NARRATIVE DESCRIPTION (CONTINUED)

There are no failures in my truck
except that there are only lap seatbelts,
and they are not like today's seatbelts,
missing the shoulder strap.

I would like shoulder straps put in!

And of course the gas tanks are
side-saddled outside the frame.

Oh well, please respond and let me
know how & where I could get
shoulder straps put in my truck.

Thank you very much,
