The Privacy Act of 1974-Public Law 93-579 This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Pulled in to Driveway of my home and my 5yr old grandson unlocke door as it was moving (which I did not know you could do) He opened the door. if he had not been in a car (child) Seat he would have fallen out of the car. I got out To let the Child out and to put the Child Safety Lock on and To my Surprise there was No Locks all the Cars I have brought sense these have been Put on cars There has been Safety Locks. This is The Only car I have Seen NOT To have them. I believe the Chev. Co should recall all these cars and put locks on them. Even a elderly person could fall out. I Dont understand how these cars got By Without the locks
