Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies).

Crack windshield (have had several'beds and have had none that cracked). Doesn't at all look like they are suppose to, wipers don't work properly. During the time that I've had this vehicle I've had to put in 2 transmissions. My 3rd I had to put on it. I'll never own another Taurus. Never again. Dome light over
