Mr. Michael Jordan

Safety Defects Program Assistant

Correspondence Research Division

Office of Defects Investigation

400 7th St. S.W.

Washington, D.C.

Dear Mr. Jordan:

This is my 3rd letter to you
referring to my 1998 Ford Contour
car.

I received a call from Dave Yu,
Auto Safety Office, he tells me to be
in touch with you again to say
that my vehicle originally was sent
to Florida from where it was made,
brand new, + leased by Hertz to

Michael

Page-2-

someone, that person used the car for 14,000 miles. After 14,000 miles it was shipped to Ct. to be sold. I bought it at Crestwood Ford, Watertown, Ct.

My car experienced a suspension system defect. In my drive way a rod broke away from suspension system & hit my left tire, made it completely flat & had to be replaced. At this time I had 37,000 miles on the car.

If this car had been shipped to a cold climate I would have experienced this defect before the cut off date, that is why I feel I am entitled to a \$700 refund from Ford Company & I am asking
