Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I had to replace back brake lights. There are many trailblazers riding around with no brake lights. to me this is an accident waiting to happen. These cars are to new to have this problem.

Also my wiper motor started breaking on my way back from West Va. I had to replace this 4am. I have asked a few different owners of these cars and they have had to replace the brake lights too.

Thank You
