### Safety Recall Notice

Dear [REDACTED]

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Daewoo has decided that a defect which relates to motor vehicle safety exists in certain Lanos, Nubira and Leganza model vehicles.

The problem is with the Camshaft Position (CMP) Sensor that may be installed in your Daewoo vehicle. The CMP sensor sends a CMP sensor signal to the engine control module (ECM). The ECM uses this signal as "sync pulse" to trigger the fuel injectors in the proper sequence. In rare instances, due to a possible crack in the C2 capacitor attached to the CMP Sensor PC board, CMP Sensor may malfunction, which will cause the check engine warning light in your instrument panel to illuminate. Additionally, the Camshaft Position Sensor and wiring may melt resulting in a burning smell and/or visible smoke and possibly an underhood fire.

If you have taken your Daewoo in for service since October 2001 because the Check Engine Warning Light was illuminated on your instrument panel, contact your Daewoo Dealer or Authorized Service Center (ASC) immediately to arrange for your vehicle to be inspected, because your CMP Sensor may have been replaced with one that is subject to this recall. Your dealer or ASC will inspect your vehicle and, if your CMP Sensor needs to be replaced, will replace the sensor and add an in-line fuse to the CMP Sensor wiring. If you are not the first owner of your Daewoo vehicle and/or are not sure if your vehicle has been serviced because of an illuminated Check Engine Warning Light, you should also immediately contact your Daewoo Dealer or Authorized Service Center (ASC) to arrange for your vehicle to be inspected.

If your vehicle has not been serviced since October of 2001 to address an illuminated Check Engine Light, or your vehicle's VIN\* is not within the following VIN range, your vehicle is not subject to this recall campaign, and you need take no further action at this time.

- Lanos (VIN\* numbers: 158465 to 715060)
- Nubira (VIN\* numbers: 157058 to 778128, 998142 to 998148)
- Leganza (VIN\* numbers: 105894 to 331911)
