Company's Response To Your Dispute

Company states they deny the request for a refund. -- Company states they deny the request for a refund. Company states the interest charged is 21.5% not 38.9%. They state consumer has never mentioned the interest rate to them. The formula is calculated by their Auto Dealer's Program (Auto Magic). They state it is the rule of 78s method and based on the amount financed and number of monthly payments. They state there is nothing wrong with the interest rate given to him. They state the contract states that 'there is no cooling off period'.
