Narrative Description of Incident(s), Crash(es), and Injury(ies).

Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure;
i.e., parts repaired or replaced (and if old part is available).

WHILE TRAVELING ON THE HIGHWAY, WITHOUT PRIOR WARNING THE VEHICLE WOULD SHUT DOWN AND WOULD NOT RESTART. DEALER IS AWARE OF THE PROBLEM. "PH"

I was left sideways/deading in the middle of road until help arrived. Since vehicle is turned around it will back downhill. Dealers (2) don't restart. Know what is wrong.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

ATTACH ADDITIONAL SHEETS IF NECESSARY

The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I can't go west in Colorado or my favorite places in California because gas will not run at 8500' elevation. Dealers don't know how to fix car. It is a road hazard I was left sideways in road when the car was hesitating. I attempted to turn around but couldn't make it. once turned around downhill the car ran fine.
