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.

3. Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:

    a. The party requesting the Informal Discovery Conference will:

        i. File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;

        ii. Include a brief summary of the dispute and specify the relief requested; and

        iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.

    b. Any Answer to a Request for Informal Discovery Conference must:

        i. Also be filed on the approved form (copy attached);

        ii. Include a brief summary of why the requested relief should be denied;

iii. Be filed within two (2) court days of receipt of the Request; and

iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filing.

c. No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.

d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.

e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.

4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.

5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.

| General Order Re Use of Voluntary Efficient Litigation Stipulations | ORDER PURSUANT TO CCP 1054(a), EXTENDING TIME TO RESPOND BY 30 DAYS WHEN PARTIES AGREE TO EARLY ORGANIZATIONAL MEETING STIPULATION |

Whereas the Los Angeles Superior Court and the Executive Committee of the Litigation Section of the Los Angeles County Bar Association have cooperated in drafting "Voluntary Efficient Litigation Stipulations" and in proposing the stipulations for use in general jurisdiction civil litigation in Los Angeles County;

Whereas the Los Angeles County Bar Association Litigation Section; the Los Angeles County Bar Association Labor and Employment Law Section; the Consumer Attorneys Association of Los Angeles; the Association of Southern California Defense Counsel; the Association of Business Trial Lawyers of Los Angeles; and the California Employment Lawyers Association all "endorse the goal of promoting efficiency in litigation, and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases;"

PE23-015 001482 LC SV

Whereas the Early Organizational Meeting Stipulation is intended to encourage cooperation among the parties at an early stage in litigation in order to achieve litigation efficiencies;

Whereas it is intended that use of the Early Organizational Meeting Stipulation will promote economic case resolution and judicial efficiency;

Whereas, in order to promote a meaningful discussion of pleading issues at the Early Organizational Meeting and potentially to reduce the need for motions to challenge the pleadings, it is necessary to allow additional time to conduct the Early Organizational Meeting before the time to respond to a complaint or cross complaint has expired;

Whereas Code of Civil Procedure section 1054(a) allows a judge of the court in which an action is pending to extend for not more than 30 days the time to respond to a pleading "upon good cause shown";

Now, therefore, this Court hereby finds that there is good cause to extend for 30 days the time to respond to a complaint or to a cross complaint in any action in which the parties have entered into the Early Organizational Meeting Stipulation. This finding of good cause is based on the anticipated judicial efficiency and benefits of economic case resolution that the Early Organizational Meeting Stipulation is intended to promote.

IT IS HEREBY ORDERED that, in any case in which the parties have entered into an Early Organizational Meeting Stipulation, the time for a defending party to respond to a complaint or cross complaint shall be extended by the 30 days permitted

by Code of Civil Procedure section 1054(a) without further need of a specific court order.

## ADDITIONAL AGREEMENTS

**A. Payments:** You must make all payments in U.S. funds when they are due. You may prepay your debt at any time without penalty. This is a simple finance charge contract. The actual finance charge you agree to pay will depend on your payment patterns. The actual finance charge may exceed the disclosed Finance Charge if you make your payments later than the scheduled dates or in less than the scheduled amount. Your payment will be applied first to the earned and unpaid part of the Finance Charge and then to the unpaid Amount Financed. The Finance Charge is earned by applying the Annual Percentage Rate to the unpaid Amount Financed for the actual time that the unpaid Amount Financed is outstanding.
Upon your request, Assignee may agree to allow you to extend the due date of all or any part of any installment payment for an extension fee of $15.00. You will also be required to extend the insurance coverage required by the contract to cover the extension period. In addition to the extension fee, you will also be required to pay any additional finance charges which accrue as a result of your being allowed to extend your payment.

**B. Balloon Payment Contracts:** If your last scheduled payment under this contract is a balloon payment as indicated on Page 1 of this contract, you have three options to handle the balloon payment.
First, you may pay all that you owe, and keep your motor vehicle.
Second, you may refinance all that you owe unless you are in default under this contract. If the Creditor has advanced funds to cure any default, you must pay back the Creditor before the refinancing. You also must provide proof of insurance acceptable to Creditor before the refinancing. The refinancing Annual Percentage Rate (APR) will be agreed to by you and the Creditor at the time of refinancing and will not exceed the maximum APR permitted by law. Your refinanced monthly payment will be the same as in this contract if the refinanced amount will be fully paid in 36 months or less. Otherwise, your monthly payment will be the amount needed to fully pay the refinanced amount in 36 months. If you wish to refinance, you must notify the Creditor in writing no later than 30 days prior to the balloon payment due date.
Third, you may transfer ownership of the vehicle to the Creditor, and an amount equal to your originally scheduled balloon payment will be applied toward the satisfaction of all that you owe. Creditor will add a $475 Disposal Fee to the amount that you owe and, if applicable, will add any excess mileage charges (as described on Page 1 of this contract) and any estimated costs of vehicle repairs that are the result of excess wear and use (as described in Paragraph C). If the amount of your originally scheduled balloon payment does not satisfy all that you owe, you will pay the difference. You must take the vehicle to a place selected by the Creditor for inspection no later than 15 days prior to the balloon payment due date. After the inspection, if you decide to transfer ownership of the vehicle to the Creditor, you must give the vehicle to the Creditor no later than the balloon payment due date. At that time, you must provide the Creditor a title, which shows no liens other than the Creditor's lien, transferring ownership to the Creditor or a person selected by the Creditor. You must also provide other documents as needed. If you decide not to transfer ownership of the vehicle after inspection, you must immediately inform the Creditor if you want to refinance under the second option above.

**C. Damage Repair:** If your last scheduled payment under this contract is a balloon payment and you transfer ownership of the vehicle to the Creditor under Paragraph B, you are responsible for all repairs to the vehicle that are not the result of normal wear and use. These repairs include, but are not limited to those necessary to repair or replace: (a) tires that have sidewall damage/plugs, exposed cords/belts, or are unmatched for vehicle or unsafe; (b) electrical or mechanical defects or malfunctions; (c) glass, paint, body panels, trim and grill work that are broken, mismatched, chipped, scratched, pitted, cracked, or if applicable, dented; (d) interior rips, stains, burns or damaged areas; (e) replacement of any missing equipment or parts that were in or on the vehicle when delivered; and (f) all damage which would be covered by collision or comprehensive insurance whether or not such insurance is actually in force. Replacement of sheet metal and all other repairs must be made with Original Equipment Manufacturer parts. Your use or repair of the vehicle must not invalidate any warranty. You will owe the estimated costs of such repairs unless repairs are made at your expense prior to the transfer of ownership of the vehicle to the Creditor. You will maintain the odometer of the vehicle so that it always reflects the vehicle's actual mileage. If the odometer is at any time inoperative, you will provide reasonable evidence of the vehicle's actual mileage. If you are unable to do so, you will pay us our estimate of any reduction of the vehicle's wholesale value caused by the inability to determine the vehicle's actual mileage.

**D. Security Interest:** You give the Creditor a security interest in:
1. The vehicle and all parts or other goods put on the vehicle;
2. All money or goods received for the vehicle; and
3. All insurance premiums and service contracts financed for you.

This secures payment of all amounts you owe under this contract. It also secures your other agreements in this contract.

**E. Use of Vehicle - Warranties:** You must take care of the vehicle and obey all laws in using it. You may not sell or rent the vehicle, and you must keep it free from the claims of others. You will not use or permit the use of the vehicle outside of the United States, except for up to 30 days in Canada or Mexico, without the prior written consent of the Creditor. **If the vehicle is of a type normally used for personal use and the Creditor, or the vehicle's manufacturer, extends a written warranty or service contract covering the vehicle within 90 days from the date of this contract, you get implied warranties of merchantability and fitness for a particular purpose covering the vehicle. Otherwise, you understand and agree that there are no such implied warranties, except as otherwise provided by law.**

**F. Vehicle Insurance:** You must insure the vehicle against loss or damage from collision, fire or theft. You must name Creditor as the loss payee under the insurance policy. The Creditor must approve the type and amount of insurance. **If the vehicle is lost, damaged or destroyed, you must pay the Creditor what is still owed.**
**You agree that the Creditor can make a claim under the insurance policy. You authorize the insurance company to provide Creditor any information Creditor believes necessary to make a claim. You must use insurance proceeds to repair the vehicle, unless the damage to the vehicle is considered a total loss. If the damage to the vehicle is considered a total loss, you must use the insurance proceeds to pay what you owe the Creditor. If your insurance on the vehicle doesn't pay all you owe, you must pay what is still owed.**

**G. Returned Insurance Premiums and Service Contract Charges:** This contract may contain charges for insurance, service contracts, or other contracts. You agree that the Creditor can claim benefits under these contracts and unless prohibited by law, terminate them to obtain refunds of unearned charges to reduce what you owe. If the Creditor gets a refund on insurance, service contracts, or other contracts, the Creditor will subtract it from what you owe. Once all amounts owed under this contract are paid, any remaining refund will be paid to you.

**H. Default:** You will be in default if:

1. You do not make a payment when it is due; or
2. You gave false or misleading information on your credit application relating to this contract; or
3. Your vehicle is seized by any local, state, or federal authority and is not promptly and unconditionally returned to you; or
4. You file a bankruptcy petition or one is filed against you; or
5. You do not keep any other promise in this contract.

If you default, Creditor can exercise Creditor's rights under this contract and Creditor's other rights under the law.

**I. Repossession:** If you default, the Creditor may require you to pay at once the unpaid Amount Financed, the earned and unpaid part of the Finance Charge and all other amounts due under this contract. Creditor may repossess (take back) the vehicle, too. Creditor may also take goods found in or on the vehicle when repossessed and hold them for you.

**J. Your Right to Redeem:** If the vehicle is taken back, Creditor will send you a notice. The notice will say that you may redeem (buy back) the vehicle and will explain how to redeem the vehicle. You may redeem the vehicle up to the time the Creditor sells it or agrees to sell it. If you do not redeem the vehicle, it will be sold.

**K. Disposition of Motor Vehicle:** If the vehicle is taken back and sold, the money from the sale, less allowed expenses, will be used to pay the amount still owed on the contract. Allowed expenses include those paid as a direct result of having to retake the vehicle, hold it, prepare it for sale, and sell it. Reasonable lawyer's fees and legal costs are allowed, too. If there is any money left (surplus), it will be paid to you. If the money from the sale is not enough to pay off this contract and costs, you will pay what is still owed to the Creditor. If you do not pay the amount when the Creditor asks, the Creditor may charge you interest at the highest lawful rate until you pay.

**L. Collection Costs:** Except as otherwise provided by law, you must pay any and all expenses related to enforcing this contract, including collection expenses, lawyers' fees and other legal expenses.

**M. Consumer Reports:** You authorize the Assignee to obtain consumer credit reports from consumer reporting agencies (credit bureaus) for any reason and at any time in connection with this contract.

**N. Servicing and Collection:** You agree that Creditor, Creditor's affiliates, agents and service providers may monitor and record telephone calls regarding your account to assure the quality of our service or for other reasons. You also expressly consent and agree that Creditor, Creditor's affiliates, agents and service providers may use written, electronic or verbal means to contact you. This consent includes, but is not limited to, contact by manual calling methods, prerecorded or artificial voice messages, text messages, emails and/or automatic telephone dialing systems. You agree that Creditor, Creditor's affiliates, agents and service providers may use any email address or any telephone number you provide, now or in the future, including a number for a cellular phone or other wireless device, regardless of whether you incur charges as a result.

**O. Applicable Law:** You agree that this contract will be governed by the laws of the state of Florida.

**P. General:** This contract contains the entire agreement between Creditor and you relating to the sale and financing of the motor vehicle. If any part of this contract is not valid, all other parts stay valid. If Creditor doesn't enforce Creditor's rights every time, Creditor can still enforce them later. Creditor will exercise all of Creditor's rights in a lawful way.

Buyer acknowledges and accepts assignment of this contract to the Assignee (and any successor to Assignee). Buyer also consents to any subsequent assignment of this contract, and accepts this provision as notice of any such assignment, by Assignee or anyone else without further notice to Buyer. This consent and notice specifically includes any assignment of the security interest in the vehicle financed pursuant to this contract.

**Q. Electronic Records and Signatures and Conversion to Paper:** You agree to use electronic records and electronic signatures to document this contract. Your electronic signatures will have the same effect as signatures on a paper contract.
There will be one authoritative copy of this contract. It will be the electronic copy in a document management system the Creditor designates for storing it.
The Creditor may convert that authoritative copy to a paper original. The Creditor will do so by printing one paper copy marked "Original." This paper original will have your electronic signature on it. It will have the same effect as if you had signed it originally on paper.

Arbitration is a method of resolving any claim, dispute, or controversy (collectively, a "Claim") without filing a lawsuit in court. Either you or Creditor ("us" or "we") (each, a "Party") may choose at any time, including after a lawsuit is filed, to have any Claim related to this contract decided by arbitration. Neither party waives the right to arbitrate by first filing suit in a court of law. Claims include but are not limited to the following: 1) Claims in contract, tort, regulatory or otherwise; 2) Claims regarding the interpretation, scope, or validity of this provision, or arbitrability of any issue except for class certification; 3) Claims between you and us, your/our employees, agents, successors, assigns, subsidiaries, or affiliates; 4) Claims arising out of or relating to your application for credit, this contract, or any resulting transaction or relationship, including that with the dealer, or any such relationship with third parties who do not sign this contract.

**RIGHTS YOU AND WE AGREE TO GIVE UP**
If either you or we choose to arbitrate a Claim, then you and we agree to waive the following rights:

- **RIGHT TO A TRIAL, WHETHER BY A JUDGE OR JURY**
- **RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR A CLASS MEMBER IN ANY CLASS CLAIM YOU MAY HAVE AGAINST US WHETHER IN COURT OR IN ARBITRATION**
- **BROAD RIGHTS TO DISCOVERY AS ARE AVAILABLE IN A LAWSUIT**
- **RIGHT TO APPEAL THE DECISION OF AN ARBITRATOR**
- **OTHER RIGHTS THAT ARE AVAILABLE IN A LAWSUIT**

**RIGHTS YOU AND WE DO NOT GIVE UP:** If a Claim is arbitrated, you and we will continue to have the following rights, without waiving this arbitration provision as to any Claim: 1) Right to file bankruptcy in court; 2) Right to enforce the security interest in the vehicle, whether by repossession or through a court of law; 3) Right to take legal action to enforce the arbitrator's decision; 4) Right to request that a court of law review whether the arbitrator exceeded its authority; and (5) Right to seek remedies in small claims court for disputes or claims within that court's jurisdiction.

You or we may choose the American Arbitration Association, (www.adr.org), or any other organization subject to our approval, to conduct the arbitration. The applicable rules (the "Rules") may be obtained from the selected organization. If there is a conflict between the Rules and this contract, this contract shall govern. This contract is subject to the Federal Arbitration Act (9 U.S.C. § 1 et seq.). The arbitration decision shall be in writing with a supporting opinion. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. To the extent that the total of your filing, administration, service or case management fee and your arbitrator or hearing fee exceeds $200, we will pay the amount in excess of $200, unless you choose to pay one-half of the total or unless the fees are reallocated in the award under applicable law or the organization's rules.

Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. Any portion of this arbitration provision that is unenforceable shall be severed, and the remaining provisions shall be enforced. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this arbitration provision shall be unenforceable. The validity and scope of the waiver of class action rights shall be decided by the court and not by the arbitrator.

# 1. Introduction

**Ford Motor Company** and your selling dealer thank you for selecting one of our quality products. Our commitment to you and your vehicle begins with quality protection and service.

When you need warranty repairs, your selling dealer would like you to return to it for that service, but you may also take your vehicle to another Ford Motor Company dealership authorized for warranty repairs. Certain warranty repairs require special training though, so not all dealers are authorized to perform all warranty repairs. That means that, depending on the warranty repair needed, the vehicle may need to be taken to another dealer. If a particular dealership cannot assist you, then contact the Customer Relationship Center at 1-800-392-3673.

This booklet explains in detail the warranty coverages that apply to your 2018-model car or light truck. If you bought a previously owned 2018-model vehicle, you are eligible for any remaining warranty coverages.

Ford Motor Company provides the **Emissions Defect Warranties** and **Emissions Performance Warranties** which cover your emissions control systems, and **Noise Emissions Warranty** which applies only to medium/heavy duty trucks over 10,000 pounds Gross Vehicle Weight Rating (pages 17-32).

## 2. Important information you should know

### IF YOU NEED CUSTOMER ASSISTANCE

Your Ford Motor Company dealer is available to assist you with all your automotive needs. Please follow the procedures outlined on the front page of this booklet.

In addition, if you are an eligible U.S. owner, you may use - at no cost - the services of the BBB AUTO LINE program. For details, see Better Business Bureau (BBB) AUTO LINE program, page 34 or call 1-800-955-5100.

### KNOW WHEN YOUR WARRANTY BEGINS

Your **Warranty Start Date** is the day you take delivery of your new vehicle or the day it is first put into service (for example, as a dealer demonstrator), whichever occurs first.

### CHECK YOUR VEHICLE

We try to check vehicles carefully at the assembly plant and the dealership, and we usually correct any damage to paint, sheet metal, upholstery, or other appearance items. But occasionally something may slip past us, and a customer may find that a vehicle was damaged before he or she took delivery. If you see any damage when you receive your vehicle, notify your dealership within one week.

### MAINTAIN YOUR VEHICLE PROPERLY

Your glove compartment contains an **Owner's Manual** which indicates the scheduled maintenance required for your vehicle. Proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance, may help increase the value you receive when you sell or trade your vehicle, and is important in allowing your vehicle to comply with applicable emissions standards.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Ford engineering specifications. Failure to perform scheduled maintenance as specified in the Owner's Manual will invalidate warranty coverage on

parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your **Owner's Manual**.

Your Ford or Lincoln dealership, or Ford or Lincoln Auto Care Service Center, has factory-trained technicians who can perform the required maintenance using genuine Ford parts. The dealership looks forward to meeting your every service need to maximize your satisfaction with your vehicle.

## WHO PAYS FOR WARRANTY REPAIRS?

You will not be charged for repairs covered by any applicable warranty during the stated coverage periods, unless specifically stated elsewhere in this guide.

Some states have mandated alternate time coverage periods for parts of your vehicle (e.g. seatbelts).

Some states and/or local governments may require a tax on a portion of warranty repairs. Where applicable law allows, the tax must be paid by you, the owner of the vehicle.

During the Bumper to Bumper Warranty period, dealers may receive instructions to provide no-cost, service-type improvements - not originally included in your Owner's Manual - intended to increase your overall satisfaction with your vehicle.

Sometimes Ford may offer a special adjustment program to pay all or part of the cost of certain repairs beyond the terms of the applicable warranty. Check with your dealer or call 1-800-392-3673 to learn whether any adjustment program is applicable to your vehicle. Please have your vehicle identification number available.

## DO WARRANTIES APPLY IN OTHER COUNTRIES?

The **New Vehicle Limited Warranty** and the **Emissions Warranties** described in this booklet apply to your vehicle if:

- it was originally purchased through the Ford Export Operations Military Sales Program; or
- it was originally sold or leased by Ford Motor Company or one of its dealers in the United States or U.S. Federalized Territories, and it was originally registered/licensed and operated in the United States, U.S. Federalized Territories, or Canada.

If you meet either of these two requirements, you do have warranty coverage when you travel with this vehicle outside the United States, U.S. Federalized Territories, or Canada. In some cases, however, you may have to pay the servicing Ford dealer in a foreign country or U.S. Federalized Territory for a repair that is covered under the U.S. warranty. If this happens, be sure to save the paid repair order or invoice. You should present this document to a U.S. Ford Motor Company dealer for warranty refund consideration. Refer to www.Ford.com for additional customer assistance reference information.

## 3. The New Vehicle Limited Warranty for your 2018-model vehicle

### LIMITATIONS AND DISCLAIMERS

All of the warranties in this booklet are subject to the following limitations and disclaimers:

The warranties in this booklet are the only express warranties applicable to your vehicle. Ford does not assume or authorize anyone to assume for it any other obligation or liability in connection with your vehicle or these warranties. No person, including Ford employees or dealers, may modify or waive any part of these warranties.

