Ladies & Gentlemen:

Ref. # 10072037 dated May 4, 2004

I want to thank you for your
help regarding my 1998 Pontiac
which had a manifold problem.
General Motors had a recall
(03054B) but tell me my VIN #
was not included in the recall.

After notifying you, I received a
recall notice for the Pontiac

NUM 201
10/11/04
