Safety Recall - Bosch Brakes #02V278000, Monaco File #R02175

Dear Administrator,

This letter is a follow-up to my letter to you dated 12 July, 2005 in which I submitted a complaint because I believed that "Monaco Coach Corporation has failed to remedy the noncompliance without charge".

After I sent the letter of complaint, I was contacted by Mr. Taylor Spike of Monaco Coach Corporation who after discussing the situation with me, decided that I should be reimbursed. Mr. Spike told me that I could expect a check in the mail in four to six weeks.

Respectfully,

[REDACTED]
