NATIONAL HIGHWAY
TRAFFIC SAFETY ADMIN.

2003 Chev 2500
- 2003 Chev 2500

I have tried numerous times to contact Morehart Chevrolet in Durango to have the recall on the support cables fixed on my two trucks. They say they do not have the parts and will contact me if they every get them. I feel this is far too long to correct a problem. Any help you can give me would be greatly appreciated.

Sincerely,

Recall No
