Dear Mr. Speth:

We have completed a review of the quarterly status reports for the second quarter of 2004. According to our records, owners of the affected vehicles of safety recall 04V-112 concerning crankshaft position sensor wire were notified on March 29, 2004. Therefore, DaimlerChrysler Corporation's (DaimlerChrysler) first quarterly report was due in this office on or before July 30, 2004, however, to date we have not received this report.

If DaimlerChrysler believes that it sent in this report, please provide a copy. If your company believes that no reports are required, please explain the reason. Please provide your response by October 13, 2004.

You may fax the report to Mrs. Kelly Schuler at (202) 366-7882. If you have any questions concerning this matter, please contact Kelly at (202) 366-5227.

Sincerely,

George H. Person, Chief
Recall Management Division