Ford and its dealers reserve the right to make changes in or additions to vehicles built or sold by them at any time without incurring any obligation to make the same or similar changes or additions to vehicles previously built or sold.

Ford and its dealers also reserve the right to provide post-warranty repairs, conduct recalls, or extend the warranty coverage period for certain vehicles or vehicle populations, at the sole discretion of Ford. The fact that Ford has provided such measures to a particular vehicle or vehicle population in no way obligates Ford to provide similar accommodations to other owners of similar vehicles.

As a condition of these warranties, you are responsible for properly using, maintaining, and caring for your vehicle as outlined in your Owner's Manual. Ford recommends that you maintain copies of all maintenance records and receipts for review by Ford.

Ford and your dealer are not responsible for any time or income that you lose, any inconvenience you might be caused, the loss of your transportation or use of your vehicle, the cost of rental vehicles, fuel, telephone, travel, meals, or lodging, the loss of personal or commercial property, the loss of revenue, or for any other incidental or consequential damages you may have.

Punitive, exemplary, or multiple damages may not be recovered unless applicable law prohibits their disclaimer.

You may not bring any warranty-related claim as a class representative, a private attorney general, a member of a class of claimants or in any other representative capacity.

Ford shall not be liable for any damages caused by delay in delivery or furnishing of any products and/or services.

You may have some implied warranties. For example, you may have an implied warranty of merchantability (that the car or light truck is reasonably fit for the general purpose for which it was sold) or an implied warranty of fitness for a particular purpose (that the car or light truck is suitable for your special purposes), if a special purpose was specifically disclosed to Ford itself not merely to the dealer before your purchase, and Ford itself not just the dealer told you the vehicle would be suitable for that purpose.

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties, or to the applicable time period provided by state law, whichever period is shorter.

These implied warranties do not apply at all if you use your vehicle for business or commercial purposes. In addition, the implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

The warranties contained in this booklet and all questions regarding their enforceability and interpretation are governed by the law of the state in which you purchased your Ford vehicle. Some states do not allow Ford to limit how long an implied warranty lasts or to exclude or limit incidental or consequential damages, so the limitation and exclusions described above may not apply to you.

**NOTE: This information about the limitation of implied warranties and the exclusion of incidental and consequential damages under the NEW VEHICLE LIMITED WARRANTY also applies to the EMISSIONS WARRANTIES described on pages 17-31.**

Ford participates in the BBB AUTO LINE warranty dispute resolution program. You may contact BBB AUTO LINE by calling 800-955-5100.

You are required to submit your warranty dispute to the BBB AUTO LINE before exercising rights or seeking remedies under the Federal Magnuson-Moss Warranty Act, 15 U.S.C. § 2301 et seq. To the extent permitted by the applicable state "Lemon Law", you are also required to submit your warranty dispute to the BBB AUTO LINE before exercising any rights or seeking remedies under the "Lemon Law". If you choose to seek remedies that are not created by the Magnuson-Moss Warranty Act or the applicable state "Lemon Law," you are not required to first use BBB AUTO LINE to resolve your dispute – although the program is still available to you.

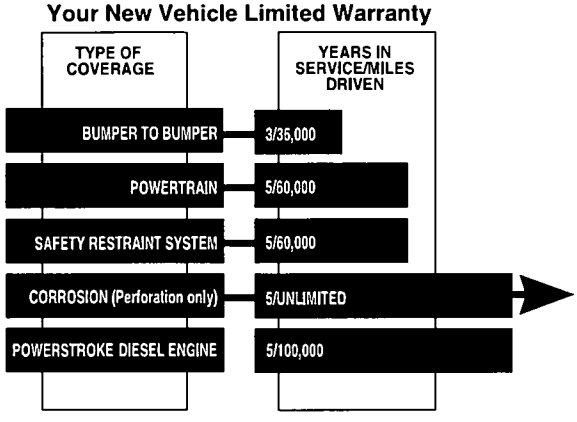
For more information regarding the BBB AUTO LINE program, see page 34 of this booklet.

## QUICK REFERENCE: WARRANTY COVERAGE

This chart gives a general summary of your warranty coverage provided by Ford Motor Company under the **New Vehicle Limited Warranty.** Please refer to the description of warranty coverage for more specific information.

For each type of coverage, the chart shows two measures:

- years in service
- miles driven



The measure that occurs first determines how long your coverage lasts. For example: Your Bumper to Bumper Coverage lasts for three years - unless you drive more than 36,000 miles before three years elapse. In that case, your coverage ends at 36,000 miles.

For more details on coverage, see:

➡ **What is Covered?** (pages 8-12)

➡ **What is Not Covered?** (pages 12-15)

## WHAT IS COVERED?

Your NEW VEHICLE LIMITED WARRANTY gives you specific legal rights. You may have other rights that vary from state to state. Under your New Vehicle Limited Warranty if:

- your Ford vehicle is properly operated and maintained, and

- was taken to a Ford dealership for a warranted repair during the warranty period,

then authorized Ford Motor Company dealers will, without charge, repair, replace, or adjust all parts on your vehicle that malfunction or fail during normal use during the applicable coverage period due to a manufacturing defect in factory-supplied materials or factory workmanship.

This warranty does not mean that each Ford vehicle is defect free. Defects may be unintentionally introduced into vehicles during the design and manufacturing processes and such defects could result in the need for repairs. Ford provides the New Vehicle Limited Warranty only to remedy manufacturing defects that result in vehicle part malfunction or failure during the warranty period.

The remedy under this written warranty, and any implied warranty, is limited to repair, replacement, or adjustment of defective parts. This exclusive remedy shall not be deemed to have failed its essential purpose so long as Ford, through its authorized dealers, is willing and able to repair, replace, or adjust defective parts in the prescribed manner. Ford's liability, if any, shall in no event exceed the cost of correcting manufacturing defects as herein provided and upon expiration of this warranty, any such liability shall terminate.

Conditions that are not covered by the New Vehicle Limited Warranty are described on pages 12-15. When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured or other parts that are authorized by Ford, at the discretion of Ford or the Ford dealership.

Nothing in this warranty should be construed as requiring defective parts to be replaced with parts of a different type or design than the original part, so long as the vehicle functions properly with the replacement part. Moreover, Ford and its authorized dealers are entitled to a reasonable time and a reasonable number of attempts within which to diagnose and repair any defect covered by this warranty.

In certain instances, Ford may authorize repairs at other than Ford dealer facilities.

Two separate warranties apply to tires on your new vehicle. The New Vehicle Limited Warranty covers tire defects in factory supplied material or workmanship for 100% of labor costs and on a pro rata adjustment basis for parts. (See the reimbursement schedule below).

For vehicles within the New Vehicle Limited Warranty time in service and mileage coverage period, defective tires will be replaced on a pro rata adjustment basis according to the following mileage-based Reimbursement Schedule:

| MILES DRIVEN | PERCENT OF PARTS COVERED BY FORD |
|---|---|
| 1-12,000 | 100% |
| 12,001-24,000 | 60% |
| 24,001-36,000 | 30% |

The tire manufacturer also provides you with a separate tire warranty that may extend beyond the New Vehicle Limited Warranty coverage. You will find the manufacturer's tire warranty with the owner literature supplied with your vehicle. You have the option of having a tire warranty repair performed by the tire manufacturer's authorized service center. If you go to a tire service center for a repair covered by the New Vehicle Limited Warranty, you may be charged a prorated amount for wear or other charges. If so, you should present your paid invoice detailing the nature of the charges to any Ford Motor Company dealership for refund consideration. When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured or other parts that are authorized by Ford. In certain instances, Ford may authorize repairs at other than Ford dealer facilities. Tire replacements under warranty will be made with the same brand and model as originally equipped with the vehicle unless the same brand and model is no longer available, in which case a tire of the same brand, size, load, speed and tread type will be used. In some circumstances, Ford may authorize another brand and/or model to substitute for the original brand and model, even if still available.

Normal tire wear or damage is not reimbursable. See page 15 for details of what is not covered.

**Extended warranty coverage periods are available for certain vehicle parts and conditions. Specifically,**

(1) Your vehicle's Powertrain components are covered for five years or 60,000 miles, whichever occurs first. The extended coverage applies to the **Engine:** all internal lubricated parts, cylinder block, cylinder heads, electrical fuel pump, powertrain control module, engine mounts, flywheel, injection pump, manifold (exhaust and intake), manifold bolts, oil pan, oil pump, seals and gaskets, engine thermostat, engine thermostat housing, timing chain cover, timing chain (gears or belt), turbocharger/supercharger unit, valve covers, water pump;

**Transmission:** all internal parts, clutch cover, seals and gaskets, torque converter, transfer case (including all internal parts), transmission case, transmission mounts; **Front-Wheel Drive:** axle shafts, front bearings, seals and gaskets, universal and constant velocity joints; **Rear-Wheel Drive:** axle shafts, rear bearings, center support bearing, drive axle housing (including all internal parts), drive shaft, retainers, supports, seals and gaskets, universal and constant velocity joints.
**Four-Wheel/All-Wheel Drive:** axle shafts, bearings (front and rear), center support bearing, drive shafts, final drive housing (including all internal parts), hubs-automatic front locking (four-wheel drive), locking rings (four-wheel drive), seals and gaskets, universal and constant velocity joints.

(2) Your vehicle's safety belts and air bag Supplemental Restraint System (SRS) are covered for an extended Safety Restraint Coverage Period, which lasts for five years or 60,000 miles, whichever occurs first.

(3) Your vehicle's body sheet metal panels are covered for an extended Corrosion Coverage Period, which lasts for five years, regardless of miles driven. The extended warranty coverage only applies if a body sheet metal panel becomes perforated due to corrosion during normal use due to a manufacturing defect in factory-supplied materials or factory workmanship. If aluminum body panels have corrosion or rust damage, and the damage is not the result of abnormal usage, vehicle accident, customer actions and/or extreme environmental conditions, the corrosion or rust damage repairs are covered for 5 years, unlimited miles. For damage caused by airborne material (environmental fallout) where there is no factory-related defect involved and therefore no warranty – our policy is to provide free repair of paint damage due to the airborne material for 12 months or 12,000 miles, whichever occurs first.

(4) Your vehicle's direct injection diesel engine and certain engine components are covered during the PowerStroke Diesel Engine Coverage Period, which lasts for five years or 100,000 miles, whichever occurs first. The following parts are covered during this extended coverage period: the engine, cylinder block, heads and all internal parts, intake and exhaust manifolds, timing gear, harmonic balancer, valve covers, oil pan and pump, water pump, fuel system (excluding fuel lines, fuel tank and frame mounted fuel conditioning module sometimes referred to as the frame mounted pump/filter/water separator or frame mounted fuel filter/water separator), high pressure lines, gaskets and seals, glow plugs, turbocharger, two-stage turbocharger assembly, turbocharger actuator,

powertrain control module, high pressure fuel injection pump assembly, injectors, injection pressure sensor, fuel rail pressure sensor, exhaust back pressure regulator and sensor, exhaust pressure sensor, manifold pressure sensor, intake air temperature sensor, crankshaft position sensor, camshaft position sensor, accelerator switch.

**NOTE:** Some components may also be covered by the Emissions Warranties. For more information, see pages 17-31.

If you own or lease a 2018-model Next Generation Police Interceptor Vehicle (NGPI), refer to the Warranty Addendum Card that was given to you when you took delivery of your vehicle for further explanation of Amendments to the New Vehicle Limited Warranty. The Warranty Addendum applies only the NGPI vehicles delivered in the State of Florida and New York.

- Winch out services: includes pulling a vehicle within 100 feet of a paved or county maintained road. No recoveries.

The Roadside Assistance Program is separate from the New Vehicle Limited Warranty. It begins at the warranty start date and lasts for five years or 60,000 miles (whichever occurs first). If you need towing beyond the five years or 60,000 miles (whichever occurs first) period, Ford can arrange roadside assistance and charge your credit card. If the reason for the vehicle disablement is later found to be covered by another Ford warranty, Ford will provide a refund for the tow charge under the other warranty, through the dealership.

**For emergency roadside assistance, call 1-800-241-3673, 24 hours a day, 365 days a year.**

Ford Rent-A-Car (FRAC) and Dealer Daily Rental (DDR) vehicles that must be towed because a covered repair failed during the warranty coverage period, Ford will cover towing to the nearest Ford Motor Company dealership.

Ford Motor Company reserves the right to modify or discontinue Roadside Assistance at any time. Certain restrictions apply to Roadside Assistance benefits. Call 1-800-241-3673 for further details.

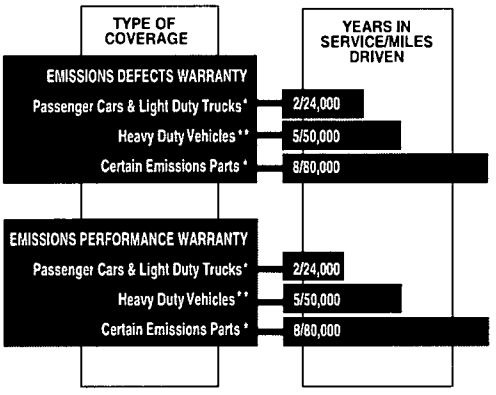
## 5. Federal requirements for emissions warranties

### QUICK REFERENCE: EMISSIONS WARRANTY COVERAGE

This chart shows your warranty coverage under two emissions warranties that Ford Motor Company provides, in compliance with Federal requirements. The warranties are:

- Emissions Defects Warranty
- Emissions Performance Warranty

**Emissions Warranties for Your Vehicle**



* Applies to vehicles up to 8,500 pounds gross vehicle weight rating (GVWR)
** Applies to trucks over 8,500 pounds gross vehicle weight rating (GVWR) up to 19,500 pounds gross vehicle weight rating (GVWR). Vocational vehicle tires covered for 2/24,000 for defects that affect compliance with greenhouse gas requirements.

For full details on emissions control coverage, see:

- ➡ **Emissions Defect Warranty** (page 18)
- ➡ **Emissions Performance Warranty** (page 19)
- ➡ **What is Covered?** (pages 20-21)
- ➡ **What is Not Covered?** (page 21)

## EMISSIONS DEFECT WARRANTY COVERAGE

During the warranty coverage period, Ford Motor Company warrants that:

- your vehicle or engine is designed, built, and equipped to meet - at the time it is sold - the emissions regulations of the U.S. Environmental Protection Agency (EPA).
- your vehicle or engine is free from emission-related defects in factory-supplied materials or workmanship, which are defects that could prevent the vehicle or engine from conforming with applicable EPA regulations.
- you will not be charged for diagnosis, repair, replacement, or adjustment of parts containing an emissions-related defect. A list of emission-related parts can be found in **What is Covered?** on pages 20-21.

The warranty coverage period for:

- The emissions defects warranty coverage period for passenger cars and light duty trucks (applies to vehicles up to 8,500 pound GVWR) is as follows:
  — 8 years or 80,000 miles (whichever occurs first) for catalytic converters, electronic emissions control unit, and onboard emissions diagnostic devices, including the Battery Energy Control Module (BECM).
  — 2 years or 24,000 miles (whichever occurs first) for all other covered parts. (Note: Ford's 3-year, 36,000-mile bumper-to-bumper coverage, as described above, surpasses this mandatory federal coverage.)
- Heavy duty vehicles (applies to trucks over 8,500 pounds GVWR up to 19,500 pounds GVWR)
  — The emissions warranty coverage period for heavy duty vehicles (HDVs) is 5 years or 50,000 miles (whichever comes first) for all parts covered by your emissions warranty.

  • **Only for HDVs not designated as "vocational vehicles" on the underhood "VEHICLE EMISSION CONTROL INFORMATION" label:** The 5 year/50,000 mile warranty includes coverage of components whose failure would increase the vehicle's emissions of air conditioning refrigerants.

  • **Only for HDVs designated as "vocational vehicles" on the underhood "VEHICLE EMISSION CONTROL INFORMATION" label:** Tire defects that affect compliance with emission standards are covered for 2 years or 24,000 miles, whichever comes first.

## EMISSIONS PERFORMANCE WARRANTY COVERAGE

Under Emissions Performance Warranty Coverage, Ford Motor Company will repair, replace, or adjust - with no charge for labor, diagnosis, or parts - any emissions control device or system, if you meet all of the following conditions:

- You have maintained and operated your vehicle according to the instructions on proper care in the **Owner's Manual** and this booklet.
- Your vehicle fails to conform, during the warranty coverage period, to the applicable national EPA standards, as determined by an EPA approved inspection and maintenance program.
- You are subject to a penalty or sanction under local, state, or federal law because your vehicle has failed to conform to the emissions standards. (A penalty or sanction can include being denied the right to use your vehicle.)
- Your vehicle has not been tampered with, misused, or abused.

The warranty coverage period for:

- Passenger cars and light duty trucks (applies to vehicles up to 8,500 pounds GVWR) is as follows:
  — 8 years or 80,000 miles (whichever occurs first) for catalytic converter, electronic emissions control unit, and onboard emissions diagnostic devices.
  — 2 years or 24,000 miles (whichever occurs first) for all other covered parts .
- Heavy duty vehicles (applies to trucks over 8,500 pounds GVWR up to 19,500 pounds GVWR)
  — 5 years or 50,000 miles (whichever occurs first) for all covered parts.

See **WHAT IS COVERED?** below for list of covered parts.

Note that the warranty period begins on the **Warranty Start Date** as specified on page 2 of this booklet.

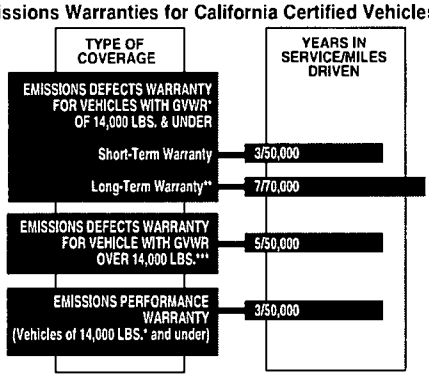
# 6. California requirements for emissions warranties

## QUICK REFERENCE: EMISSIONS WARRANTY COVERAGE

This chart shows the emission warranty that Ford Motor Company provides for your vehicle under the emissions control warranty in accordance with the regulations of the California Air Resources Board. This coverage is in addition to Federal Emission warranties (Page 17).

**Emissions Warranties for California Certified Vehicles**



* Gross Vehicle Weight Rating

## EXPLANATION OF CALIFORNIA EMISSIONS WARRANTIES

### Your Warranty Rights and Obligations

The California Air Resources Board and Ford Motor Company are pleased to explain the emission control system warranty on your 2018-model vehicle. In California, new motor vehicles must be designed, built, and equipped to meet the State's stringent anti-smog standards. Ford must warrant the emission control system on your vehicle for the periods of time listed on pages 24-25, provided there has been no abuse, neglect, or improper maintenance of your vehicle.

Your emission control system may include parts such as the fuel injection system, the ignition system, catalytic converter, and the engine computer. Also included may be hoses, belts, connectors, and other emissions-related assemblies.

Where a warrantable condition exists, Ford Motor Company will repair your vehicle at no cost to you including diagnosis, parts, and labor.

### Manufacturer's Warranty Coverage

For Vehicles Eligible for California Emission Warranty Coverage

If Gross Vehicle Weight Rating is 14,000 lbs. or less:

For 3 years or 50,000 miles (whichever first occurs):

1. If your vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Ford to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.

2. If any emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your short-term emission control system DEFECTS WARRANTY.

For 7 years or 70,000 miles (whichever first occurs):

If an emissions-related part listed on pages 27 and 29 with coverage for 7 years or 70,000 miles is defective or if its failure causes your vehicle to fail a Smog Check inspection, the part will be repaired or replaced by Ford. This is your long-term emission control system DEFECTS WARRANTY.

