Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

All info is correct except that I did not take the car to the dealer, the previous owner did. She took it to Suzuki for the same problem before the expiration of the warranty. Suzuki did not repair the problem properly because the windshield still leaks. I am afraid that the water will cause damage to my electronic components such as my alarm, TV or radio. Suzuki refuses to even see my car w/o a \$90 diagnostic fee.
