To Whom it May Concern:

I own a 2002 Dodge Dakota truck-
vehicle I.D. # 1B7FL36X72

I haven't received a recall letter
on my truck about the defective
ball joints. When will I get a
recall letter?

The truck makes a noise ^{in the front}, but
no one but my family can hear
it. Dah! I would hate to have a
wreck because of defective ball joints
and get hurt before it was fixed.