If Gross Vehicle Weight rating is over 14,000 lbs.:

For 5 years or 50,000 miles (gasoline powered engines and vehicles) or 5 years or 100,000 miles (diesel powered engines and vehicles) (whichever first occurs):

If an emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your emission control system DEFECTS WARRANTY.

## Owner's Warranty Responsibilities

As the vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Ford Motor Company recommends that you retain all receipts covering maintenance on your vehicle, but Ford cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your vehicle to a Ford Motor Company dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that Ford Motor Company may deny you warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, or if you want to report what you believe to be violations of the terms of this warranty, you may contact the Ford Customer Relationship Center at 1-800-392-3673 (FORD) or the California Air Resources Board at:

**State of California Air Resources Board**
**Mobile Source Operations Division**
**P.O. Box 8001**
**El Monte, California 91731-2990**

### Important Information about List of Parts

There may be additional coverage for these parts through the Bumper to Bumper, Powertrain, or Diesel Engine limited warranties. In any case, the warranty with the broadest coverage applies.

Also covered by this warranty are all emissions-related bulbs, hoses, clamps, brackets, tubes, gaskets, seals, belts, connectors, non diesel fuel lines, and wiring harnesses that are used with components on the list of parts above.

Concerning parts that should be replaced on a certain maintenance schedule: these parts remain under warranty until the first required replacement time that is specified in your **Owner's Manual**.

**NOTE**: If the diagnosis does not reveal a defect, the Defects Warranty does not apply.

Your Ford Motor Company dealer maintains a complete list of covered parts. For more details about the specific parts that are covered by the Defects Warranty, contact your dealer.

## WHAT IS NOT COVERED?

Ford Motor Company may deny you emissions warranty coverage if your vehicle or a part does not contain a defect that affects emissions or has failed because of abuse, neglect, improper maintenance, unapproved modifications, or any items included in **What Is Not Covered?**, pages 12-15.

## 7. Additional information about your emissions warranty coverage, under Federal and California requirements

### HOW DO I GET WARRANTY SERVICE?

To get service under your emissions warranties, take your vehicle to any Ford Motor Company dealer as soon as possible after illumination of the Malfunction Indicator Light or it has failed an EPA-approved test or a California Smog Check inspection. Be sure to show the dealer the document that says your vehicle has failed the test.

Your dealer will determine whether the repair is covered by the warranty. If the dealer has a question about Emissions Performance Warranty coverage, it will forward the question to Ford Motor Company, which must make a final decision within 30 days after you bring your vehicle in for repair. (The decision will be made within a shorter time if state, local, or federal law requires you to have the vehicle repaired more quickly in order to avoid additional penalties.) The deadline for a determination about Emissions Performance Warranty Coverage does not need to be met if you request a delay, agree to a delay in writing, or if the delay is caused by an event for which neither Ford nor your dealer is responsible. If a question about Emissions Performance Warranty coverage is referred to Ford Motor Company, you will be notified by Ford Motor Company in writing if your claim for warranty coverage is denied. The notice will explain the basis for denying your claim. If you fail to receive this notice within a timely manner, as determined above, Ford will perform the warranty repair for you free of charge.

### HOW DO I HANDLE EMERGENCY REPAIRS?

If your vehicle needs an emergency warrantable repair and a Ford Motor Company dealer is not available, or if a Ford Motor Company dealer cannot perform warrantable repair(s) within 30 days of you bringing your vehicle to the dealer, repairs may be performed at any service establishment or by you using Ford equivalent replacement parts.

Ford will reimburse you for the cost of these warranty repairs including diagnosis, if you take the part(s) that are replaced and the repair receipt(s) to a Ford Motor Company dealer. The reimbursement shall not exceed Ford's suggested retail price for the warranted parts that are replaced and labor charges based on Ford's recommended time allowance for the warranty repair and the geographically appropriate hourly rate.

## WHAT REPLACEMENT PARTS SHOULD I USE?

Ford Motor Company recommends that you use genuine Ford replacement parts. However, when you are having non-warranty work done on your vehicle, you may choose to use non-Ford parts. If you decide to use non-Ford parts, be sure they are equivalent to Ford parts in performance, quality, and durability. If you use replacement parts that are not equivalent to Ford parts, your vehicle's emissions control systems may not work as effectively, and you may jeopardize your emissions warranty coverage.

Under the Federal and California emissions warranties, Ford will repair or replace covered parts if they are properly installed Ford parts or the equivalent, or non-Ford parts that have been certified by the U.S. EPA or the California Air Resources Board (CARB). Ford is not responsible for the cost or repairing or replacing non-Ford parts that are not equivalent to Ford parts or that have not been certified by EPA or CARB.

**The maintenance, replacement, or repair of emissions control devices or systems can be performed by any automotive repair establishment or individual using Ford replacement parts or the equivalent, or EPA- or CARB-certified parts, without voiding your emissions warranty coverage for future repairs during the applicable warranty period.**

## PROPER MAINTENANCE PRESERVES YOUR WARRANTY

If you do not maintain your vehicle properly, Ford may have the right to deny you warranty coverage.

To have repairs made under this warranty, you may have to show that you have followed Ford's instructions on properly maintaining and using your vehicle. You will find these instructions in your **Owner's Manual**. Be sure to save your service receipts and to keep accurate records of all maintenance work.

## CUSTOMER ASSISTANCE

If you are not satisfied with the handling of a warranty matter, see **Customer Assistance**, on the inside front cover, and **Better Business Bureau (BBB) AUTO LINE program**, page 34.

## 10. The Better Business Bureau (BBB) AUTO LINE Program (U.S. Only)

Your satisfaction is important to Ford Motor Company and to your dealer. If a warranty concern has not been resolved using the three-step procedure outlined on the first page of the Customer Assistance section, you may be eligible to participate in the BBB AUTO LINE program.

The BBB AUTO LINE program consists of two parts — mediation and arbitration. During mediation, a representative of the BBB will contact both you and Ford Motor Company to explore options for settlement of the claim. If an agreement is not reached during mediation and your claim is eligible, you may participate in the arbitration process. An arbitration hearing will be scheduled so that you can present your case in an informal setting before an impartial person. The arbitrator will consider the testimony provided and make a decision after the hearing.

You are not bound by the decision, but should you choose to accept the BBB AUTO LINE decision, Ford must abide by the accepted decision as well. Disputes submitted to the BBB AUTO LINE program are usually decided within forty days after you file your claim with the BBB.

BBB AUTO LINE Application: Using the information provided below, please call or write to request a program application. You will be asked for your name and address, general information about your new vehicle, information about your warranty concerns, and any steps you have already taken to try to resolve them. A Customer Claim Form will be mailed that will need to be completed, signed, and returned to the BBB along with proof of ownership. Upon request, the BBB will review the claim for eligibilty under Program Summary Guidelines.

**You can get more information by callng BBB AUTO LINE at 1-800-955-5100, or writing to:**

## 11. State warranty enforcement laws

These state laws - sometimes called lemon laws - allow owners to receive a replacement vehicle or a refund of the purchase price, under certain circumstances. The laws vary from state to state.

To the extent your state law allows, Ford Motor Company requires that you first send us a written notification of any defects or non-conformities that you have experienced with your vehicle. (This will give us the opportunity to make any needed repairs before you pursue the remedies provided by your state's law.)

In all other states where not specifically required by state law, Ford Motor Company requests that you give us the written notice. Send your written notification to:

**Ford Motor Company**
**Customer Relationship Center**
**P.O. Box 6248**
**Dearborn, MI 48126**

## 12. Important information about ambulance conversions

Ford vehicles are suitable for producing ambulances only if equipped with the **Ford Ambulance Prep Package**. In addition, Ford urges ambulance manufacturers to follow the recommendations of the **Ford Incomplete Vehicle Manual** and the **Ford Truck Body Builders Layout Book** (and pertinent supplements).

**Using a Ford vehicle without the Ford Ambulance Prep Package to produce an ambulance could result in elevated underbody temperatures, fuel overpressurization, and the risk of fuel expulsion and fires. Such use also voids the Ford Bumper to Bumper Warranty and may void the Emissions Warranties.**

You may determine whether the vehicle is equipped with the **Ford Ambulance Prep Package** by inspecting the information plate on the driver's rear door pillar.

You may determine whether the ambulance manufacturer has followed Ford's recommendations by contacting the ambulance manufacturer of your vehicle.

Dear Sir or Madam:

Please be advised that this office represents the above-named individual regarding claims against your company pursuant to the federal Magnuson-Moss Warranty Act, 15 U.S.C. § 2301, *et. seq*., with regard to the above-listed vehicle. Please direct all future contacts and correspondence to our office.

**Having been formally notified of our representation, <u>you are instructed not to contact our client under any circumstances and you are hereby notified of our attorney's lien</u>. Direct all inquiries to this office. If you fail to act in conformity with this directive, injunctive relief will be sought against you.**

You are hereby notified that any settlement made with our client must include compensation for all statutory and other damages available to my client, including, but not limited to damages for the diminished value of the vehicle, incidental and consequential damages, and attorneys' fees. Please also note that if you settle directly with our client and do not make arrangements for payment of all damages, fees, and costs, we will file suit against you for tortious interference of our business relationship with our client and for violation of our attorneys' lien.

There are numerous defects and non-conformities present in my client's automobile for which relief is sought, and numerous attempts to repair the vehicle have been unsuccessful. You are hereby notified that these defects and non-conformities include, but are not limited to:

1. Defective engine, transmission and/or electrical system as evidenced by the vehicle is overheating, the check engine light is on, and the wrench light is on and not shifting; and

2. All additional complaints made by our client, whether or not they are contained in your company's records or on any dealer repair orders.

As a result of your failure to repair defects in my client's vehicle, by and through your authorized dealers that were designated in your warranty to effectuate repairs, within a reasonable time or reasonable number of attempts, you have breached your written warranty. *See* 15 U.S.C. § 2310(e). *See also Cunningham v. Fleetwood Homes of Georgia, Inc.*, 253 F.3d 611, 618 (11th Cir. 2001) (citing § 2310(e) and noting "prior to bringing suit for breach of warranty, a consumer must give persons obligated under the warranty a reasonable opportunity to 'cure' the failure to comply with the obligations at issue"); *Kuns v. Ford Motor Co.*, 543 Fed. Appx. 572, 576 (6th Cir. Nov. 19, 2013) (same); *Ventura v. Ford Motor Corp.*, 433 A.2d 801, 812 (N.J. Sup. Ct. App. Div. 1981) (manufacturer's dealer was the entity obligated under 2310(e) to effectuate repairs per manufacturer's warranty); *Anderson v. Gulf Stream Coach*, 662 F. 3d 775, 781 (7th Cir. 2011); and *Pearson v. DaimlerChrysler Corp.*, 349 Ill.App.3d 688, 813 N.E.2d 230 (Ill. App. 2004).

Based on the above, my client has also justifiably lost confidence in the subject vehicle. As one court has stated:

> For a majority of people the purchase of a new car is a major investment, rationalized by the peace of mind that flows from its dependability and safety. Once their faith is shaken, the vehicle loses not only its real value in their eyes, but becomes an instrument whose integrity is substantially impaired and whose operation is fraught with apprehension.

*Zabriskie Chevrolet, Inc. v. Smith*, 240 A.2d 195, 205 (N.J. Ch. Div. 1968).

Concerning the amount of grief a person must endure, another court expressed the consumer's lament in the following manner:

> There comes a time when enough is enough – when an automobile purchaser, after having to take his car into the shop for repairs an inordinate number of times and experiencing all of the attendant inconvenience, is entitled to say, "That's all," and revoke, notwithstanding the repeated good faith efforts to fix the car.

*Rester v. Morrow*, 491 So.2d 204, 210 (Miss. 1986).

My client's repair history clearly shows that my client's claims are viable:

> based upon the generally accepted rule that an unsuccessful effort to remedy defects found to exist renders the warrantor liable; the buyer is not

> bound to allow him the opportunity or permit him to tinker with the article indefinitely in the hope that it may ultimately be made to comply with the warranty.

*Kure v. Chevrolet Motor Division*, 581 P.2d 603, 608 (Wy. 1978).

As a result of your breach of warranty, my client may recover "damages and any other legal and equitable relief" as a result of your failure to comply with your obligation to repair the subject vehicle. *See* 15 U.S.C. § 2310(d) and *King v. King Motor Co. of Fort Lauderdale***,** 780 So.2d 937, 942 (Fla. 4th DCA 2001). As recognized by the First District:

> The Magnuson-Moss Act authorizes civil actions by consumers for damages. 15 U.S.C.S. § 2310(d) (Law. Co-op. 1982). Section 2311(b)(1) further provides: "Nothing in this title shall invalidate or restrict any right or remedy of any consumer under State law." Courts have generally interpreted these provisions as requiring resort to state warranty law to determine the measure of damages under the Act. *MacKenzie v. Chrysler Corp.,* 607 F.2d 1162, 1166 (5th Cir.1979); *Rose v. A & L Motor Sales,* 699 F. Supp. 75, 76 (W.D.Pa.1988). Florida law permits recovery of actual, incidental, and consequential damages for breach of warranty. §§ 672.714 - .715, Fla.Stat. (1987) (UCC §§ 2-714 to -715).

*Frank Griffin Volkswagen, Inc. v. Smith,* 610 So.2d 597, 615 (Fla. 1st DCA 1992) (emphasis added). *See also Walsh v. Ford Motor Co.*, 807 F.2d 1000, 1016 (D.C. Cir. 1986) ("state warranty law lies at the base of all warranty claims under Magnuson-Moss").

Finally, although it is my client's contention that you have already been provided with sufficient opportunities to repair the subject vehicle by the tendering of the vehicle to your dealers as designated in your warranty, if you are interested in performing further repairs to the vehicle, please contact me to make appropriate arrangements to do so. If I do not hear from you within ten (10) days I will presume you are uninterested in performing any further repairs to the vehicle.

To avoid any litigation, please contact me. If this matter is not amicably resolved within ten (10) days from the date of this letter, you are hereby put on notice that a lawsuit will be filed.

Sincerely,

[redacted]

To Whom It May Concern:

**As you have been formally notified of our legal representation of Natalie Ray, you are instructed not to contact our client under any circumstances. Please direct all inquiries to this office. If you fail to act in conformity with this directive, injunctive relief will be sought against you.**

**Pursuant to 15 U.S.C. 2310(d), you are hereby notified that any settlement made with our client requires payment of our attorneys' fees. As such, if you attempt to settle directly with our client and do not make arrangements for payment of our attorneys' fees, we will file suit against you. Lastly, you are hereby notified of our attorneys' lien.**

My client has experienced multiple defects in their vehicle. Your company, through your authorized dealerships, have been unable to repair their vehicle within a reasonable time and/or

after having a reasonable numerous of attempts to repair it. As such, my client seeks relief under the Warranty Act as you have breached both your written warranty and the implied warranty of merchantability. The defects experienced by my client include, but are not limited to:

1. Defective engine as evidenced by low oil pressure light, loss of acceleration, loss of power, CEL on, and would not go over 40 mph; *and*
2. Any additional complaints made by our client, whether or not they are contained in your company's records or on any dealer repair orders.

The defects listed above constitute a substantial impairment of the use, value and/or safety of the vehicle. As a result of these defects, my client has justifiably lost confidence in the vehicle. You are hereby notified that my client is revoking acceptance of this vehicle. My client has directed me to demand the cancellation of the contracts and the return of all funds paid towards this vehicle, including any trade-in value given, all collateral charges, finance charges and incidental and consequential damages.

Please be advised that pursuant to Uniform Commercial Code § 2-711(3) my client has a security interest in the vehicle for return of the amounts described above, plus expenses in handling and inspecting the vehicle. Until you pay this amount, my client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, my client needs return of the monies listed above before a substitute vehicle can be acquired. In addition, any attempt by you or your agents to repossess the car will be wrongful and may subject you to liability for conversion and for wrongful repossession under Uniform Commercial Code §§ 9-503 and 9-507, as well as any other applicable remedies.

If the seller or, if applicable, the assignee, or any creditor subject to the FTC Holder Rule has filed a financing statement covering the goods, I demand, pursuant to Uniform Commercial Code § 9-404, that you file a termination statement within ten (10) days to terminate your security interest, and forward a copy to me. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten (10) days and cooperate in removing the lien, you may be liable under Uniform Commercial Code § 9-404(1) in the amount of $100.00, plus any loss caused to my client by your failure to do so.

To avoid any litigation, my client merely requests the return of fifty (50) percent of the purchase price of the vehicle as compensation for its diminished value due to its defect and payment of our attorneys' fees pursuant to the fee-shifting provisions of the Federal Magnuson-Moss Warranty Act. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more time spent on our part or on the part of your attorneys. A great deal of time, money and effort could be saved by all parties involved with a quick resolution of this claim.

Accordingly, if you wish to resolve this matter amicably, please feel free to contact my office. If the matter has not been resolved within fourteen (14) days from the date of this letter, a lawsuit will be filed.

Sincerely,

Please be advised that pursuant to Uniform Commercial Code § 2-711(3) my client has a security interest in the vehicle for return of the amounts described above, plus expenses in handling and inspecting the vehicle. Until you pay this amount, my client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, my client needs return of the monies listed above before a substitute vehicle can be acquired. In addition, any attempt by you or your agents to repossess the car will be wrongful and may subject you to liability for conversion and for wrongful repossession under Uniform Commercial Code §§ 9-503 and 9-507, as well as any other applicable remedies.

If the seller or, if applicable, the assignee, or any creditor subject to the FTC Holder Rule has filed a financing statement covering the goods, I demand, pursuant to Uniform Commercial Code § 9-404, that you file a termination statement within ten (10) days to terminate your security interest, and forward a copy to me. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten (10) days and cooperate in removing the lien, you may be liable under Uniform Commercial Code § 9-404(1) in the amount of $100.00, plus any loss caused to my client by your failure to do so.

To avoid any litigation, my client merely requests the return of fifty (50) percent of the purchase price of the vehicle as compensation for its diminished value due to its defect and payment of our attorneys' fees pursuant to the fee-shifting provisions of the Federal Magnuson-Moss Warranty Act. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more time spent on our part or on the part of your attorneys. A great deal of time, money and effort could be saved by all parties involved with a quick resolution of this claim.

Accordingly, if you wish to resolve this matter amicably, please feel free to contact my office. If the matter has not been resolved within fourteen (14) days from the date of this letter, a lawsuit will be filed.

Sincerely,

NOW COMES the Plaintiff, by and through Plaintiff's attorneys, CONSUMER LEGAL SERVICES, P.C., who complains against the above-named Defendant as follows:

1. Plaintiff is a resident of the [redacted]

22-007438-NZ FILED IN MY OFFICE Cathy M

2. Defendant, FORD MOTOR COMPANY (hereinafter referred to as "Manufacturer"), is a Delaware corporation authorized to do business in the State of Michigan and, at all times relevant hereto, was engaged in the manufacture, sale distribution and/or importing of manufacturer's vehicles and related equipment, with its corporate headquarters in the City of Dearborn, Wayne County, Michigan.

6. This cause of action arises out of Defendant's misrepresentations, various breaches of warranties, breaches of contractual obligations, violations of statutes and breaches of covenants of good faith and fair dealing as hereinafter alleged.

7. The amount in controversy exceeds TWENTY FIVE THOUSAND DOLLARS ($25,000.00), exclusive of interest and costs, for which Plaintiff seeks judgment against Defendant, together with equitable relief. In addition, Plaintiff seeks damages from Defendant for incidental, consequential, exemplary and actual damages including interest, costs, and attorneys' fees.

## COUNT I
## BREACH OF WRITTEN WARRANTY

8. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 7 as though herein fully restated and realleged.

9. Plaintiff is a "buyer" under the Michigan Uniform Commercial Code, MCLA 440.2103; MSA 19.2103.

10. Manufacturer is a "seller" under the Michigan Uniform Commercial Code, MCLA 440.2103; MSA 19.2103.

11. The 2019 Ecosport constitutes "goods" under the Michigan Uniform Commercial Code, MCLA 440.2105; MSA 2105.

12. This is a "transaction in goods", to which MCLA 440.2102; MSA 19.2105 is applicable.

13. Plaintiff's purchase of the 2019 Ecosport was accompanied by warranties, written and otherwise, offered by the Manufacturer. Whereby said warranties were part of the basis of the bargain of the contract, upon which Plaintiff relied, between Plaintiff and Manufacturer for its sale of the vehicle.

