Simulated Wood Grain Trim Panel & Door Panel Kits

Make a statement inside. Give your truck interior the look and feel of luxurious birdseye maple with a warm cherry stain. We craft these from durable plastic so they can handle the grunt and grind of a commercial truck.

*Easy snap-in installation

Applicable Models:

All 2005-2013 Conventional

Part Numbers:

S554141290 — Wood Grain Dash Surround

681431030A — Door Trim Left

681441020A — Door Trim Right

Air Ride Seats

Air Ride Seats

Do you have comfort on your mind? Our seat is designed to accommodate drivers up to 350 lbs, includes a single heavy duty 1.62 in diameter shock damper. Based on the very popular Sears Atlas 70 Premium seat and engineered to mount and fit seamlessly into your Hino Truck.

- Contoured magnesium support structure
- Four cushion air lumbar support provides ergonomically correct support
- The new super-smooth toggle-link air suspension provides superior lateral support. No side-to- side rocking.
- Double-locking slide rails provide 9 inches of travel.
- Seat tilt & extension operate independently to fit drivers of all sizes
- Re-designed tilt-up and height-adjustable armrests with easy operating turn-knob fore/aft isolator with lockout
- Custom bracket to accommodate the washer fluid bottle on the passenger side

*Onboard air source required

Note: New seat belts may be required when changing to air ride seats. Please contact Hino Motors Sales if you have questions.

Air Deflector Kit

Look great and improve aerodynamics with the Hino Air Deflector Kit.

Hino has worked hard to develop a product that looks great and actually cuts your operating costs by reducing fuel consumption. Plus, the unique modular lightweight (43 lbs) design makes installation fast and easy – it can even be mounted without the use of a hoist or crane! So now is the perfect time to dress up your truck and start saving, with a genuine Hino Air Deflector.

- Robust construction for longer service life
- Modular design for easy installation
- Excellent cab-to-roof fit for maximum aerodynamic benefits
- Provides excellent "billboard" location for promoting your business with your logo
- Available in HINO white (as shown in photo), can also be custom painted to match any vehicle
