IMPORTANT SAFETY RECALL 18E-094 NOVEMBER 2018

NHTSA RECALL NO. 18E-094

This notice applies to your vehicle identified on the enclosed card.

Dear INTERNATIONAL® Customer,

This notice applies to your vehicle identified on the enclosed card. This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Truck-Lite has decided that a non-compliance which relates to motor vehicle safety exists in certain 2016, 2017, 2018, and 2019 LT® series trucks built 12/15/2015 thru 10/01/2018 with their supplied headlamp housing assemblies.

REASON FOR THIS RECALL

Certain LT® series trucks may not conform to Federal Motor Vehicle Safety Standard (FMVSS) 108, "Lamps, Reflective Devices, and Associated Equipment." The right-hand headlamp lens may be marked incorrectly for the method used to aim the headlight and can result in an improperly aimed headlight.

RISK TO MOTOR VEHICLE SAFETY

An improperly aimed headlamp may reduce forward visibility during low light driving conditions, which could increase the risk of a vehicle crash resulting in property damage or injury.

DEFECT REMEDY

The repair will involve installation of the enclosed "VOR" label. Instructions for installation are provided by Truck-Lite below.

ACTIONS YOU SHOULD TAKE

Navistar's records indicate that you own a vehicle involved in this recall and is identified on the enclosed card. Refer to the instructions on the backside of this letter for instructions on how to install this label yourself.

If you are the lessor of this vehicle, please forward a copy of this notice to the lessee within ten days to comply with federal regulations.

If you do not own this vehicle, please fill out and return mail the enclosed card so that you will not be contacted again about this recall.

IF YOU NEED FURTHER ASSISTANCE

If you believe that Navistar has failed to remedy the noncompliance without charge or within a reasonable time, please follow the procedure described in the Owner Assistance Guide section in your Owner's Manual or call toll free 1-800-448-7825.

You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave, SE, Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to http://www.safercar.gov.

Navistar requests your prompt attention and patience regarding the correction of this defect and apologizes for any inconvenience this may cause you.

Navistar, Inc.

WARNING! PARK VEHICLE ON HARD FLAT SURFACE, TURN THE ENGINE OFF, SET THE PARKING BRAKE AND BLOCK THE WHEELS TO PREVENT THE VEHICLE FROM MOVING IN BOTH DIRECTIONS. FAILURE TO COMPLY MAY RESULT IN PROPERTY DAMAGE, PERSONAL INJURY AND/OR DEATH.

1. Park on a flat surface, shift the transmission to Park or Neutral, and set the parking brake.

Figure 1 RH Headlamp Lens

1 1 DOT Designation

2. Locate area on Right Hand Halogen Headlamp lens (Figure 1) where the current DOT designation is marked (Figure 1, Item 1).

   NOTE: Do not use glass cleaner.

3. Using a clean soft towel with Isopropyl alcohol, clean area by removing all dirt, bugs, and other debris. Wipe dry and wait 45 seconds minimum for Isopropyl alcohol to evaporate.

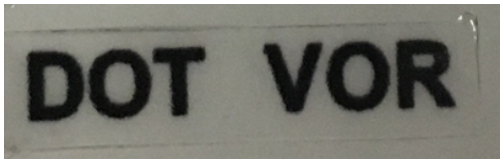

Figure 2

4. Using supplied label (Figure 2), remove backing from label and apply label to RH Headlamp Lens (Figure 1) directly over the current etched DOT designation (Figure 1, Item 1). Ensure you align the "DOT" on the label, over the 'DOT' on the lens. Then proceed to lay the label completely over the lens and firmly press in place.
