Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

I love my car but no one should have to keep paying for something & keep paying for it year after year. The staff at Kiddle Honda could have cared less about our problems. I even spoke with the Regional Mgr. to no avail. My car only has a little over 100,000 miles on it. If anything could be done I would appreciate it. If not our next car will not be a Honda. Everyday I get in the car I have to look & see if the SRS light has come back on, if not just wonder when it will be lit again & wonder how much it will cost. And then there is a problem if we go to sell it?
