The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

While TRAVELING NORTHBOUND ON A 3 lane highway (I was
driving the middle lane) the car in front of me
was cut off by a car crossing over the lanes. He
Applied his brakes, I Applied mine and the
car in back of me did not and hit me in the rear
end and pushed me into the back of the car in front
of me. I received front and rear damage. My brother
was in the passenger seat and we both had our
seat belts on luckily. But still received minor
neck & back injuries. Had physical therapy for
7 weeks for both of us. My back never did not go
off and have been in contact with Hyundai about
this but have received no satisfactory
answer from them as to why they did not notify
