Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies).

This is a Four Winds International / Thor motor home. The back tail light turn signal does not always work. If you tap the light cover or the side wall near the light, this will cause it to start working again but you never know for how long. It has been like this for a few years.

Continue on back.

The Privacy Act of 1974 - Public Law 93-579 This information is requested pursuant to 49 U.S.C. Chapter 301. You are under no obligation to respond to this questionnaire. Your response may be used to assist NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If NHTSA proceeds with administration enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.
