Narrative Description of Incident(s), Crash(es), and Injury(ies).

Please describe (1) events leading up to the failure, (2) failure and its consequences, and (3) what was done to correct the failure, i.e. parts repaired or replaced (and if old part is available).

DT THE TIRES HAD TREAD SEPARATION, THREE OF THE FOUR WERE SEPARATING. THE MANUFACTURER ONLY REPLACED THE THREE THAT SEPARATED AND I HAD TO PAY FOR THE BALANCE AND THE MOUNTING. ONE OF THE SECOND SET OF TIRES SEPARATED NOT SURE IF IT WAS THE OLD ONE OR IF IT WAS ONE OF THE NEW TIRES. THE FIRST TIME WAS AROUND THE LAST OF DECEMBER. THE SECOND TIME WAS IN JUNE OF THIS YEAR. THERE WAS SOME DAMAGE DONE WIRING AND BODY OF THE CAMPER FOR THE FIRST THREE TIRES THAT SEPARATED. THIS IS MANUFACTURED BY PILGRIM INTERNATIONAL, MODEL IS OPEN ROAD 357. ITS NOT LISTED. *NM

That makes it 5 failures out of 8 tires, and the remaining 3 tires were only used a short time before we replaced all of them with different tires.

Include, if available: Police/Fire Department Report, Photos, and Repair Invoice.
