Irvine, CA 92618-2922

REFERENCE NO: RF-23-02 **DATE: 01/25/2023**

SUBJECT: BDGF-66-5G0B Rain Sensor Part Application

Due to the supply chain shortages for BDGF-66-5G0**G**, hardware has been confirmed compatible between BDGF-66-5G0**B** up to the G suffix. This can be used for repair with vehicles originally equipped with C to G level suffix parts.

Summary:

Short supply of BDGF-66-5G0**G** but BDGF-66-5G0**B** can be used as it is compatible.
