Re: Chrysler 300C

VIN 2C3AA63H95H [REDACTED]

my
2005

Gentlemen:

I'm reporting a serious injury to a client of mine, Raymond Douglas who was severely burned by his seat heater on the above referenced car in January 2005.

I think an investigation would be prudent as Mr. Douglas was a paraplegic and as such could not feel the heat when the heater was inadvertently activated.

Sincerely,

[REDACTED]
