The Privacy Act of 1974 (Public Law 93-579) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

When attempting to stop or slow down the vehicle vibrates.
They told me at the dealership that there was nothing wrong
with the rotors. Every 3,000 miles it keeps getting worse. And
the dealership still won't fix it. I need to get it fixed by
the dealer and let them pay for it, before someone gets
hurt.
