NATIONAL HIGHWAY TRAFFIC SAFETY ADM.
400 7th Street South West
Washington, D.C. 20590

To Whom it may concern:

My name is I would like to inform your office that I am the owner of a 2003 Ford F, 150. I was involved in a accident. I was sitting in a parking lot at 17900 John R. St. in Detroit MI. The truck was in park with the ignition off. The Vehicle began to roll backwards and collided into a building, resulting in over 7,000 seven thousand dollars worth of damage.

I wrote Ford Motor Co., Consumer Affairs on Nov. 24, 2004 to make a formal complaint. Upon careful review of my owners manual, I do believe that it is my duty as a citizen of the United States to report this incident to your agency because of the possible safety hazard it may pose to the other F-150 owners families, friends and the general public.

Thanking you in advance for your cooperation.
