The Privacy Act of 1974 (Public Law 93-502) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

My brother drove the car to the movie theater while in the movie for about 30 mins. The manager noticed him that the car was on fire. No prior problems with car, and there was no indication that something was wrong. I did contact Chrysler and they sent someone out to investigate.
