Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies).

Returning to my home to pick up the summer vacation, I pulled up to the garage, put the car in park and opened the garage door. Picking up the car, I turned around to see the car moving forward. I could not get in the car to stop it. The car hit the wall and damaged the back end of the wall. I got in the car to back away, the car was in PARK position. The car was taken to a shop for the 10,000 mile check-up. They found the engine oil leaked. It was checked very carefully.

The Privacy Act of 1974 - Public Law 93-579 This information is requested pursuant to 49 U.S.C. Chapter 301. You are under no obligation to respond to this questionnaire. Your response may be used to assist NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If NHTSA proceeds with administration enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
