Ms. Levick,

Good afternoon. We can offer a 30-day extension for Information Request responses but not longer. Can you please indicate on your submission what is considered "complete" and what is expected to be updated by the extension date of June 24, 2024?

Please let me know if you have any questions.

Thanks,

Mr. Lee,

On behalf of Mando Corporation, as noted in my voicemail of a few minutes ago, I would like to respectfully request an extension of the deadline for Mando's response to NHTSA's information request related to AQ23-002, sent on April 23, 2024. Mando will be providing a substantial response by the current response deadline of May 23, 2024, but requests an additional 60 days (until July 22, 2024) to determine whether additional information should be provided in response to NHTSA's request.

I would be happy to discuss this request at your convenience; I can be reached at either of the numbers below or via email. Thank you in advance for your consideration.

Best,
Rachel
