Narrative Description of Incident(s), Crash(es), and Injury(ies).

Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e., parts repaired or replaced (and if old part is available).

THE CONSUMER HEARD A CREAKING NOISE COMING FROM THE FRONT END. THE MECHANIC INFORMED THE CONSUMER THE BALL JOINTS WERE WORN. PLEASE PROVIDE MORE INFORMATION. *JB

Car became unstable at highway speeds. Have seen many other owners experience the same problem through a search on the Internet. Dealership also stated that this is a known problem for these Passats but VW refuses to conduct a recall. I feel that this is a safety issue that should be addressed.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.

The Privacy Act of 1974-Public Law 93-579 This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