14. In its written warranty, the Manufacturer warranted if any defects were discovered within certain periods of time, the Manufacturer would provide repair of the 2019 Ecosport free of charge to Plaintiff under specific terms as stated in the written warranty. Additionally, the subsequent servicing of the subject vehicle at Manufacturer's authorized repair facilities and parts provided were warranted by Defendant.

15. In fact, Plaintiff discovered the 2019 Ecosport had defects and problems after Plaintiff purchased the vehicle as discussed above.

16. Plaintiff notified Manufacturer of the aforementioned defects.

17. Plaintiff has provided the Manufacturer with sufficient opportunities to repair or replace the 2019 Ecosport.

18. Plaintiff has reasonably met all obligations and pre-conditions as provided in the written warranty.

19. The Manufacturer has failed to adequately repair the 2019 Ecosport and/or have not repaired the 2019 Ecosport within a reasonable amount of time.

20. Even though the written warranty provided to Plaintiff limited Plaintiff's remedy to repair and/or adjust defective parts, the 2019 Ecosport's defects have rendered the limited warranty ineffective to the extent the limited remedy of repair and/or adjustment of defective parts failed of its essential purpose pursuant to MCLA 440.2719(2); MSA 19.2719(2); and/or the above remedy is not the exclusive remedy under MCLA 440.2719(1)(b); MSA 19.2719(1)(b).

21. The 2019 Ecosport continues to contain defects which substantially impair the value of the automobile to the Plaintiff.

22. These defects could not reasonably have been discovered by the Plaintiff prior to Plaintiff's acceptance of the 2019 Ecosport.

23. The Manufacturer induced Plaintiff's acceptance of the 2019 Ecosport by agreeing, by means of the written warranties, to remedy, within a reasonable time, those defects which had not been or could not have been discovered prior to acceptance.

24. As a result of its defective nature, the Plaintiff has lost faith and confidence in the 2019 Ecosport and the Plaintiff cannot reasonably rely upon the vehicle for the ordinary purpose of safe, efficient transportation.

25. Plaintiff alleges that as of the date of revocation, the 2019 Ecosport was in substantially the same condition as at delivery except for damage caused by its own defects and ordinary wear and tear and seeks to return the vehicle to Defendant for a refund.

26. If the finder of fact finds revocation and/or return of the vehicle for a refund was improper, then, in the alternative, Plaintiff is entitled to damages for breach of warranty calculated by the difference at the time and place of acceptance between the value of the goods accepted and the value they would have had if they had been as warranted.

27. The Manufacturer has refused Plaintiff's demands and has failed to provide Plaintiff with the remedies to which Plaintiff is entitled, and Defendant's breach of warranty obligations have damaged Plaintiff. (Including, but not limited to, MCLA 440.2313, MCLA 440.2608, MCLA 440.2711, 440.2714 and 440.2715).

WHEREFORE, Plaintiff prays for judgment against Defendant:

A. Declaring acceptance has been properly revoked by Plaintiff and for damages incurred in revoking acceptance;

B. For a refund of the purchase price and finance charges paid by Plaintiff for the 2019 Ecosport;

C. To cancel Plaintiff's retail installment contract and pay off the balance of the contract;

D. For all damages caused by Defendant's breach of written warranty;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. For incidental, consequential and actual damages;

G. For costs, interest and attorneys' fees; and

H. For such other relief this Court deems appropriate.

**COUNT II**
**BREACH OF IMPLIED WARRANTY OF MERCHANTABILITY**

28. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 27 as though herein fully restated and realleged.

29. The Manufacturer is a "merchant" with respect to automobiles and vehicle components under the Michigan Uniform Commercial Code, MCLA 440.2104; MSA 19.2104.

30. The 2019 Ecosport and the replacement parts installed on it were subject to implied warranties of merchantability under MCLA 440.2314; MSA 19.2314, running from the Manufacturer to the benefit of Plaintiff.

31. The 2019 Ecosport and replacement parts installed on it were not fit for the ordinary purpose for which such goods are used and would not pass without objection in the trade.

32. The defects and problems hereinbefore described rendered the 2019 Ecosport and the replacement parts unmerchantable.

33. The Manufacturer failed to adequately remedy the defects in the 2019 Ecosport; and the 2019 Ecosport continued to be in an unmerchantable condition at the time of revocation.

34. Defendant's breach of an implied warranty of merchantability has caused damages to Plaintiff.

WHEREFORE, Plaintiff prays for judgment against Defendant:

A. Declaring acceptance has been properly revoked and for damages incurred in revoking acceptance;

B. For damages caused by the breach of an implied warranty;

C. For a refund of the purchase price paid and finance charges by Plaintiff for the 2019 Ecosport;

D. To cancel Plaintiff's retail installment contract and pay off the balance of the contract;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. For consequential, incidental and actual damages;

G. Costs, interest and attorneys' fees; and

H. Such other relief this Court deems appropriate.

**COUNT III**
**BREACH OF CONTRACT**

35. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 34 as though herein fully restated and realleged.

36. Written warranties and implied warranties accompanied the sale of the 2019 Ecosport to Plaintiff. Written warranties provided the Defendant would repair or adjust all parts (except tires) found to be defective in factory-supplied materials or workmanship.

37. Additionally, each time the vehicle was serviced by a manufacturer authorized repair facility, the Defendant provided a warranty that the repairs were properly performed and merchantable parts were used.

38. The warranties given by the Manufacturer at the time of sale and the vehicles subsequent servicing created a contractual relationship between the Manufacturer and Plaintiff.

39. The Manufacturer has breached its contractual obligations to Plaintiff in that it has failed to properly repair or adjust defective parts covered under the written warranty within a reasonable time.

40. The Manufacturer has breached its contractual obligations to Plaintiff in that it has failed to properly provide a merchantable vehicle at the time of sale and/or has failed to provided merchantable replacement parts during the vehicles subsequent servicing.

41. Plaintiff has been damaged by Defendant's breach of contractual obligations to Plaintiff.

WHEREFORE, Plaintiff prays for judgment against Defendant:

A. Damages incurred by Plaintiff created by Defendant's breach of contract, including all monies paid for the purchase of the 2019 Ecosport;

B. For return of an amount equal to Plaintiff's down payment and all payments made by Plaintiff to the Defendant;

C. For incidental, consequential, and actual damages;

D. To cancel Plaintiff's retail installment contract and pay off the balance of the contract;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. For all damages caused by a Defendant's breach of its contractual obligation to Plaintiff.

G. For costs and expenses, interest, and attorneys' fees; and

H. Such other relief this Court deems appropriate.

**COUNT IV**
**BREACH OF WRITTEN WARRANTY UNDER**
**MAGNUSON-MOSS WARRANTY ACT**

42. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 41 as though herein fully restated and realleged.

43. Plaintiff is a "consumer" as defined in the Magnuson-Moss Warranty Act (hereinafter referred to as the "Warranty Act") 15 USC 2301(3).

44. The Manufacturer is a "supplier" and "warrantor" as defined by the Warranty Act, 15 USC 2301(4) and (5).

45. The 2019 Ecosport and the replacement parts are "consumer products" as defined in the Warranty Act, 15 USC 2301(1).

46. The 2019 Ecosport was manufactured, sold and purchased after July 4, 1975.

47. The written warranties given by the Manufacturer pertaining to the 2019 Ecosport are "written warranties" as defined in the Warranty Act, 15 USC 2301(6).

48. The above-described actions, (including, but not limited to, failure to honor the written warranty, failure to properly repair the vehicle and/or failure repair the above-mentioned defects within a reasonable amount of time, etc.), constitute a breach of the written warranty by the Manufacturer actionable under the Warranty Act, 15 USC 2310(d)(1) and (2).

WHEREFORE, Plaintiff prays for judgment against Defendant:

A. Declaring acceptance has been properly revoked by Plaintiff and for damages incurred in revoking acceptance;

B. For a refund of the purchase price paid and finance charges by Plaintiff for the 2019 Ecosport;

C. To cancel Plaintiff's retail installment contract and pay off the balance of the contract;

D. For all damages caused by Defendant's breach of written warranty;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. For consequential, incidental and damages;

G. For costs, interest and attorneys' fees; and

H. Such other relief this Court deems appropriate.

## COUNT V
## REVOCATION OF ACCEPTANCE

49. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 48 as though herein fully restated and realleged.

50. Plaintiff accepted the 2019 Ecosport without discovering the above defects and/or nonconformities due to the fact Plaintiff was reasonably induced to accept the vehicle by the difficulty of discovery of the above defects and/or nonconformities.

51. In the alternative, Plaintiff reasonably assumed, and Manufacturer represented, that all of the aforesaid defects and/or nonconformities would be cured within a reasonable time.

52. After numerous attempts by Defendant to cure, it has become apparent the defects and/or nonconformities could not be seasonably cured.

53. The nonconformities and/or defects substantially impaired the value of the 2019 Ecosport to the Plaintiff.

54. Plaintiff had previously notified Manufacturer of the defects and/or nonconformities and Plaintiff's intent to revoke acceptance pursuant to MCLA 440.2608; MSA 19.2608 and demanded the refund of his purchase price for the 2019 Ecosport and out-of-pocket expenses. (Including, but not limited to, Plaintiff's letter attached as Exhibit C).

55. Manufacturer has nevertheless refused to accept return of the 2019 Ecosport and has refused to refund any part of the sum equal to the purchase price and out-of-pocket expenses incurred by Plaintiff.

WHEREFORE, Plaintiff prays for judgment against Defendant:

A. Declaring acceptance has been properly revoked by Plaintiff and for damages incurred in revoking acceptance;

B. For a refund of the purchase price paid and finance charges by Plaintiff for the 2019 Ecosport;

C. To cancel Plaintiff's retail installment contract and pay off the balance of the contract;

D. For consequential, incidental and actual damages;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. Costs, interest and attorneys' fees; and

G. Such other relief this Court deems appropriate.

**COUNT VI**
**BREACH OF IMPLIED WARRANTY UNDER**
**MAGNUSON-MOSS WARRANTY ACT**

56. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 55 as though herein fully stated and realleged.

57. The above-described actions on the part of the Manufacturer constitute a breach of the implied warranties of merchantability actionable under the Warranty Act, 15 USC 2301(7), 2308, 2310(d)(1) and (2).

WHEREFORE, Plaintiff prays for judgment against Defendant:

A. Declaring acceptance has been properly revoked by Plaintiff and for damages incurred in revoking acceptance;

B. For a refund of the purchase price paid and finance charges by Plaintiff for the 2019 Ecosport;

C. To cancel Plaintiff's retail installment contract and pay off the balance of the contract;

D. For all damages caused by the breach of an implied warranty;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. For consequential, incidental and actual damages;

G. For costs, interest and attorneys' fees; and

H. Such other relief this Court deems appropriate.

**COUNT VII**
**RESCISSION OF CONTRACT**

58. Plaintiff incorporates herein by reference each and every allegation contained in Paragraphs 1 through 57 as though herein fully restated and realleged.

59. Written warranties and implied warranties accompanied the delivery of the 2019 Ecosport to Plaintiff. The written warranties provided that the Defendant would repair or adjust all parts (except tires) found to be defective in factory-supplied materials or workmanship.

60. The sale of the vehicle and the written warranty, given by the Manufacturer and created a contractual relationship between the Manufacturer and Plaintiff.

61. The Manufacturer has breached the written warranty contract obligations in that it has failed to repair or adjust defective parts covered under the limited warranty, has failed to do the same within the limited warranty coverage period, and within a reasonable time.

62. The Manufacturer has breached the implied warranty obligations in that it has failed to provide a merchantable vehicle to Plaintiff.

63. The Manufacturer's breaches of obligations owed to Plaintiff have resulted in a failure of consideration justifying rescission of contract.

64. Without a judicial declaration that the contract has been rescinded, Plaintiff will suffer irreparable and substantial harm if the consideration paid by Plaintiff and damages sustained by Plaintiff, together with interest, are not restored.

WHEREFORE, Plaintiff prays for judgment and the following relief against Defendant:

A. That this Court order a rescission of the sale contract by having the Defendant refund all monies paid by Plaintiff, terminate the sale contract, requiring Defendant to pay off the balance of the contract and all termination fees, and allowing Plaintiff to return the 2019 Ecosport to the Defendant;

B. For damages incurred by Plaintiff created by Defendant's breach of contract, including, but not limited to all monies paid or amounts owed under the sale of the 2019 Ecosport;

C. For return of an amount equal to Plaintiff's down payment and all payments made by Plaintiff under the sale;

D. For termination of the sale contract, requiring Defendant to pay off the balance of the contract and all termination fees;

E. Plaintiff's return of the vehicle for a refund to Defendant under Davis v Forest River, 485 Mich 941 (2009), and for damages incurred in revoking acceptance;

F. For incidental, consequential, exemplary and actual damages;

G. For costs and expenses, interest, and attorneys' fees;

H. To rescind the contract; and

I. Such other equitable relief this Court deems appropriate.

Mr. [redacted] intends to hold Ford Motor Company liable for all other foreseeable damages due to the nonconforming vehicle and breach of warranty, including, but not limited to, attorneys' fees incurred with enforcing his rights pursuant to the following: M.C.L.A. 440.2313, M.C.L.A. 440.2314, 15 USC 2310(d)(2), M.C.L.A. 440.2714, M.C.L.A. 440.2715, M.C.L.A 440.2719, Kelynack v Yamaha Motor Corp, USA, 152 Mich App 105, 110-111 (1986), Davis v Forest River, 485 Mich 941 (2009), Cady v. nonconforming subject vehicle, refund all the money expended by plaintiffs, pay the difference between the value of the subject vehicle as accepted and the value the subject vehicle would have had if it had been as warranted and/or pay damages under Commercial Code section 2711, 2714 and 2715. Defendants, and each of them, have refused to comply.

20. Plaintiffs hereby give written notice and make demand upon Defendant FORD MOTOR COMPANY for replacement and restitution pursuant to the Act. Defendants, and each of them, knew of their obligations under the Act; however, despite plaintiffs' demand, Defendants, and each of them, have intentionally failed and refused to make restitution or replacement pursuant to the Act.

21. As a result of the acts and/or omissions of Defendants, and each of them, plaintiffs have sustained damage in the amount actually paid or payable under the contract, plus prejudgment interest thereon at the legal rate. Plaintiffs will seek leave to amend this Complaint to set forth the exact amount thereof when that amount is ascertained.

22. As a further result of the actions of Defendants, and each of them, plaintiffs have sustained incidental and consequential damages in an amount yet to be determined, plus interest thereon at the legal rate. Plaintiffs will seek leave to amend this Complaint to set forth the exact amount of incidental damages when the amount is ascertained.

23. As a further result of the actions of Defendants, and each of them, plaintiffs have sustained damages equal to the difference between the value of the subject vehicle as accepted and the value of the subject vehicle would have had if it had been as warranted.

24. As a direct result of the acts and/or omissions of Defendant, and each of them, and in pursuing plaintiffs' claim, it was necessary for plaintiffs to retain legal counsel. Pursuant to the Act, plaintiffs, in addition to plaintiffs' other remedies, are entitled to the recovery of a sum equal to the aggregate amount of costs and expenses reasonably incurred by plaintiffs in connection with the commencement and prosecution of this action, including plaintiffs' attorneys' fees based upon actual time expended.

## SECOND CAUSE OF ACTION

### Breach of Express Warranty Under the Act

### Against all Defendants

25. Plaintiffs incorporate herein by reference each and every allegation contained in the preceding and succeeding paragraphs as though herein fully reinstated and re-alleged.

26. The subject vehicle has defects and nonconformities covered by the written warranty that substantially impair the subject vehicle's use, value and/or safety to plaintiffs.

27. Plaintiffs delivered the subject vehicle to Defendant FORD MOTOR COMPANY and/or its authorized repair facilities for repair of the defects and nonconformities.

28. Defendants, and each of them, failed to service or repair the subject vehicle to conform to the written warranty after a reasonable number of opportunities to do so.

29. The acts and/or omissions of Defendants, and each of them, in failing to conform the subject vehicle to the written warranty constitutes a breach of the express warranty provided by Defendant FORD MOTOR COMPANY, thereby breaching Defendants' obligations under the Act.

30. Defendants, and each of them, failed to perform the necessary service and/or repairs to the subject vehicle in a good and workmanlike manner and were insufficient to conform the subject vehicle to the written warranty, in violation of Defendants' obligations under the Act.

31. Defendant FORD MOTOR COMPANY has an affirmative obligation under the Act to provide a replacement or restitution pursuant to the Act. Defendants, and each of them, knowing their obligations under the Act, failed and refused to provide a replacement or restitution under the Act. The failure of Defendants, and each of them, to provide a replacement or refund the price paid and payable was intentional and plaintiffs are entitled to an award of a civil penalty in an amount not to exceed two times plaintiffs' actual damages.

32. As a result of the acts and/or omissions of Defendants, and each of them, and pursuant to the Act, plaintiffs are entitled to replacement of the subject vehicle or restitution of the amount actually paid or payable under the contract, at plaintiffs' election, plus prejudgment interest thereon at the legal rate. Plaintiffs will seek leave to amend this Complaint to set forth the exact amount of restitution and interest, upon election, when that amount is ascertained.

Ventura Superior Court Accepted through Electronically Submitted 12-22-2023 at 14:00:00 PM

33. As a further result of the acts and/or omissions of Defendants, and each of them, and pursuant to the Act, plaintiffs have sustained and are entitled to incidental and consequential damages in an amount yet to be determined, plus interest thereon at the legal rate. Plaintiffs will seek leave to amend this Complaint to set forth the exact amount of incidental and consequential damages when the amount is ascertained.

34. As a direct result of the acts and/or omissions of Defendant, and each of them, and in pursuing plaintiffs' claim, it was necessary for plaintiffs to retain legal counsel. Pursuant to the Act, plaintiffs, in addition to plaintiffs' other remedies, are entitled to the recovery of a sum equal to the aggregate amount of costs and expenses reasonably incurred by plaintiffs in connection with the commencement and prosecution of this action, including plaintiffs' attorneys' fees based upon actual time expended.

WHEREFORE, plaintiffs pray for judgment against defendants as follows:

1. For general, special and actual damages according to proof at trial;
2. For rescission of the purchase contract and restitution of all monies expended;
3. For diminution of value;
4. For remedies provided in Chapters 6 and 7 of Division 2 of the Commercial Code;
5. For incidental and consequential damages according to proof at trial;
6. For civil penalty in the amount of two times plaintiffs' actual damages;
7. For prejudgment interest at the legal rate;
8. For reasonable attorneys' fees and costs of suit; and
9. For such other and further relief as the Court deems just and proper under the circumstances.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

Dear Sir/Madam:

Please be advised that this office represents the above-named individual regarding claims against your company pursuant to the State Lemon Law and/or the Federal Magnuson-Moss Warranty Act with regard to the above-listed vehicle. Please direct all future contacts and correspondence to our office.

**Having been formally notified of our representation, you are instructed not to contact our client under any circumstances. Direct all inquiries to this office. If you fail to act in conformity with this directive, injunctive relief will be sought against you.**

**Pursuant to 15 U.S.C. 2310(d), you are hereby notified that any settlement made with our client requires payment of our attorneys' fees. If you settle directly with our client and do not make arrangements for payment of our attorneys' fees, we will file suit against you. In addition, you are hereby notified of our attorneys' lien.**

There is a defect/nonconformity present in my client's vehicle for which relief is sought and numerous attempts to repair the vehicle have been unsuccessful. The defect/nonconformity includes, but is not limited to:

1. Defective engine/electrical system as evidenced by no crank, failure to turn over and coolant leak; and

2. Any additional defects/nonconformities, whether or not they are contained on any dealer repair orders.

Because of the defect/nonconformity, my client has justifiably lost confidence in the vehicle. As one court has stated:

> For a majority of people the purchase of a new car is a major investment, rationalized by the peace of mind that flows from its dependability and safety. Once their faith is shaken, the vehicle loses not only its real value in their eyes, but becomes an instrument whose integrity is substantially impaired and whose operation is fraught with apprehension. Zabriskie Chevrolet, Inc. v. Smith, 240 A.2d 195.

