Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

IN FIRST PART OF DOD. Pavement was dry, but water in gutter turned wheel ste R to make turn stepped on gas, going into 15 MPH. CAR wanted to do a 360° TURN. Steered into the turn. CAR tried to do a 360° turn to left. got the CAR scrubbed out. it was OK on the dry streets.

Couple weeks later it was raining & went to pull out to lane on Highway 1000 15 MPH. CAR tried to do a 360 to look 400 feet long to see where CAR out. Almost had accident. Took the CAR to dealer, had grease changed in Rear end. Didn't help situation. Wife took CAR & hit a wet spot on Highway & it tried to do a 360. I don't know whether it is the Rear end, TIRES or something else. CAR: dangerous this way.
