DCSnet Message
Urgent

Subject: **Update for Delivery Stop - VIN and Tire Label**

General Managers, Sales Managers, Service and Parts Managers, Service Managers, Shop Foremen, Service Technicians

Message Text:

Please be advised that the tire and VIN labels for the F56 Delivery Stop are now available.

For your convenience, attached to this message are M71 01 15 that instructs you how to perform this recall, Tire Label Request Form and VIN Label Request Form. Start replacing the labels on affected vehicles in your inventory.

Affected vehicles can be identified with a “Vehicle Comment” in the DCS Warranty Vehicle Inquiry or ISPA Light with the description: 0071160200 M71 01 15 VIN and Tire Label Replacement F56, Recall 15V-034

Sincerely, Eugene Aton, Technical Service