Concerning the amount of grief a person must endure, one court expressed the consumer's lament in the following manner:

> There comes a time when enough is enough – when an automobile purchaser, after having to take his car into the shop for repairs an inordinate number of times and experiencing all of the attendant inconvenience, is entitled to say, "That's all," and revoke, notwithstanding the repeated good faith efforts to fix the car. Rester v. Morrow, 491 So.2d 204.

My client's repair history clearly shows there was a breach of both written and implied warranties:

> Based upon the generally accepted rule that an unsuccessful effort to remedy defects found to exist renders the warrantor liable; the buyer is not bound to allow him the opportunity or permit him to tinker with the article indefinitely in the hope that it may ultimately be made to comply with the warranty. Kure v. Chevrolet Motor Division, 581 P.2d 603.

Therefore, you are hereby notified that my client is revoking acceptance of this vehicle as the defect/nonconformity listed above constitutes a substantial impairment of the use, value and/or safety of the vehicle. My client has directed me to demand the cancellation of the contracts and the return of all funds paid towards this vehicle, including any trade-in value given, all collateral charges, finance charges and incidental and consequential damages.

Please be advised that pursuant to Uniform Commercial Code § 2-711(3), my client has a security interest in the vehicle for return of the amounts described above, plus expenses in handling and inspecting the vehicle. Until you pay this amount, my client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest and to minimize your damages. Moreover, my client needs return of the monies listed above before a substitute vehicle can be acquired. In addition, any attempt by you or your agents to repossess the vehicle will be wrongful and may subject you to liability for conversion and for wrongful repossession under Uniform Commercial Code §§ 9-503 and 9-507, as well as any other applicable remedies.

If the seller or, if applicable, the assignee, or any creditor subject to the FTC Holder Rule has filed a financing statement covering the goods, I demand, pursuant to Uniform Commercial Code § 9-404, that you file a termination statement within ten days to terminate your security interest, and forward a copy to me. Should you elect to make a final repair attempt, please contact me directly within the next ten days. If I do not hear from you within the stated time, you waive your right to a final repair attempt. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten (10) days and cooperate in removing the lien, you may be liable under Uniform Commercial Code § 9-404(1) in the amount of $100.00, plus any loss caused to my client by your failure to do so.

To avoid any litigation, my client requests a refund for the defective vehicle plus payment of our attorneys' fees pursuant to the fee-shifting provisions of the State Lemon Law and the Federal Magnuson-Moss Warranty Act. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more time spent on our part or on the part of your attorneys. A great deal of time, money and effort will be saved by all parties involved with a quick resolution of this claim.

Accordingly, if you wish to resolve this matter amicably, please feel free to contact my office. If the matter has not been resolved within fourteen (14) days from the date of this letter, a lawsuit will be filed.

Sincerely,

Dear Sir/Madam:

Please be advised that this office represents the above named individual regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of [redacted] claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our client has experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle is a violation of the Georgia Lemon Law and Magnuson-Moss Warranty Act. As such, our client respectfully requests that Ford Motor Company comply with the above statutes and pay all attorney fees and costs.

Please be further advised that all communication regarding this matter must be directed to my office. This offer and all of its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

Dear Sir or Madam:

Pursuant to California Civil Code 1793.22(b)(3), please be advised that this office represents the above-named individual regarding claims against your company pursuant to the California Song-Beverly Consumer Warranty Act ("Lemon Law") and the Federal Magnuson-Moss Warranty Act with regard to the above-referenced vehicle. Please direct all future contacts and correspondences to our office.

Having been formally notified of our representation, you are instructed not to contact our client under any circumstances. Direct all inquiries to this office. If you fail to act in conformity with this directive, injunctive relief will be sought against you.

Pursuant to California Civil Code 1794(d) and/or 15 U.S.C. 2310(d), you are hereby notified that any settlement made with our clients requires payment of our attorneys' fees. If you settle directly with our client and do not make arrangements for payment of our attorneys' fees, we will file suit against you. In addition, you are hereby notified of our attorneys' lien.

There are numerous defects and non-conformities present in my client's automobile for which relief is sought, and numerous attempts to repair the vehicle have been unsuccessful. These defects and nonconformities include, but are not limited to:

1. Defective ENGINE (Replaced) – vehicle shut off while driving - (**Serious Warranty Defect**) - **at least 3 failed repair attempts**;
2. Defective Turbo Charger (**Serious Warranty Defect**) – **at least 2 failed repair attempts;**
3. Any additional complaints made by my clients, whether or not they are contained in your company's records or repair orders.

**21550 Oxnard St. Suite 830 Woodland Hills, CA 91367**
**Tele: 818.960.6600 Fax:818.659.7280**

The defects and non-conformities listed above constitute a substantial impairment of the use, value and safety of the vehicle. As you can see in your records, my client has been most accommodating with respect to the constant and continuing problems with this vehicle. Despite numerous attempts at repair by Galpin Ford dealerships, the vehicle remains defective, and therefore there has been a failure and refusal to conform the product to its expressed and implied warranties under the law. Because of these defects and non-conformities, my client has justifiably lost all confidence in the vehicle. In fact, the vehicle shut off on our client while driving on the highway and placed our client's safety in serious jeopardy. Moreover, my client's Ford Eco Sport has been at the dealership for warranty-based repairs for over ***100 days***. When my client purchased a new Ford, she did not expect to receive a defective vehicle presenting numerous, continuous, and serious defects causing the ***potential for death or serious bodily harm***. **Consequently, per the above-referenced California statute applicable to this matter, our client's vehicle satisfies all of the criteria for a vehicle to be deemed a "Lemon" and subsequently giving rise to Ford Motor Company's legal obligation to repurchase the subject vehicle**.

Therefore, you are hereby notified that my client is **revoking acceptance of this vehicle**. My client has directed me to demand cancellation of the contracts and the return of all funds paid towards this vehicle, including any trade-in value given, all collateral charges, finance charges and incidental and consequential damages.

To avoid litigation, my client is merely requesting a refund for the defective vehicle, plus payment of our attorneys' fees pursuant to the fee-shifting provisions of the Lemon Law and/or Federal Magnusson-Moss Warranty Act. Our attorneys' fees are minimal at this stage ***($7,620.00 to date***) and we would prefer to resolve this matter amicably without the need for protracted litigation. A great deal of time, money and effort could be saved by all parties involved with a quick resolution of this claim. In the alternative of a trial, we will seek ***actual damages plus a civil penalty of twice the actual damages, plus our attorneys' fees and any other relief the court deems proper***.

Accordingly, in order to resolve this matter, please feel free to contact our office. If the matter has not been resolved within ***(21) days*** from the date of this letter, a lawsuit will be filed

GALPIN CHARGES FOR REPAIR LABOR ARE NOT BASED ON ACTUAL MECHANIC'S TIME SPENT ON THE JOB. Rather, you are given a menu price which will be quoted to you and authorized by you in advance of the prescribed repair. If we discover that different or additional repairs are appropriate, you will be contacted for your advance approval of a revised quotation. Our menu prices are computed internally by multiplying our retail hourly labor rate by a time factor allotted to the repair. This time factor and our menu prices are based on our evaluation of the complexity of the work required, our costs for doing business, and, of course, our desire to remain competitive.
We believe our menu pricing is advantageous to our customers because your price for a prescribed repair remains the same regardless of how long the repair actually takes to be completed.

GALPIN CHARGES FOR REPAIR LABOR ARE NOT BASED ON ACTUAL MECHANIC'S TIME SPENT ON THE JOB. Rather, you are given a menu price which will be quoted to you and authorized by you in advance of the prescribed repair. If we discover that different or additional repairs are appropriate, you will be contacted for your advance approval of a revised quotation. Our menu prices are computed internally by multiplying our retail hourly labor rate by a time factor allotted to the repair. This time factor and our menu prices are based on our evaluation of the complexity of the work required, our costs for doing business, and, of course, our desire to remain competitive.

We believe our menu pricing is advantageous to our customers because your price for a prescribed repair remains the same regardless of how long the repair actually takes to be completed.

Dear Sir/Madam:

Please be advised that this office represents the above named individual regarding claims against Ford Motor Company concerning defects with the above listed vehicle. This letter shall serve as notice of Ms. Sassin's claim. At this time, we have been authorized to attempt to resolve this matter without filing a lawsuit by submitting this claim to you.

Our client has experienced numerous problems with this vehicle. The limited written warranty provides that Ford Motor Company or its authorized dealerships will repair or replace all parts found to be defective in factory-supplied materials or workmanship. It is my client's position that Ford Motor Company's inability to repair this vehicle is a violation of the Michigan Lemon Law and Magnuson-Moss Warranty Act. As such, our client respectfully requests that Ford Motor Company comply with the above statutes and pay all attorney fees and costs.

Please be further advised that all communication regarding this matter must be directed to my office. This offer and all of its contents are for settlement purposes only. Thank you for your time and attention. I look forward to hearing from you.

Very truly yours

**DISCLAIMER OF WARRANTIES:** Any Warranties on the products sold hereby are those made by the manufacturer. The Dealer hereby expressly disclaims all warranties, either expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of said products.

**NOTICE TO CREDIT BUYER**

If this order involves credit, this form shall be deemed an offer by the purchaser to the Dealer to purchase the above described vehicle on credit, on terms described above, and an authorization for the Dealer to secure any and all information from any source to determine the credit worthiness of the purchaser. No contractual relationship is created hereby. Full disclosure required by the Federal Consumer Protection Act will be made prior to consummation of a credit transaction by purchaser's signature to an installment Sale Contract.

**PLEASE REVIEW - IMPORTANT - AFFECTS YOUR LEGAL RIGHTS**

1. **EITHER YOU OR WE MAY CHOOSE TO HAVE ANY DISPUTE BETWEEN US DECIDED BY ARBITRATION AND NOT IN COURT OR BY JURY TRIAL.**
2. **IF A DISPUTE IS ARBITRATED, YOU WILL GIVE UP YOUR RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR CLASS MEMBER ON ANY CLASS CLAIM YOU MAY HAVE AGAINST US INCLUDING ANY RIGHT TO CLASS ARBITRATION OR ANY CONSOLIDATION OF INDIVIDUAL ARBITRATIONS.**
3. **DISCOVERY AND RIGHTS TO APPEAL IN ARBITRATION ARE GENERALLY MORE LIMITED THAN IN A LAWSUIT, AND OTHER RIGHTS THAT YOU AND WE WOULD HAVE IN COURT MAY NOT BE AVAILABLE IN ARBITRATION.**

In this Arbitration Agreement, "you" refers to the buyer(s) signing below. "We, us and our" refer to the Dealer signing below and anyone to whom the Dealer assigns this Arbitration Agreement.

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Clause, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, purchase or condition of this vehicle, this contract or any resulting transaction or relationship (including any such relationship with third parties who do not sign this contract) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Clause shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose one of the following arbitration organizations and its applicable rules: the National Arbitration Forum, Box 50191, Minneapolis, MN 55405-0191 (www.arb-forum.com), the American Arbitration Association, 335 Madison Ave., Floor 10, New York, NY 10017-4605 (www.adr.org), or any other organization that you may choose subject to our approval. You may get a copy of the rules of these organizations by contacting the arbitration organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law in making an award. The arbitration hearing shall be conducted in the federal district in which you reside unless the Creditor-Seller is a party to the claim or dispute, in which case the hearing will be held in the federal district where this contract was executed. We will advance your filing, administration, service or case management fee and your arbitrator or hearing fee all up to a maximum of $1500, which may be reimbursed by decision of the arbitrator at the arbitrator's discretion. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Clause, then the provisions of this Arbitration Clause shall control. The arbitrator's award shall be final and binding on all parties, except that in the event the arbitrator's award for a party is $0 or against a party is in excess of $100,000, or includes an award of injunctive relief against a party, that party may request a new arbitration under the rules of the arbitration organization by a three-arbitrator panel. The appealing party requesting new arbitration shall be responsible for the filing fee and other arbitration costs subject to a final determination by the arbitrators of a fair apportionment of costs. Any arbitration under this Arbitration Clause shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et. seq.) and not by any state law concerning arbitration.

You and we retain any rights to self-help remedies, such as repossession. You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate by using self-help remedies or filing suit. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Clause shall survive any termination, payoff or transfer of this contract. If any part of this Arbitration Clause, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Clause shall be unenforceable.

The parties agree that they will first mediate any dispute involving the purchase of this vehicle pursuant to Chapter 154 of the Texas Civil Practices and Remedies Code and should such mediation be unsuccessful, the parties then agree to binding arbitration under the above-described Arbitration Clause.

Dear Sir/Madam:

Please be advised that this law firm represents the legal interests [redacted] relating to the purchase of the above-mentioned vehicle. Let this letter serve as notification that you immediately cease and desist all communications with our client. The only exception is the dealership may communicate with the client in reference to future repairs. Moreover, if you make any attempts to settle with our client without including all statutory relief, including all damages attorney fees and costs the consumer is entitled to, we may file suit against you. This letter hereby notifies you of our attorney's lien with respect to our client.

Please let this letter also serve as notification that our client's vehicle is defective. The vehicle has been brought in for repairs several times for numerous defects and although you have been afforded sufficient opportunities for repairs, the defects continue to exist and substantially impair the use and value and/or safety of the vehicle. If you are interested in any further repairs pursuant to the Lemon Law you must contact me immediately. Our client demands that you immediately take action as required by law.

This letter shall also serve as our client's Revocation of Acceptance pursuant to the Uniform Commercial Code § 2608 and notice of defect under the Lemon Law. Due to the serious defects with the Vehicle since its purchase, our client hereby demands a return of the full purchase price along with all interest paid on the finance note as well as attorney fees and incidental and consequential damages within 10 days of receipt of this letter to settle this matter prior to filing a lawsuit.

Please be advised that if you do not adhere to our demands within 10 days, our client has instructed me to file a lawsuit against you asserting claims that include, but in no way are limited to, breach of warranties, both express and implied, violation of the Magnuson Moss Warranty Act, violation of the Lemon Law, revocation of acceptance, and common law breach of contract. Please direct all future communication to my attention.

Respectfully submitted,

Dear Case Manager:

Please be advised that this office has been retained [redacted] above-referenced vehicle which was obtained from Kings Ford (9555 Kings Auto Mall Rd, Cincinnati, Ohio 45249). Since that time, our client's vehicle has undergone repeated repair attempts for a number of defects and nonconformities. As a result, our client has been forced to seek full relief pursuant to state and federal consumer product warranty laws.

The vehicle's primary defects and nonconformities include, but are not limited to, the following:

1. Leaks;
2. Engine;
3. Any and all additional complaints actually made, whether contained on company invoices or otherwise.

These nonconformities substantially impair the use, value and safety of the subject vehicle as defined under the Ohio Lemon Law, the Magnuson-Moss Warranty Act and the Ohio Uniform Commercial Code. Because the "purchase of a new car is a major investment [which is] rationalized by the peace of mind that flows from its dependability and safety...," these defects have understandably caused our client to

lose all faith and confidence in the vehicle's integrity. Zabriskie Chevrolet, Inc. v. Smith, 240 A.2d 195 (N.J. Super. Ct. 1968).

Therefore, you (and the authorized dealer) are hereby notified that our client is revoking acceptance of the vehicle effective immediately. Our client has directed us to demand the return of any and all funds paid towards this vehicle, to rescind the contracts, and to seek compensation for any incidental and consequential damages, including attorney's fees. Please inform this office of the procedure whereby our client may return the vehicle and recoup these expenses. DO NOT CONTACT OUR CLIENT UNDER ANY CIRCUMSTANCES AND DIRECT ALL INQUIRIES TO ONE OF OUR LAW OFFICES.[1]

If you wish to resolve this matter expeditiously or merely apprise us of your position, please contact this office as soon as possible. Knowing we have to wait up to forty (40) days for an arbitration decision prior to filing with the court, we will be preparing the arbitration application immediately. If we do not hear anything from you and/or we receive an unfavorable decision from the arbitration panel, we have been directed to commence formal legal proceedings against you.[2]

Sincerely,

KAHN & ASSOCIATES, L.L.C.

[redacted]

[1]Until this matter is resolved, our client reserves the right to make appointments to have current and future defects repaired by any authorized dealer of the consumer's choice, especially while the vehicle remains under warranty.

2 However, if the consumer has already completed the informal arbitration process, we will begin preparing a formal complaint to be filed with the Court in fourteen (14) days.

[redacted] notice for an opportunity to correct the defects specified below. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting Florida consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service at least fifty (50) days and subject to repair due to the engine failure and remains unrepaired.

The defects in the vehicle constitute a breach of warranty, in that they substantially impair its use, value, and safety to the client. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the vehicle until the purchase price is returned, plus expenses in handling and inspecting the vehicle. Until you pay this amount, our client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the vehicle will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Sergei Lemberg*

Dear Sir/Madam:

Please be advised that this law firm represents the legal interests of [redacted] lating to the purchase of the above-mentioned vehicle. Let this letter serve as notification that you immediately cease and desist all communications with our client. The only exception is the dealership may communicate with the client in reference to future repairs. Moreover, if you make any attempts to settle with our client without including all statutory relief, including all damages attorney fees and costs the consumer is entitled to, we may file suit against you. This letter hereby notifies you of our attorney's lien with respect to our client.

Please let this letter also serve as notification that our client's vehicle is defective. The vehicle has been brought in for repairs several times for numerous defects and although you have been afforded sufficient opportunities for repairs, the defects continue to exist and substantially impair the use and value and/or safety of the vehicle. If you are interested in any further repairs pursuant to the Lemon Law you must contact me immediately. Our client demands that you immediately take action as required by law.

This letter shall also serve as our client's Revocation of Acceptance pursuant to the Uniform Commercial Code § 2608 and notice of defect under the Lemon Law. Due to the serious defects with the Vehicle since its purchase, our client hereby demands a return of the full purchase price along with all interest paid on the finance note as well as attorney fees and incidental and consequential damages within 10 days of receipt of this letter to settle this matter prior to filing a lawsuit.

Please be advised that if you do not adhere to our demands within 10 days, our client has instructed me to file a lawsuit against you asserting claims that include, but in no way are limited to, breach of warranties, both express and implied, violation of the Magnuson Moss Warranty Act, violation of the Lemon Law, revocation of acceptance, and common law breach of contract. Please direct all future communication to my attention.

Respectfully submitted,

## VEHICLE MAINTENANCE, INSURANCE AND USE

**20. VEHICLE USE AND SUBLEASING** You will not use, or permit others to use the Vehicle (a) in violation of any law, (b) contrary to the provisions of any insurance policies covering the Vehicle, (c) outside the state where first titled or registered for more than **30** days without Finance Company's written consent, (d) outside the United States, except for less than **30** days in Canada or Mexico or (e) as a private or public carrier. You will keep this lease and Vehicle free of all liens and encumbrances. **You will not assign or sublease any interest in the Vehicle or lease without Finance Company's written consent.**

**21. IMPLIED WARRANTIES If the Vehicle is of a type normally used for personal use and the Lessor, or the Vehicle's manufacturer, extends a written warranty or service contract covering the Vehicle within 90 days from the date of this lease, You get implied warranties of merchantability and fitness for a particular purpose covering the Vehicle. Otherwise, You understand and agree that there are no such implied warranties, except as otherwise required by law.**

**22. VEHICLE MAINTENANCE AND OPERATING COSTS** Proper Vehicle maintenance is Your responsibility. You must maintain and service the Vehicle at Your own expense, using materials that meet the manufacturer's specifications. This includes following the owner's manual and maintenance schedule, documenting maintenance performed, and making all needed repairs. You are also responsible for all operating costs such as gas and oil. Lessor will provide the service(s), if any, identified in the Lessor Services section under the terms of a separate agreement. (See Lessor Services, Item 17)

**23. COLLISION REPAIR** You are responsible for repairs of **All Damage** that is not a result of normal wear and use. These repairs include, but are not limited to, those necessary to return the Vehicle to its pre-accident condition, including repairs to **Exterior Sheet Metal and Plastic Components,** and to **Vehicle Safety Systems,** including air bag, seat belt and bumper system components. Replacement of Sheet Metal and all other repairs must be made with Original Equipment Manufacturer parts. Discuss this requirement with Your insurance company prior to authorizing any collision repair work.

