The Privacy Act of 1974 - Public Law 93-579 This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.					

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Walmart installed tire, Walmart stripped lug nuts on vehicle while installing tire rim or wheel. I did not know of this problem until I had a flat tire. I had to drive home on a flat tire that wheel or rim was destroyed as well as the tire Walmart tire had installed. This wheel had to be cut off of vehicle. Tire was lost on the way home. Several trips to auto parts dealers and after markets auto part houses to get lug studs, lug nuts or fasteners and wheel or rim to fix this problem Walmart did not leave me and my family safe to drive anywhere.
