I think this basket was leaking inside of trans case. Leaking went to Chevy garage to get confirmation they said OK. But at later date they did replace this basket. and charged me. (over)

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Dalhousie miles 15.139 Drive Vehicle to 23.658 miles before proper repair was made on wheels. this became a problem to fill tires every week and CR tires nearly every day because their tire people didn't find the problem. to me this was a safety problem on long drives. My thoughts within that all the flooding we had around the country at this time 2000-2001 that this vehicle was in a flood & sat in water that covered the under carriage. I would like to add that in Dec. my son's job was eliminated at Big Bear. So we drove the north part of WVA, Virginia & also into NC to interview for jobs since he has a family of 3 small children we drove in snow storm's and wind extreme bad weather. I feel we were in danger our lives since all this rebellion was in this vehicle. we made it

Gold Checked Certified Vehicles

What does Gold Check Certified mean? It means your pre-owned car has undergone extensive pre-delivery inspections and has passed all required inspections to be accepted as a Certified vehicle.

There are a number of advantages to buying a pre-owned vehicle from McClinton:

Almost all of our pre-owned vehicles are Gold Check Certified. The Gold Check Certified symbol signifies that

Your vehicle is also backed by a limited warranty which is 90 days/3000 miles and comes with one

year of 24-hour Roadside Assistance as well as other value added benefits. Roadside Assistance benefits are available to you at no extra cost as part of the Gold Checked Certified plan.

In addition to the benefits of the Gold Check Certified Limited Warranty, you are provided the following special services as another indication of our commitment to quality services.

The first is Travel Breakdown Protection. This is covered the first year of ownership. In the event of a mechanical breakdown of a covered component, we will reimburse you for food and lodging providing you are in

excess of 100 miles from home.

Second is the rental Car Coverage. You will be allowed up to \$26 per day for a maximum of 10 days. If a covered mechanical breakdown renders your vehicle inoperative and requires your vehicle to be in our shop overnight for repairs. This is during the first 90 days.

Properly maintained vehicles will last longer, deliver maximum performance, and help protect your investment. We can provide you with the recommended maintenance schedule based on the driving conditions in your area. Please follow the recommended schedule so that your vehicle can provide you with many years of driving enjoyment.

You'll experience all the excitement and confidence of buying a new vehicle, yet enjoy the value of a great pre-owned vehicle.

Chevrolet & Mitsubishi Product Updates

- ⇒ The all new 2004 Chevrolet Malibu Maxx is here. Nothing compares to Maxx. It's part car and part SUV.
- ⇒ The new compact 2004 Aveo is here. It goes head-to-head with Kia Rio and Hyundai Accent.
- ⇒ The 2004 Chevrolet Colorado, our new mid-size pick up truck comes as a regular, extended or crew cab.
- ⇒ The 2005 Chevrolet Equinox is here. This compact SUV will compete with the Jeep Liberty and Ford Escape.
- ⇒ The Cobalt should be here late winter. This is an upscale replacement for the Cavalier. It compares to the Honda Civic.
- ⇒ The Uplander should arrive this fall. This is the new Chevrolet sport wagon and will replace the Venture V66.
- ⇒ The Limited Edition Dale Jr. and Intimidator Monte Carlo's are here.

We Will Pay You \$500 If We Can't Match or Beat Any Manager Approved Deal from Another Dealer on a New Chevy or Mitsubishi Out of Stock

 **AN AMERICAN
REVOLUTION**

Tires leaked air from the
time I bought vehicle.

Had to ck and add air
each week. McClinton Garage
Sent me to their tire people
Wagners on 19th St. Parkway
WVA they ck and reported
to me there was no leaks.

finally as you can see on the
invoice. Mahone tire Co knew
what the problem was when I
went to them & said they could
fix them and did so. they said
Corrosion buildup on wheels at
air escape through the rim of
tire's. removed tires and ground off
Corrosion on rims