**24. VEHICLE INSURANCE** You must insure the Vehicle and the Holder as set forth on the front of this lease under Item 14, "Vehicle Insurance Minimums." If the state where You title/register the Vehicle establishes higher Vehicle Insurance Minimums than those listed on the front of this lease, You must insure the Vehicle and Holder at the amounts required by Your state. If You move to a state where Finance Company has established higher Vehicle Insurance Minimums than those listed on the front of this lease, You must insure the Vehicle and Holder for these higher amounts. **These amounts are minimum requirements and may not be sufficient to protect Your assets. You should consult Your insurance advisor to determine if additional insurance coverage is right for You.**

You agree that Finance Company can file a claim under the insurance policy. You authorize the insurance company to provide Finance Company any information Finance Company believes necessary to make a claim. You agree that Finance Company may receive and sign Your name on any checks or drafts received by Finance Company from Your insurance provider. In addition, You authorize Finance Company to settle or release any claim under the insurance related to Holder's ownership of the Vehicle. You also assign to Holder any other insurance proceeds related to this lease or Holder's interest in the Vehicle.

**25. RETURNED INSURANCE PREMIUMS AND SERVICE CONTRACT CHARGES** This lease may contain charges for insurance, service contracts, or other contracts. You agree that Finance Company can claim benefits under these contracts. Unless prohibited by law, Finance Company may upon default or termination cancel these contracts to obtain refunds of unearned charges. You authorize Finance Company to subtract any refund from the amount You owe under this lease. If You receive a refund, You must pay the entire amount of the refund to Finance Company.

## ENDING YOUR LEASE

**26. TERMINATION** This lease will terminate (end) upon (a) the end of the term of this lease, (b) the return of the Vehicle to Lessor, or another place designated by Finance Company, and (c) the payment by You of all amounts owed under this lease. Finance Company may cancel this lease if You default.

**27. RETURN OF VEHICLE** If You do not buy the Vehicle at lease end, You must return it to Lessor unless Finance Company specifies another place. Prior to the scheduled return of the Vehicle, You may be requested to present the Vehicle for inspection at a reasonable time and location. **Upon return of the Vehicle, You must pay the disposition fee, if any is shown on the front of the lease under Item 3 "Other Charges."** If You fail to return the Vehicle within 10 days after Your scheduled termination date, You will be charged one Monthly Payment and Your term will be extended one month. If You continue to fail to return the Vehicle You must pay damages to Finance Company, including amounts payable under default. Payment of these amounts will not allow You to keep the Vehicle.

**28. STANDARDS FOR EXCESS WEAR AND USE** You are responsible for all repairs to the Vehicle that are not the result of normal wear and use. These repairs include, but are not limited to those necessary to repair or replace: (a) **Tires** that have sidewall damage/plugs, exposed cords/belts, or are unmatched for Vehicle or unsafe; (b) **Electrical or Mechanical** defects or malfunctions; (c) **Glass, Paint, Body Panels, Trim and Grill Work** that are broken, mismatched, chipped, scratched, pitted, cracked, or if applicable, dented; (d) **Interior** rips, stains, burns or damaged areas; (e) **Replacement** of any missing equipment or parts that were in or on the vehicle when delivered; and (f) **All Damage** which would be covered by collision or comprehensive insurance whether or not such insurance is actually in force. Replacement of Sheet Metal and all other repairs must be made with Original Equipment Manufacturer parts. Your use or repair of the Vehicle must not invalidate any warranty. If You have not had the repairs made before the Vehicle is returned at the scheduled end of this lease, You will pay the estimated costs of such repairs, even if the repairs are not made prior to Holder's sale of the Vehicle. You will maintain the **Odometer** of the Vehicle so that it always reflects the Vehicle's actual mileage. If the odometer is at any time inoperative, You will provide us with reasonable evidence of the Vehicle's actual mileage at vehicle return. If You are unable to do so, You will pay us our estimate of any reduction of the Vehicle's wholesale value caused by the inability to determine the Vehicle's actual mileage.

**29. VOLUNTARY EARLY TERMINATION AND RETURN THE VEHICLE** You may terminate this lease early, if You are not in default, by returning the Vehicle to Lessor unless Finance Company designates another place. You must pay the following: (a) the amount by which the Unpaid Adjusted Capitalized Cost exceeds the Vehicle's Fair Market Wholesale Value, **plus** (b) all other amounts then due under the lease (except for excess wear and use and mileage). If You entered an *Advance Payment Lease* and the Vehicle's Fair Market Wholesale Value exceeds the Unpaid Adjusted Capitalized Cost, You will receive a credit for the difference.

*Alternatively*, You may choose to satisfy Your financial obligation under this section upon Vehicle return if You pay the following: (a) the unpaid remaining Monthly Payments, plus (b) any charges for excess wear and use and mileage, plus (c) all other amounts then due under the lease.

**30. VOLUNTARY EARLY TERMINATION AND PURCHASE THE VEHICLE** You may purchase the Vehicle from the Lessor or a party designated by Finance Company at any time if You are not in default. If You have a *Monthly Payment Lease,* you must pay the following: (a) the Unpaid Adjusted Capitalized Cost, plus (b) the amount by which the lease end purchase option price (Item 10) exceeds the Residual Value (Item 7d), plus (c) official fees and taxes, plus (d) all other amounts then due under this lease (except charges for excess wear and use and mileage). You may also be charged a reasonable documentary fee if allowed by law. If You have an *Advance Payment Lease,* you must pay the following: (a) the lease end purchase option price (Item 10) less (b) any unearned Rent Charges, plus (c) official fees and taxes, plus (d) all other amounts then due under this lease (except charges for excess wear and use and mileage). You may also be charged a reasonable documentary fee if allowed by law.

**31. DEFINITION OF TERMS**

*Unpaid Adjusted Capitalized Cost* If You have a *Monthly Payment Lease,* the Unpaid Adjusted Capitalized Cost is an amount that starts with the Adjusted Capitalized Cost and is reduced each month on the due date by the difference between the Base Monthly Payment and the part of the Rent Charge earned in that month on an **actuarial basis.**

If You have an *Advance Payment Lease,* the Unpaid Adjusted Capitalized Cost is an amount that starts with the Adjusted Capitalized Cost less the Base Payment. This amount is increased each month on the due date by the part of the Rent Charge earned in that month on an **actuarial basis.**

In both cases, rent charges are earned when due. Lessor or Finance Company will provide You with an explanation of the actuarial method upon request.

*Fair Market Wholesale Value* will be: (a) an amount agreed to by You and Lessor or Finance Company, or (b) the value which could be realized at the wholesale sale of the Vehicle, as determined by a professional appraisal obtained by You at Your expense within **10** days from termination from an independent third party agreeable to Finance Company, or (c) if not established by agreement or appraisal, the net amount received by Finance Company, Holder or its designated intermediary upon the sale of the Vehicle at wholesale or other commercially reasonable manner.

*Monthly Payment* If You have a *Monthly Payment Lease,* Monthly Payment is the Total Payment (Item 7m). If You have an *Advance Payment Lease,* Monthly Payment is the Total Payment (Item 7m) divided by the Lease Term in Months (Item 7n).

*Base Monthly Payment* If You have a *Monthly Payment Lease,* Base Monthly Payment is the Base Payment (Item 7i). If You have an *Advance Payment Lease,* Base Monthly Payment is the Base Payment (Item 7i) divided by the Lease Term in Months (Item 7n).

**32. CONTACT NUMBER FOR FINANCE COMPANY** Please contact Finance Company at the telephone number or website listed on the front of this lease if You have any questions regarding terminating Your lease or purchasing the Vehicle.

**33. YOUR ODOMETER OBLIGATIONS** Federal law requires You to complete a statement of the Vehicle's mileage at the end of this lease. You may be fined and/or imprisoned if you do not complete the disclosure or if you make a false statement.

## DEFAULT AND LOSS OF VEHICLE

**34. DEFAULT** You will be in default if: (a) You fail to make any payment when due, or (b) a bankruptcy petition is filed by or against You, or (c) any governmental authority seizes the Vehicle and does not promptly and unconditionally release the Vehicle to You, or (d) You have provided false or misleading material information when applying for this lease, or (e) You fail to keep any other agreement in this lease.

If You are in default, Finance Company may cancel this lease, take the Vehicle, collect amounts due and enforce Holder's rights under this lease.

**35. THEFT OR DESTRUCTION OF VEHICLE** If the Vehicle is stolen or destroyed, the amount You owe will depend upon whether You had the required insurance in effect and the claim for the Vehicle is fully honored. If Finance Company does not receive the full insurance proceeds, You

If Finance Company retakes the Vehicle, You must pay at once: (a) the difference, if any, between the Unpaid Adjusted Capitalized Cost and the value which could be realized at the wholesale sale of the Vehicle, plus (b) any other amounts then due under the lease (except charges for excess wear and use and mileage). If You entered into an *Advance Payment Lease*, and the value which could be realized at the wholesale sale of the Vehicle exceeds the Unpaid Adjusted Capitalized Cost, You will receive a credit for the difference.

The value which could be realized at the wholesale sale of the Vehicle will be: (a) the net amount received by Finance Company, Holder or its designated intermediary upon the sale of the vehicle at wholesale or other commercially reasonable manner, or (b) as determined by a professional appraisal obtained by You at Your expense within 10 days from default, from an independent third party agreeable to Finance Company. You must also pay all expenses, including reasonable attorneys fees, payable by Finance Company to obtain, hold and sell

*GAP Waiver* If You had in effect the insurance required under this lease and Finance Company receives the full insurance proceeds, You will not be required to pay the difference (GAP) between the Unpaid-Adjusted Capitalized Cost and the insurance proceeds. You will only be required to pay: (a) any past due Monthly Payments, plus (b) the amount of the applicable insurance deductible, plus (c) all other amounts then due under this lease (except charges for excess wear and use and mileage).

Even if the Vehicle is insured, if You have a *Monthly Payment Lease*, until Finance Company receives payment of the insurance proceeds, You agree to continue to make Your Monthly Payments. If You have an *Advance Payment Lease*, after any insurance proceeds are paid, You will receive a credit equal to the Base Monthly Payment multiplied by the number of remaining months in the Lease Term in Months, beginning with the month immediately following the date of theft or destruction.

## ADDITIONAL INFORMATION

**36. ASSIGNMENT AND ADMINISTRATION** When You and Lessor sign this lease, Lessor will assign it to Holder. Finance Company or a substitute will administer this lease. You must then pay, in U.S. funds, all amounts due under this lease to Finance Company. If Finance Company is not the Holder of this lease, Holder has appointed Finance Company as its agent. As agent for Holder, Finance Company has the power to act on Holder's behalf to administer, enforce, and defend this lease. If Lessor has agreed to repair or maintain the Vehicle, obtain any insurance or perform any other service, You will look only to the Lessor for these services.

**37. TAXES** You will promptly pay all fees, charges, and taxes relating to the lease or Vehicle (except for Lessor's or Holder's income taxes). You will pay these amounts even if they are assessed after lease end.

**38. TITLING** The Vehicle will be titled in the name of Holder. There may be a lienholder listed as well. You will register the Vehicle as directed by Finance Company. You will pay all license, title and registration costs.

**39. INDEMNITY** You will indemnify and hold harmless Lessor, Finance Company and Holder and their assigns from any loss or damage to the Vehicle and its contents and from all claims, losses, injuries, expenses and costs related to the use, maintenance, or condition of the Vehicle. You are responsible for promptly paying all fines and tickets, including parking tickets, imposed on the Vehicle or its driver. If both a Lessee and Co-Lessee signed this lease, each party is jointly and severally liable for the payment of these fines and tickets. If You do not pay, You will reimburse Finance Company and pay a **$20** administration fee, unless prohibited by law, for every such fine, ticket, or penalty that must be paid on Your behalf.

**40. SECURITY DEPOSIT** Your security deposit may be used by Finance Company to pay all amounts that You fail to pay under this Lease. You will not receive any interest, profits or other earnings on Your security deposit(s).

**41. CONSUMER REPORTS** You authorize Finance Company and Holder to obtain consumer credit reports from consumer reporting agencies (credit bureaus) for any reason and at any time in connection with this lease.

**42. SERVICING AND COLLECTION** You agree that Lessor, Finance Company, Holder and their affiliates, agents and service providers may monitor and record telephone calls regarding your account to assure the quality of our service or for other reasons. You also expressly consent and agree that Lessor, Finance Company, Holder and their affiliates, agents and service providers may use written, electronic or verbal means to contact you. This consent includes, but is not limited to, contact by manual calling methods, prerecorded or artificial voice messages, text messages, emails and/or automatic telephone dialing systems. You agree that Lessor, Finance Company, Holder and their affiliates, agents and service providers may use any email address or any telephone number you provide, now or in the future, including a number for a cellular phone or other wireless device, regardless of whether you incur charges as a result.

**43. GENERAL** Except as otherwise provided by the law of the state where You reside, the law that will apply to this lease is the law of the state where the Lessor's place of business is, as set forth on the front of the lease. If that law does not allow any of the agreements in this lease, the ones that are not allowed will be void. The rest of this lease will still be valid.

## READ THIS ARBITRATION PROVISION CAREFULLY AND IN ITS ENTIRETY

## ARBITRATION

Arbitration is a method of resolving any claim, dispute, or controversy (collectively, a "Claim") without filing a lawsuit in court. Either you or Lessor/Finance Company/Holder ("us" or "we") (each, a "Party") may choose at any time, including after a lawsuit is filed, to have any Claim related to this contract decided by arbitration. Neither party waives the right to arbitrate by first filing suit in a court of law. Claims include but are not limited to the following: 1) Claims in contract, tort, regulatory or otherwise; 2) Claims regarding the interpretation, scope, or validity of this provision, or arbitrability of any issue except for class certification; 3) Claims between you and us, our employees, agents, successors, assigns, subsidiaries, or affiliates; 4) Claims arising out of or relating to your application for credit, this contract, or any resulting transaction or relationship, including that with the dealer, or any such relationship with third parties who do not sign this contract.

**RIGHTS YOU AND WE AGREE TO GIVE UP**

If either you or we choose to arbitrate a Claim, then you and we agree to waive the following rights:

- **RIGHT TO A TRIAL, WHETHER BY A JUDGE OR JURY**
- **RIGHT TO PARTICIPATE AS A CLASS REPRESENTATIVE OR A CLASS MEMBER IN ANY CLASS CLAIM YOU MAY HAVE AGAINST US WHETHER IN COURT OR IN ARBITRATION**
- **BROAD RIGHTS TO DISCOVERY AS ARE AVAILABLE IN A LAWSUIT**
- **RIGHT TO APPEAL THE DECISION OF AN ARBITRATOR**
- **OTHER RIGHTS THAT ARE AVAILABLE IN A LAWSUIT**

**RIGHTS YOU AND WE DO NOT GIVE UP:** If a Claim is arbitrated, you and we will continue to have the following rights, without waiving this arbitration provision as to any Claim: 1) Right to file bankruptcy in court; 2) Right to enforce the ownership interest in the vehicle, whether by repossession or through a court of law; 3) Right to take legal action to enforce the arbitrator's decision; 4) Right to request that a court of law review whether the arbitrator exceeded its authority; and 5) Right to seek remedies in small claims court for disputes or claims within that court's jurisdiction.

You or we may choose the American Arbitration Association, (www.adr.org), or any other organization subject to our approval, to conduct the arbitration. The applicable rules (the "Rules") may be obtained from the selected organization. If there is a conflict between the Rules and this contract, this contract shall govern. This contract is subject to the Federal Arbitration Act (9 U.S.C. § 1 et seq.). The arbitration decision shall be in writing with a supporting opinion. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. To the extent that the total of your filing, administration, service or case management fee and your arbitrator or hearing fee exceeds $200, we will pay the amount in excess of $200, unless you choose to pay one-half of the total or unless the fees are reallocated in the award under applicable law or the organization's rules.

Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. Any portion of this arbitration provision that is unenforceable shall be severed, and the remaining provisions shall be enforced. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this arbitration provision shall be unenforceable. The validity and scope of the waiver of class action rights shall be decided by the court and not by the arbitrator.

To Whom It May Concern:

Please note that the above-named individual has retained our services against your company pursuant to the Federal Magnuson-Moss Warranty Act (hereinafter referred to as "Warranty Act") with regard to the above-listed vehicle.

**As you have been formally notified of our legal representation of Madison Torres, you are instructed not to contact our client under any circumstances. Please direct all inquiries to this office. If you fail to act in conformity with this directive, injunctive relief will be sought against you.**

**Pursuant to 15 U.S.C. 2310(d), you are hereby notified that any settlement made with our client requires payment of our attorneys' fees. As such, if you attempt to settle directly with our client and do not make arrangements for payment of our attorneys' fees, we will file suit against you. Lastly, you are hereby notified of our attorneys' lien.**

My client has experienced multiple defects in their vehicle. Your company, through your authorized dealerships, have been unable to repair their vehicle within a reasonable time and/or

after having a reasonable numerous of attempts to repair it. As such, my client seeks relief under the Warranty Act as you have breached both your written warranty and the implied warranty of merchantability. The defects experienced by my client include, but are not limited to:

1. Defective engine as evidenced by sudden loss of oil pressure, requiring tow, CEL on, smoke out of the exhaust, and knocking; *and*
2. Any additional complaints made by our client, whether or not they are contained in your company's records or on any dealer repair orders.

The defects listed above constitute a substantial impairment of the use, value and/or safety of the vehicle. As a result of these defects, my client has justifiably lost confidence in the vehicle. You are hereby notified that my client is revoking acceptance of this vehicle. My client has directed me to demand the cancellation of the contracts and the return of all funds paid towards this vehicle, including any trade-in value given, all collateral charges, finance charges and incidental and consequential damages.

Please be advised that pursuant to Uniform Commercial Code § 2-711(3) my client has a security interest in the vehicle for return of the amounts described above, plus expenses in handling and inspecting the vehicle. Until you pay this amount, my client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, my client needs return of the monies listed above before a substitute vehicle can be acquired. In addition, any attempt by you or your agents to repossess the car will be wrongful and may subject you to liability for conversion and for wrongful repossession under Uniform Commercial Code §§ 9-503 and 9-507, as well as any other applicable remedies.

If the seller or, if applicable, the assignee, or any creditor subject to the FTC Holder Rule has filed a financing statement covering the goods, I demand, pursuant to Uniform Commercial Code § 9-404, that you file a termination statement within ten (10) days to terminate your security interest, and forward a copy to me. Since my client has revoked acceptance, there is no outstanding secured obligation. If you do not file a termination statement within ten (10) days and cooperate in removing the lien, you may be liable under Uniform Commercial Code § 9-404(1) in the amount of $100.00, plus any loss caused to my client by your failure to do so.

To avoid any litigation, my client merely requests the return of fifty (50) percent of the purchase price of the vehicle as compensation for its diminished value due to its defect and payment of our attorneys' fees pursuant to the fee-shifting provisions of the Federal Magnuson-Moss Warranty Act. Our attorneys' fees are minimal at this stage and we would prefer to resolve this matter without the need for any more time spent on our part or on the part of your attorneys. A great deal of time, money and effort could be saved by all parties involved with a quick resolution of this claim.

Accordingly, if you wish to resolve this matter amicably, please feel free to contact my office. If the matter has not been resolved within fourteen (14) days from the date of this letter, a lawsuit will be filed.

