Narrative Description of incident(s), failure(s), crash(es), and injury(ies).

Vehicle has fumes entering inside vehicle and has caused me to have some breathing problems at times and could possibly cause an accident!! I have contacted a Ford dealer and he has informed me to contact manufacturer about an existing recall on intake manifolds for 1996 & 97 model years and he informed me that the 1998 was not included although they still have the same existing problems
