Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies).

Cruise control went out approximately December 17, 2004. On December 22, 2005 truck was parked at parents house for about one hour and suddenly caught fire. Luckily my father saw the fire and started calling David. David was able to put the fire out however it caused extreme damage to the truck but did not total the vehicle. Vehicle was towed to McRee Ford for repairs. Received recall letter February 2005. A little too late!
