Narrative Description of Incident(s), Crash(es), and Injury(ies).

Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure; i.e. parts repaired or replaced (and if old part is available).

WHILE ACCELERATING PEDAL WENT TO THE FLOOR. DEALERSHIP WAS NOTIFIED, BUT DID NOT RESOLVE THE PROBLEM. *AK
We had just washed the car in front of garage and went to put in garage
and turned car on + put in gear and the gas pedal went straight
to floor and couldn't stop it. put Brakes on but it just kept going
straight thru garage and out outside taking a peach with
it. The gas pedal just stuck - something told it to go but they
didn't find out what. We were lucky no one was hurt. imagine
if we were on the highway.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoices.

ATTACH ADDITIONAL SHEETS IF NECESSARY.

The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
