The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a summarized summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

WINDOW port of Tailgate could fall down + damage a person if they were using it to load groceries. I have arthritis in my hands + fingers + use this window alot the whole tailgate is too heavy to close constantly. Warning says not to use window but I find it necessary to do so. Warning was dated Oct 2004.
