

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Also there was a gap in the body (that let water in) at the passenger front floor-board.

5'10" is a piece of junk - short in volume knob on #3 that have been with + had display + had counter carriage let times.

Also, they should spend a few bucks + get the fence men in to hold up the hood - not use a prop stick.