Sincerely,

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you **must** complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check **one** box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the **primary** cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

ALPIN CHARGES FOR REPAIR LABOR ARE NOT BASED ON ACTUAL MECHANIC'S TIME SPENT ON THE JOB. Rather, you are
ven a menu price which will be quoted to you and authorized by you in advance of the prescribed repair. If we discover that different or
dditional repairs are appropriate, you will be contacted for your advance approval of a revised quotation. Our menu prices are
mputed internally by multiplying our retail hourly labor rate by a time factor allotted to the repair. This time factor and our menu prices
e based on our evaluation of the complexity of the work required, our costs for doing business, and, of course, our desire to remain
npetitive.
believe our menu pricing is advantageous to our customers because your price for a prescribed repair remains the same regardless
ow long the repair actually takes to be completed.

Having now been advised as to our representation, KINDLY CEASE AND DESIST FROM ANY FURTHER CONTACT OR COMMUNICATIONS, WRITTEN, VERBAL, OR OTHERWISE WITH OUR CLIENT, thereby directing all future correspondence and communications regarding this matter to our office, exclusively. If you fail to act in conformity with this directive, injunctive relief will be sought against you.

You are hereby notified that pursuant to California *Civil Code* § 1794(d) and/or 15 U.S.C. 2310(d), that any settlement made with our client requires the payment of our attorney's fees and costs. In addition, through this correspondence, you are hereby notified of our attorney's lien.

Our client hereby requests that you comply with California *Civil Code* § 1793.2(d)(2) and seeks relief for numerous defects, non-conformities, and unsuccessful repair attempts with regard to the subject vehicle. These defects and non-conformities include, but are not limited to the following:

Please keep in mind that at this stage, our attorneys' fees and costs are minimal. It is our desire to resolve this matter as amicably and expeditiously as possible without the need for causing either party to incur any unnecessary expenses.

ALPIN CHARGES FOR REPAIR LABOR ARE NOT BASED ON ACTUAL MECHANIC'S TIME SPENT ON THE JOB. Rather, you are
ven a menu price which will be quoted to you and authorized by you in advance of the prescribed repair. If we discover that different or
dditional repairs are appropriate, you will be contacted for your advance approval of a revised quotation. Our menu prices are
mputed internally by multiplying our retail hourly labor rate by a time factor allotted to the repair. This time factor and our menu prices
e based on our evaluation of the complexity of the work required, our costs for doing business, and, of course, our desire to remain
npetitive.
believe our menu pricing is advantageous to our customers because your price for a prescribed repair remains the same regardless
ow long the repair actually takes to be completed.

Dear Sir or Madam:

Lemberg Law L.L.C. is writing on behalf of the above client with regard to the above vehicle purchased in Georgia State. **Please consider this your notice to correct the defect specific below.** We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting Georgia consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service at least fifty-eight (58) days and subject to repairs due to the engine failure and engine shutting down when in ECO mode, and the latter defect continues to persist.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the vehicle until the purchase price is returned, plus expenses in handling and inspecting the vehicle. Until you pay this amount, our client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired.

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Sergei Lemberg*

Dear Sir or Madam:

Lemberg Law L.L.C. is writing on behalf of the above client with regard to the above vehicle purchased in Georgia State. Please consider this your notice to correct the defect specified below. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting Georgia consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been subject to three repairs and out of service over sixty days due to the engine failure and starter failure.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the vehicle until the purchase price is returned, plus expenses in handling and inspecting the vehicle. Until you pay this amount, our client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired.

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Sergei Lemberg*

Sergei Lemberg

**NOTICE!** You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (*www.lawhelpcalifornia.org*), the California Courts Online Self-Help Center (*www.courtinfo.ca.gov/selfhelp*), or by contacting your local court or county bar association. **NOTE:** The court has a statutory lien for waived fees and costs on any settlement or arbitration award of $10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case.

## INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

CM-010

**To Plaintiffs and Others Filing First Papers.** If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the Civil Case Cover Sheet contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

**To Parties in Rule 3.740 Collections Cases.** A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than $25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

**To Parties in Complex Cases.** In complex cases only, parties must also use the Civil Case Cover Sheet to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

# ALTERNATIVE DISPUTE RESOLUTION (ADR) INFORMATION PACKAGE

**THE PLAINTIFF MUST SERVE THIS ADR INFORMATION PACKAGE ON EACH PARTY WITH THE COMPLAINT.**

**CROSS-COMPLAINANTS** must serve this ADR Information Package on any new parties named to the action with the cross-complaint.

## What is ADR?

ADR helps people find solutions to their legal disputes without going to trial. The main types of ADR are negotiation, mediation, arbitration, and settlement conferences. When ADR is done by phone, videoconference or computer, it may be called Online Dispute Resolution (ODR). These alternatives to litigation and trial are described below.

## Advantages of ADR

- **Saves Time:** ADR is faster than going to trial.
- **Saves Money:** Parties can save on court costs, attorney's fees, and witness fees.
- **Keeps Control** (with the parties): Parties choose their ADR process and provider for voluntary ADR.
- **Reduces Stress/Protects Privacy:** ADR is done outside the courtroom, in private offices, by phone or online.

## Disadvantages of ADR

- **Costs:** If the parties do not resolve their dispute, they may have to pay for ADR, litigation, and trial.
- **No Public Trial:** ADR does not provide a public trial or decision by a judge or jury.

## Main Types of ADR

1. **Negotiation:** Parties often talk with each other in person, or by phone or online about resolving their case with a settlement agreement instead of a trial. If the parties have lawyers, they will negotiate for their clients.

2. **Mediation:** In mediation, a neutral mediator listens to each person's concerns, helps them evaluate the strengths and weaknesses of their case, and works with them to try to create a settlement agreement that is acceptable to all. Mediators do not decide the outcome. Parties may go to trial if they decide not to settle.

   **Mediation may be appropriate when the parties**
   - want to work out a solution but need help from a neutral person.
   - have communication problems or strong emotions that interfere with resolution.

   **Mediation may <u>not</u> be appropriate when the parties**
   - want a public trial and want a judge or jury to decide the outcome.
   - lack equal bargaining power or have a history of physical/emotional abuse.

## How to Arrange Mediation in Los Angeles County

Mediation for **civil cases** is voluntary and parties may select any mediator they wish. Options include:

a. **The Civil Mediation Vendor Resource List**
If all parties in an active civil case agree to mediation, they may contact these organizations to request a "Resource List Mediation" for mediation at reduced cost or no cost (for selected cases).

- **ADR Services, Inc.** Assistant Case Manager Janet Solis, janet@adrservices.com (213) 683-1600
- **Mediation Center of Los Angeles** Program Manager info@mediationLA.org (833) 476-9145

**These organizations cannot accept every case and they may decline cases at their discretion.** They may offer online mediation by video conference for cases they accept. Before contacting these organizations, review important information and FAQs at www.lacourt.org/ADR.Res.List

**NOTE: The Civil Mediation Vendor Resource List program does not accept family law, probate, or small claims cases.**

b. **Los Angeles County Dispute Resolution Programs.** Los Angeles County-funded agencies provide mediation services on the day of hearings in small claims, unlawful detainer (eviction), civil harassment, and limited civil (collections and non-collection) cases. https://dcba.lacounty.gov/countywidedrp/

**Online Dispute Resolution (ODR).** Parties in small claims and unlawful detainer (eviction) cases should carefully review the Notice and other information they may receive about (ODR) requirements for their case. https://my.lacourt.org/odr/

c. Mediators and ADR and Bar organizations that provide mediation may be found on the internet.

3. **Arbitration:** Arbitration is less formal than trial, but like trial, the parties present evidence and arguments to the person who decides the outcome. In "binding" arbitration, the arbitrator's decision is final; there is no right to trial. In "nonbinding" arbitration, any party can request a trial after the arbitrator's decision. For more information about arbitration, visit https://www.courts.ca.gov/programs-adr.htm

4. **Mandatory Settlement Conferences (MSC):** MSCs are ordered by the Court and are often held close to the trial date or on the day of trial. The parties and their attorneys meet with a judge or settlement officer who does not make a decision but who instead assists the parties in evaluating the strengths and weaknesses of the case and in negotiating a settlement. For information about the Court's MSC programs for civil cases, visit https://www.lacourt.org/division/civil/CI0047.aspx

The Early Organizational Meeting Stipulation, Discovery Resolution Stipulation, and Motions in Limine Stipulation are voluntary stipulations entered into by the parties. The parties may enter into one, two, or all three of the stipulations; however, they may not alter the stipulations as written, because the Court wants to ensure uniformity of application. These stipulations are meant to encourage cooperation between the parties and to assist in resolving issues in a manner that promotes economic case resolution and judicial efficiency.

*The following organizations endorse the goal of promoting efficiency in litigation and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases.*

**This stipulation is intended to encourage cooperation among the parties at an early stage in the litigation and to assist the parties in efficient case resolution.**

**The parties agree that:**

1. The parties commit to conduct an initial conference (in-person or via teleconference or via videoconference) within 15 days from the date this stipulation is signed, *to discuss and consider whether there can be agreement on the following*:

   a. Are motions to challenge the pleadings necessary? If the issue can be resolved by amendment as of right, or if the Court would allow leave to amend, could an amended complaint resolve most or all of the issues a demurrer might otherwise raise? If so, the parties agree to work through pleading issues so that a demurrer need only raise issues they cannot resolve. Is the issue that the defendant seeks to raise amenable to resolution on demurrer, or would some other type of motion be preferable? Could a voluntary targeted exchange of documents or information by any party cure an uncertainty in the pleadings?

   b. Initial mutual exchanges of documents at the "core" of the litigation. (For example, in an employment case, the employment records, personnel file and documents relating to the conduct in question could be considered "core." In a personal injury case, an incident or police report, medical records, and repair or maintenance records could be considered "core.");

   c. Exchange of names and contact information of witnesses;

   d. Any insurance agreement that may be available to satisfy part or all of a judgment, or to indemnify or reimburse for payments made to satisfy a judgment;

   e. Exchange of any other information that might be helpful to facilitate understanding, handling, or resolution of the case in a manner that preserves objections or privileges by agreement;

   f. Controlling issues of law that, if resolved early, will promote efficiency and economy in other phases of the case. Also, when and how such issues can be presented to the Court;

   g. Whether or when the case should be scheduled with a settlement officer, what discovery or court ruling on legal issues is reasonably required to make settlement discussions meaningful, and whether the parties wish to use a sitting judge or a private mediator or other options as

discussed in the "Alternative Dispute Resolution (ADR) Information Package" served with the complaint;

h. Computation of damages, including documents, not privileged or protected from disclosure, on which such computation is based;

i. Whether the case is suitable for the Expedited Jury Trial procedures (see information at ***www.lacourt.org*** under "*Civil*" and then under "*General Information*").

2. The time for a defending party to respond to a complaint or cross-complaint will be extended to _____ (INSERT DATE) for the complaint, and _____ (INSERT DATE) for the cross-complaint, which is comprised of the 30 days to respond under Government Code § 68616(b), and the 30 days permitted by Code of Civil Procedure section 1054(a), good cause having been found by the Civil Supervising Judge due to the case management benefits provided by this Stipulation. A copy of the General Order can be found at *www.lacourt.org* under "*Civil*", click on "*General Information*", then click on "*Voluntary Efficient Litigation Stipulations*".

3. The parties will prepare a joint report titled "Joint Status Report Pursuant to Initial Conference and Early Organizational Meeting Stipulation, and if desired, a proposed order summarizing results of their meet and confer and advising the Court of any way it may assist the parties' efficient conduct or resolution of the case. The parties shall attach the Joint Status Report to the Case Management Conference statement, and file the documents when the CMC statement is due.

4. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day

**This stipulation is intended to provide a fast and informal resolution of discovery issues through limited paperwork and an informal conference with the Court to aid in the resolution of the issues.**

**The parties agree that:**

1. Prior to the discovery cut-off in this action, no discovery motion shall be filed or heard unless the moving party first makes a written request for an Informal Discovery Conference pursuant to the terms of this stipulation.

2. At the Informal Discovery Conference the Court will consider the dispute presented by parties and determine whether it can be resolved informally. Nothing set forth herein will preclude a party from making a record at the conclusion of an Informal Discovery Conference, either orally or in writing.

3. Following a reasonable and good faith attempt at an informal resolution of each issue to be presented, a party may request an Informal Discovery Conference pursuant to the following procedures:

    a. The party requesting the Informal Discovery Conference will:

        i. File a Request for Informal Discovery Conference with the clerk's office on the approved form (copy attached) and deliver a courtesy, conformed copy to the assigned department;

        ii. Include a brief summary of the dispute and specify the relief requested; and

        iii. Serve the opposing party pursuant to any authorized or agreed method of service that ensures that the opposing party receives the Request for Informal Discovery Conference no later than the next court day following the filing.

    b. Any Answer to a Request for Informal Discovery Conference must:

        ii. Include a brief summary of why the requested relief should be denied;

iii. Be filed within two (2) court days of receipt of the Request; and

iv. Be served on the opposing party pursuant to any authorized or agreed upon method of service that ensures that the opposing party receives the Answer no later than the next court day following the filing.

c. No other pleadings, including but not limited to exhibits, declarations, or attachments, will be accepted.

d. If the Court has not granted or denied the Request for Informal Discovery Conference within ten (10) days following the filing of the Request, then it shall be deemed to have been denied. If the Court acts on the Request, the parties will be notified whether the Request for Informal Discovery Conference has been granted or denied and, if granted, the date and time of the Informal Discovery Conference, which must be within twenty (20) days of the filing of the Request for Informal Discovery Conference.

e. If the conference is not held within twenty (20) days of the filing of the Request for Informal Discovery Conference, unless extended by agreement of the parties and the Court, then the Request for the Informal Discovery Conference shall be deemed to have been denied at that time.

4. If (a) the Court has denied a conference or (b) one of the time deadlines above has expired without the Court having acted or (c) the Informal Discovery Conference is concluded without resolving the dispute, then a party may file a discovery motion to address unresolved issues.

5. The parties hereby further agree that the time for making a motion to compel or other discovery motion is tolled from the date of filing of the Request for Informal Discovery Conference until (a) the request is denied or deemed denied or (b) twenty (20) days after the filing of the Request for Informal Discovery Conference, whichever is earlier, unless extended by Order of the Court.

   It is the understanding and intent of the parties that this stipulation shall, for each discovery dispute to which it applies, constitute a writing memorializing a "specific later date to which the propounding [or demanding or requesting] party and the responding party have agreed in writing," within the meaning of Code Civil Procedure sections 2030.300(c), 2031.320(c), and 2033.290(c).

6. Nothing herein will preclude any party from applying *ex parte* for appropriate relief, including an order shortening time for a motion to be heard concerning discovery.

7. Any party may terminate this stipulation by giving twenty-one (21) days notice of intent to terminate the stipulation.

8. References to "days" mean calendar days, unless otherwise noted. If the date for performing any act pursuant to this stipulation falls on a Saturday, Sunday or Court holiday, then the time for performing that act shall be extended to the next Court day.

| General Order Re Use of Voluntary Efficient Litigation Stipulations | ORDER PURSUANT TO CCP 1054(a), EXTENDING TIME TO RESPOND BY 30 DAYS WHEN PARTIES AGREE TO EARLY ORGANIZATIONAL MEETING STIPULATION |

Whereas the Los Angeles Superior Court and the Executive Committee of the Litigation Section of the Los Angeles County Bar Association have cooperated in drafting "Voluntary Efficient Litigation Stipulations" and in proposing the stipulations for use in general jurisdiction civil litigation in Los Angeles County;

Whereas the Los Angeles County Bar Association Litigation Section; the Los Angeles County Bar Association Labor and Employment Law Section; the Consumer Attorneys Association of Los Angeles; the Association of Southern California Defense Counsel; the Association of Business Trial Lawyers of Los Angeles; and the California Employment Lawyers Association all "endorse the goal of promoting efficiency in litigation, and ask that counsel consider using these stipulations as a voluntary way to promote communications and procedures among counsel and with the court to fairly resolve issues in their cases;"

PE23-015 001914 LC SV

Whereas the Early Organizational Meeting Stipulation is intended to encourage cooperation among the parties at an early stage in litigation in order to achieve litigation efficiencies;

Whereas it is intended that use of the Early Organizational Meeting Stipulation will promote economic case resolution and judicial efficiency;

Whereas, in order to promote a meaningful discussion of pleading issues at the Early Organizational Meeting and potentially to reduce the need for motions to challenge the pleadings, it is necessary to allow additional time to conduct the Early Organizational Meeting before the time to respond to a complaint or cross complaint has expired;

Whereas Code of Civil Procedure section 1054(a) allows a judge of the court in which an action is pending to extend for not more than 30 days the time to respond to a pleading "upon good cause shown";

Now, therefore, this Court hereby finds that there is good cause to extend for 30 days the time to respond to a complaint or to a cross complaint in any action in which the parties have entered into the Early Organizational Meeting Stipulation. This finding of good cause is based on the anticipated judicial efficiency and benefits of economic case resolution that the Early Organizational Meeting Stipulation is intended to promote.

IT IS HEREBY ORDERED that, in any case in which the parties have entered into an Early Organizational Meeting Stipulation, the time for a defending party to respond to a complaint or cross complaint shall be extended by the 30 days permitted

PE23-015 001915 LC SV

by Code of Civil Procedure section 1054(a) without further need of a specific court order.

Dear Sir or Madam:

Lemberg Law LLC is writing on behalf of the above client with regard to the above vehicle purchased in Indiana. **Please consider this your notice for an opportunity to correct the defects specified below.** Should litigation become necessary, a lawsuit shall be filed in the Michigan court. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service at least thirty-three (33) days and subject to repairs due to the catastrophic engine failure, camshaft leak, front end rumbling, and the last defect continues to persist.

The defects in the vehicle substantially impair its use, value, and safety to our client, and constitute a breach of warranty. Because of the incurable problems outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the car until the purchase price is returned, plus expenses in handling and inspecting the car. Until you pay this amount, our client will hold the car and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the car will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Matthew Clark*

Dear Sir or Madam:

Please be advised that this firm has the privilege of representing [redacted] regarding claims against Ford Motor Company ("Ford") pursuant to the Federal Magnuson-Moss Warranty Act with regard to the above-listed 2018 Ford Ecosport. Going forward, please cease all communication with my client and direct all correspondence to this office. Additionally, you are hereby notified that any settlement made with our client must include compensation for all statutory and other relief available to a consumer, including attorney's fees and costs. If you settle directly with our client, and do not make arrangements for payment of fees and costs, we will file suit against you. In addition, you are hereby notified of our attorney's fees lien with regard to this matter. I thank you in advance for your cooperation in this regard.

On or about April 13, 2019, my client purchased a 2018 Ford Ecosport (the "Vehicle") from Coggin Ford in Jacksonville, Florida, for approximately $29,098.81. Unfortunately, and as set forth in greater detail below, the Vehicle my client purchased has proven to be plagued with defects and other issues that substantially impair the use, value, and safety of the Vehicle.

On or about December 16, 2020, my client delivered the Vehicle to Pep Boys on Atlantic Blvd. (Jacksonville) due to a check engine light that appeared on her dashboard. When they diagnosed the vehicle a code PO51B (Crankcase Pressure Sensor Circuit) was displayed. She was told that they could not help her with this code and that she would have to take it to a Ford Service Department for evaluation.

On January 30, 2021, my client delivered the Vehicle to the Coggin Ford Service Department for service of the check engine light that was displayed on her dashboard. A multi-point inspection was done and the check engine light turned off.

On March 10, 2021, while driving, the check engine light came on again. My client stopped at a shop that performs oil changes. They checked her fluids and oil and topped off as needed. While speaking with the mechanic my client informed him of the issue and why she came in. The

mechanic told her that the issue had not been fixed and that the only thing done was that the check engine light that was displayed on her vehicle had been turned off.

