June 29, 2004

Dear Lee:

I just spoke to you regarding my complaint on my 2000 Chevy Van Express (reference #10059764). I would like to have all my paper work forwarded to the manufacturer of my van. I do believe this has been an existing problem and after three replaced motors and the article I sent about the problem GM. should stand behind the problem and repair it at no charge.

Thank you

Rockledge Fla
