Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Vehicles Windshield Wipers Fail to operate on an intermittent basis. Replaced on 2-18-05 I have the defective part, the mechanic showed me the defective solder joint.

I also own a 1998 GMC Pickup that was repaired for this same problem which included 1994 thru 1997 vehicles including the 1997 Jimmy which is the same as my 1998 Blazer.

Apparently GM was not fully addressed this problem