On March 11, 2021, while driving on I-95, the Vehicle abruptly stopped and had to be towed to Coggin Ford, where it has been ever since. When my client calls regarding the status of her vehicle she receives no response. She has since emailed the General Manager of Coggin Ford regarding the engine issue and requested an estimate as to how much it would be to repair the Vehicle, but has received no response form the dealership.

On April 7, 2021, my client received a letter from Jessica Onuoha of Ford Motor Company, apologizing for not being able to get any information from the General Manager or the Service Manager at Coggin Ford. On April 10, 2021, Ms. Onuoha emailed my client and advised that repairs would cost $6,543.44 for parts and labor and further advised that Ford would cover 55% of the cost of repair ($3,598.89). On April 20, 2021, Ms. Onuoha again emailed my client and advised that she did "re-submit the warranty rate" which totaled $6,011.92. Ms. Onuoha then advised that Ford would cover $4,511.92 of the repair cost and my client would be responsible for paying $1,500.00 of the repair cost. To date, it is unclear as to why Ford is not covering the entire repair cost under the warranty and why Ford believes my client should have to pay anything for repair of items that are clearly covered under the warranty.

Although there have been additional repairs to address the issue, my client was not provided with repair orders for those repairs and the issue is still present in the Vehicle.

**DEMAND**

My client has already afforded Ford multiple opportunities to correct the issues listed above, but the Vehicle remains in a defective state. The defects and non-conformities listed above constitute a substantial impairment of the use, value and safety of the Vehicle. Your failure and/or refusal to repair said defects and non-conformities in accordance with the terms of your warranty, constitutes a breach of warranty entitling my client to recovery. See Rastaedt v. Mercedes-Benz USA, LLC, 63 So. 3d 41 (Fla. 4th DCA 2011); Ocana v. Ford Motor Company, 992 So. 2d 319 (Fla. 3d DCA 2008); Zelyony v. Porsche Cars N. Am., Inc., 2008 U.S. Dist. LEXIS 31439 (S.D. Fla. 2008).

To the extent my client has not already placed you on notice, you are hereby notified that your failure to successfully repair the defect and non-conformities in the subject Vehicle constitute a breach of your warranty. The repair history for the Vehicle clearly shows that you have been unable to correct the defect and nonconformities, after being afforded more than reasonable opportunities to do so. Accordingly, your warranty has failed of its essential purpose, and my client is entitled to seek any remedy available at law. See Frank Griffin Volkswagen, Inc. v. Smith, 610 So. 2d 597 (Fla. 1st DCA 1992); Burns v. DaimlerChrysler, 914 So.2d 451 (Fla. 4th DCA 2006).

It is my client's contention that you have already been provided with sufficient opportunities to cure the breach of warranty. However, if you are interested in making an additional attempt at curing the breach of warranty, my client has authorized me to resolve this matter for a buy back of the Vehicle, reimbursement of all loan and insurance payments made to date, damages for loss of use of the Vehicle, and payment of actual attorney's fees and costs, which are relatively low as

of the date of this writing.[1] My client will also agree to execute a mutually-agreeable release agreement as a condition of settlement.

My client is neither litigious nor unreasonable and he only wants the quality product she expected when she purchased the Vehicle while still under the factory warranty. As such, I respectfully request that you contact me on or before **Friday July 16, 2021**, to accept my client's demand and finalize the terms of same. If this matter is not resolved within the stated timeframe, my client has instructed me to pursue any and all legal and equitable remedies available to her under state and federal law, including an award of costs and attorneys' fees incurred in seeking same.

PLEASE GOVERN YOURSELVES ACCORDINGLY.

## OTHER IMPORTANT AGREEMENTS

### 1. FINANCE CHARGE AND PAYMENTS

a. **How we will figure Finance Charge.** We will treat any Prepaid Finance Charge as fully earned on the date of this contract. We will figure the rest of the finance charge on a daily basis at the Base Rate on the unpaid part of your Principal Balance. Your Principal Balance is the sum of the Amount Financed and the Prepaid Finance Charge, if any.

b. **How we will apply payments.** We may apply each payment to the earned and unpaid part of the Finance Charge, to the unpaid part of your Principal Balance and to other amounts you owe under this contract in any order we choose.

c. **How late payments or early payments change what you must pay.** We based the Finance Charge, Total of Payments, and Total Sale Price shown on page 1 of this contract on the assumption that you will make every payment on the day it is due. Your Finance Charge, Total of Payments, and Total Sale Price will be more if you pay late and less if you pay early. Changes may take the form of a larger or smaller final payment or, at our option, more or fewer payments of the same amount as your scheduled payment with a smaller final payment. We will send you a notice telling you about these changes before the final scheduled payment is due.

d. **You may prepay.** You may prepay all or part of your Principal Balance at any time. If the contract is paid in full within six months after the date you sign it, we may impose an acquisition charge, not exceeding $75, for services performed on your behalf for processing this contract. If you prepay, you must pay the earned and unpaid part of the Finance Charge and all other amounts due up to the date of your payment.

e. **You may ask for a payment extension.** You may ask us for a deferral of the scheduled due date of all or any part of a payment (extension). If we agree to your request, we may charge you a $15 extension fee. You must maintain the physical damage insurance required by this contract (see 2.d.) during any extension. If you do not have this insurance, we may buy it and charge you for it as this contract says. You may extend the term of any optional insurance you bought with this contract to cover the extension if the insurance company or your insurance contract permits it, and you pay the charge for extending this insurance.

If you get a payment extension, you will pay additional finance charges at the Base Rate on the amount extended during the extension. You will also pay any additional insurance charges resulting from the extension, and the $15 extension fee if we charge you this fee.

### 2. YOUR OTHER PROMISES TO US

a. **If the vehicle is damaged, destroyed, or missing.** You agree to pay us all you owe under this contract even if the vehicle is damaged, destroyed, or missing.

b. **Using the vehicle.** You agree not to remove the vehicle from the U.S. or Canada, or to sell, rent, lease, or transfer any interest in the vehicle or this contract without our written permission. You agree not to expose the vehicle to misuse, seizure, confiscation, or involuntary transfer. If we pay any repair bills, storage bills, taxes, fines, or charges on the vehicle, you agree to repay the amount when we ask for it.

c. **Security interest.**

You give us a security interest in:

- The vehicle and all parts or goods put on it;
- All money or goods received (proceeds) for the vehicle;
- All insurance, maintenance, service, or other contracts we finance for you; and
- All proceeds from insurance, maintenance, service, or other contracts we finance for you. This includes any refunds of premiums or charges from the contracts.

This secures payment of all you owe on this contract. It also secures your other agreements in this contract. You will make sure the title shows our security interest (lien) in the vehicle.

d. **Insurance you must have on the vehicle.**

You agree to have physical damage insurance covering loss of or damage to the vehicle for the term of this contract. The insurance must cover our interest in the vehicle. If you do not have this insurance, we may, if we choose, buy physical damage insurance. If we decide to buy physical damage insurance, we may either buy insurance that covers your interest and our interest in the vehicle, or buy insurance that covers only our interest. If we buy either type of insurance, we will tell you which type and the charge you must pay. The charge will be the premium of the insurance and a finance charge at the highest rate the law permits. If the vehicle is lost or damaged, you agree that we may use any insurance settlement to reduce what you owe or repair the vehicle.

e. **What happens to returned insurance, maintenance, service, or other contract charges.** If we obtain a refund of insurance, maintenance, service, or other contract charges, you agree that we may subtract the refund from what you owe.

### 3. IF YOU PAY LATE OR BREAK YOUR OTHER PROMISES

a. **You may owe late charges.** You will pay a late charge on each late payment as shown on page 1 of this contract. Acceptance of a late payment or late charge does not excuse your late payment or mean that you may keep making late payments.

If you pay late, we may also take the steps described below.

b. **You may have to pay all you owe at once.** If you break your promises (default), we may demand that you pay all you owe on this contract at once. Default means:

- You do not pay any payment on time;
- You give false, incomplete, or misleading information on a credit application;
- You start a proceeding in bankruptcy or one is started against you or your property; or
- You break any agreements in this contract.

The amount you will owe will be the unpaid part of your Principal Balance plus the earned and unpaid part of the Finance Charge, any late charges, and any amounts due because you defaulted.

c. **You may have to pay collection costs.** If we hire an attorney to collect what you owe, you will pay the attorney's fee and court costs as the law allows. This includes any attorneys' fees we incur as a result of any bankruptcy proceeding brought by or against you under federal law.

d. **We may take the vehicle from you.** If you default, we may take (repossess) the vehicle from you if we do so peacefully and the law allows it. If your vehicle has an electronic tracking device, you agree that we may use the device to find the vehicle. If we take the vehicle, any accessories, equipment, and replacement parts will stay with the vehicle. If any personal items are in the vehicle, we may store them for you at your expense. If you do not ask for these items back, we may dispose of them as the law allows.

e. **How you can get the vehicle back if we take it.** If we repossess the vehicle, you may pay to get it back (redeem). We will tell you how much to pay to redeem. Your right to redeem ends when we sell the vehicle.

f. **We will sell the vehicle if you do not get it back.** If you do not redeem, we will sell the vehicle. We will send you a written notice of sale before selling the vehicle.

We will apply the money from the sale, [redacted] amount you owe. Allowed expenses are [redacted] result of taking the vehicle, holding it, pre[redacted] Attorney fees and court costs the law per[redacted] If any money is left (surplus), we will pay it to you unless the law requires us to pay it to someone else. If money from the sale is not enough to pay the amount you owe, you must pay the rest to us. If you do not pay this amount when we ask, we may charge you interest at a rate not exceeding the highest lawful rate until you pay.

g. **What we may do about optional insurance, maintenance, service, or other contracts.** This contract may contain charges for optional insurance, maintenance, service, or other contracts. If we demand that you pay all you owe at once or we repossess the vehicle, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe or repair the vehicle. If the vehicle is a total loss because it is confiscated, damaged, or stolen, we may claim benefits under these contracts and cancel them to obtain refunds of unearned charges to reduce what you owe.

**Seller's Right to Cancel**

a. **Seller agrees to deliver the vehicle to you on the date this contract is signed by Seller and you. You understand that it may take a few days for Seller to verify your credit, locate financing for you on the exact terms shown on page 1 of this contract, and assign this contract to a financial institution. You agree that Seller has the number of days stated on page 1 of this contract to assign this contract. You agree that if Seller is unable to assign this contract within this time period to any one of the financial institutions with whom Seller regularly does business under an assignment acceptable to Seller, Seller may cancel this contract. Seller's right to cancel this contract ends upon assignment of this contract.**

b. **If Seller elects to cancel per Paragraph a above, Seller will give you written notice (or in any other manner in which actual notice is given to you). In that event, you may have the option of negotiating and signing a new contract with different financing terms (for example, a larger down payment, a higher annual percentage rate, a required cosigner, etc.) or you may pay with alternate funds arranged by you.**

c. **Upon receipt of the notice of cancellation, you must return the vehicle to Seller within 48 hours in the same condition as when sold other than reasonable wear for the time you had it. Except as described below, Seller must give you back all consideration Seller has received from you in connection with this contract.**

d. **If you do not return the vehicle within 48 hours after receipt of the notice of cancellation, you agree that Seller may use any lawful means to take it back (including repossession if done peacefully) and you will be liable for all expenses incurred by Seller in taking the vehicle from you, including reasonable attorney's fees. If you fail to return the vehicle within 48 hours after receipt of the notice of cancellation, you agree to pay Seller the charge shown in the Seller's Right to Cancel provision on page 1 of this contract for each day you do not return the vehicle after receipt of the notice of cancellation.**

e. **While the vehicle is in your possession, all terms of this contract, including those relating to use of the vehicle and insurance for the vehicle, are in full force and you assume all risk of loss or damage to the vehicle. You must pay all reasonable costs for repair of any damage done to the vehicle while the vehicle is in your possession. Seller may deduct from any consideration due to you under paragraph c. above Seller's reasonable costs to repair the vehicle and any daily charges you incur if you fail to return the vehicle within 48 hours after receipt of the notice of cancellation. If Seller cancels this contract, the terms of this Seller's Right to Cancel provision (including those on page 1 of this contract) remain in effect even after you no longer have possession of the vehicle.**

**NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.**

The preceding NOTICE applies only to goods or services obtained primarily for personal, family or household use. In all other cases, Buyer will not assert against any subsequent holder or assignee of this contract any claims or defenses the Buyer (debtor) may have against the Seller, or against the manufacturer of the vehicle or equipment obtained under this contract.

Any claim or dispute, whether in contract, tort, statute or otherwise (including the interpretation and scope of this Arbitration Provision, and the arbitrability of the claim or dispute), between you and us or our employees, agents, successors or assigns, which arises out of or relates to your credit application, purchase or condition of this vehicle, this contract or any resulting transaction or relationship (including any such relationship with third parties who do not sign this contract) shall, at your or our election, be resolved by neutral, binding arbitration and not by a court action. If federal law provides that a claim or dispute is not subject to binding arbitration, this Arbitration Provision shall not apply to such claim or dispute. Any claim or dispute is to be arbitrated by a single arbitrator on an individual basis and not as a class action. You expressly waive any right you may have to arbitrate a class action. You may choose the American Arbitration Association, 1633 Broadway, 10th Floor, New York, New York 10019 (www.adr.org), or any other organization to conduct the arbitration subject to our approval. You may get a copy of the rules of an arbitration organization by contacting the organization or visiting its website.

Arbitrators shall be attorneys or retired judges and shall be selected pursuant to the applicable rules. The arbitrator shall apply governing substantive law and the applicable statute of limitations. The arbitration hearing shall be conducted in the federal district in which you reside unless the Seller-Creditor is a party to the claim or dispute, in which case the hearing will be held in the federal district where this contract was executed. We will pay your filing, administration, service or case management fee and your arbitrator or hearing fee all up to a maximum of $5000, unless the law or the rules of the chosen arbitration organization require us to pay more. The amount we pay may be reimbursed in whole or in part by decision of the arbitrator if the arbitrator finds that any of your claims is frivolous under applicable law. Each party shall be responsible for its own attorney, expert and other fees, unless awarded by the arbitrator under applicable law. If the chosen arbitration organization's rules conflict with this Arbitration Provision, then the provisions of this Arbitration Provision shall control. Any arbitration under this Arbitration Provision shall be governed by the Federal Arbitration Act (9 U.S.C. § 1 et. seq.) and not by any state law concerning arbitration. Any award by the arbitrator shall be in writing and will be final and binding on all parties, subject to any limited right to appeal under the Federal Arbitration Act.

You and we retain the right to seek remedies in small claims court for disputes or claims within that court's jurisdiction, unless such action is transferred, removed or appealed to a different court. Neither you nor we waive the right to arbitrate by using self-help remedies, such as repossession, or by filing an action to recover the vehicle, to recover a deficiency balance, or for individual injunctive relief. Any court having jurisdiction may enter judgment on the arbitrator's award. This Arbitration Provision shall survive any termination, payoff or transfer of this contract. If any part of this Arbitration Provision, other than waivers of class action rights, is deemed or found to be unenforceable for any reason, the remainder shall remain enforceable. If a waiver of class action rights is deemed or found to be unenforceable for any reason in a case in which class action allegations have been made, the remainder of this Arbitration Provision shall be unenforceable.

NATIONWIDE ATTORNEYS HANDLING LEGAL MATTERS FOR OVER TWO DECADES

**Subject: Notice of Representation and Demand for Full Compensation for Ford 2018 EcoSport Engine Failure**

Dear Customer Relationship Center,

I have bene hired to represent my client [redacted] garding the significant issues my client has encountered with their Ford 2018 EcoSport, purchased from Douglas Ford in Clifton, Texas. This is a demand for full compensation of the purchase amount and any amounts paid for repairs to this vehicle.

When my client purchased the vehicle, it had roughly 34,000 miles. At 34, 013 miles, the engine of the aforementioned vehicle failed, rendering it completely inoperable.

Since the unfortunate incident, my client's daughter, who primarily used the vehicle for commuting to school, has been unable to rely on it for transportation. After the vehicle broke down and despite immediate troubleshooting attempts, the car refused to start. Subsequently, my client took the vehicle to Douglas Ford, who apprised my client that the engine failure was a result of inherent defects known to Ford, characterizing it as a substandard engine.

My client was also informed that the warranty coverage for the Ford 2018 EcoSport was valid until 34,000 miles, leaving the engine failure incident only 13 miles beyond the warranty period. Ford Motor Company, while acknowledging the known issues associated with this model, has unreasonably declined to issue a recall or provide the necessary assistance in rectifying this problem. Ford's offer of a mere $2,000 towards the repair costs, which are estimated to be approximately $4,000, is both inadequate and unjustifiable considering Ford's awareness of the widespread engine failures.

The vehicle in question has remained stranded at Douglas Ford since December 2022, with my client diligently making loan payments and insurance premiums for a car that has been rendered unusable. This situation has caused immense inconvenience, financial burden, and anxiety for my client. They have been unable to avail themselves of the vehicle they purchased in good faith, which was meant to serve as a reliable means of transportation for their daughter's daily commute.

In light of the aforementioned circumstances, I kindly request that you take immediate action to rectify this matter by honoring Ford's responsibility and provide full compensation for the repairs required to restore the Ford 2018 EcoSport to a drivable condition. Additionally, my client insists on reimbursement for all loan payments made thus far, totaling $230 per month, as well as the insurance premiums amounting to $130 per month. It is our expectation that this compensation, inclusive of the repair costs, be paid to my client within 30 days from the receipt of this letter.

Failure to comply with this demand will leave my client with no choice but to explore further legal avenues to seek redress for the damages caused by Ford Motor Company's negligence and their refusal to honor the warranty. My client possesses the title to the vehicle and will pursue all available legal remedies, including but not limited to filing a formal complaint with the appropriate consumer protection agencies, pursuing litigation, and alerting the general public to their experience.

I trust that you recognize the seriousness of this matter and the implications of the actions my client may undertake if their demands are not met. We sincerely hope Ford will prioritize customer satisfaction and take immediate steps to ensure my client's grievances are addressed without further delay.

Please contact my office using the information at the bottom of my letterhead, and thank you for your attention to this matter.

Sincerely yours,
*/s/ Alex R. Hernandez Jr.*

Dear Sir or Madam:

Lemberg Law, LLC, is writing on behalf of the above clients with regard to the above vehicle purchased. We will seek relief on our client's behalf under the Magnuson Moss Warranty Act, breach of warranty statutes and other laws protecting Florida consumers. Upon receipt of this notice please direct all inquiries regarding the above vehicle to this office, rather than to the client.

Since the purchase date and during the warranty period, this vehicle has been out of service over 30 days and and subject to repair due to the engine failure.

The defects in the vehicle constitute a breach of warranty, in that they substantially impair its use, value, and safety to the client. Because of the problem outlined above, our client revokes acceptance of the vehicle under U.C.C. § 2-608. Our client demands a return of all money paid so far, including the down payment, amount of payments thus far, finance charges, other fees, incidental and consequential damages, costs, and attorney's fees. We have been instructed to seek all legal recourse available under the law.

Please be advised that under U.C.C. § 2-711(3), our client has a security interest in the vehicle until the purchase price is returned, plus expenses in handling and inspecting the vehicle. Until you pay this amount, our client will hold the vehicle and use it to the extent necessary to preserve it, to protect the security interest, and to minimize your damages. Moreover, our client demands the return of the purchase price before substitute goods can be acquired. In addition, any attempt by you or your agents to repossess the vehicle will be deemed wrongful and will subject you to liability for conversion and for wrongful repossession under U.C.C. §§ 9-503 and 9-507. If the seller or any creditor subject to the FTC Holder Rule has filed a financing statement covering the above vehicle, we demand, pursuant to U.C.C. § 9-404, that you file a termination statement within 10 days to terminate such security interest. Failure to do so subjects you to liability under U.C.C. § 9-404(1).

Our client understands that sometimes the failures of the manufacturer simply cannot be corrected by any dealer. We hope to bring this matter to an end through an amicable settlement. Thank you for your time and consideration in this matter, and I look forward to hearing from you.

Sincerely,

*/s/ Sergei Lemberg*
