Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

So black he was surprised at its color and he's a mechanic and he told me he's never seen black transmission fluid like this ever. It runs rough the idle is bad it has stalled on me before. I've from the very beginning have told and taken this car to Loren Simerson he says as an excuse its old it has a lot of miles on it that's no excuse by law any car he sells whether it has 2 miles or 2 million miles on it. It is supposed to be safe sound and in top condition. I got nothing but shafted and the runaround from this man and he will lie and deny that I constantly came around I constantly tell and told him from the very beginning how the car clunks and jumps going into gears he totally ignored me from day one I want all my money back so I can get a safer running car ATTACH ADDITIONAL SHEETS IF NECESSARY

Continue from where I said I want
all my money back. I'm also disabled
I'm homeless and I was using my car
as a roof over my head as well as my
pets. This man is a crook a thief
and needs to be disciplined for taking
advantage of a disabled homeless
person on a very fixed and limited in-
come. I will send copies of all the
defects ~~as~~ as well as pictures. I also
have witnesses & proof.

Also this man shouldn't
get away with it with any body. I'd ~~be~~ be
so ashamed to trade it in because it's junk
and I don't have the heart or conscience
to do that. I'm so heartbroken distraught
devastated hurt angry upset & mad.

Please Please Please help me
what if this were your Mother Sister
Niece female Cousin Aunt or Grandmother
I feel raped & violated by all this that
they took advantage of me and I don't
want this to happen to anyone else in fact
these people should not be in business.

I also want all the money back for
parts labor everything so I ~~can~~ can get a safe
running vehicle plus a roof over my head as
well as my pets. Also I'm not paying him
anymore for this heap lemon etc I can't afford
to throw good money after bad for a hunk of
junk.

No radio no temperature Emblem
I had to replace it so I could ~~read~~ read my
temperature gauges I paid close to \$18⁰⁰
for it. It also had no mats.

And my Brothers & Friend told me

The axles were bad I took an axle over there to be replaced they would not do it when the owner says that's his policy you buy the parts we replace that did not happen and I have PROOF the axles are bad and there so called mechanic said they weren't bad and I have proof from more than one mechanic.

And there BOZO Mechanic told me its the bushings. And he hides the fact the car's a lemon. Ha Some mechanic

And right from the beginning that I told him about the klunks and jumps in gears he did Absolutely nothing but let me drive an unsafe vehicle when there was a warranty he did not honor on the transmission.

I will not and refuse to drive this lemon its on its way out.

And I refuse to pay him anymore.

Thank you all so much for your time efforts and professionalism on this matter I sincerely appreciate it

With many ~~at~~^{thanks} and sincere appreciation from [REDACTED]
