

Technical Reference Division

I like to find out where to locate a pair of safety Belts for my Chevrolet Year 79 Model - Malibu - 1979.

Been to Dealer - like to get a new pair - include Brackets on top where Belt goes by
Been to junk yards. I don't want to wrap myself or passenger in one of them. Call catalogue no help. One of them is just starting to pray. (Belts) like to keep it nice not sure
I got 138803 same engine
I try to keep it
