The Privacy Act of 1974 (Public Law 93-578) This information is requested pursuant to authority vested in the National Highway Traffic Safety Act and subsequent amendments. You are under no obligation to respond to this questionnaire. Your response may be used to assist the NHTSA in determining whether a Manufacturer should take appropriate action to correct a safety defect. If the NHTSA proceeds with administrative enforcement or litigation against a manufacturer, your response, or a statistical summary thereof, may be used in support of the agency's action.

Narrative Description of Incident(s), Failure(s), Crash(es), and Injury(ies)

Rear differential cover has rusted through and is leaking fluid. The rust is not isolated to one certain spot, the whole cover has rust on it to the point it would be impossible to locate the source of the leak. Rear drive train has not been exposed to water or mud.
