 AS of now this car is still in the shop. I am tired of
 spending money on this car. when a car gets old you expect to spend
 money on them but this car is not that old. How much service do you
 think that I have gotten out of this car. (not much) Mazda needs
 to be aware that this is a poor excuse of a car. This car lists new
 for over 17,000 dollars. There haven't been any accidents because it
 hadn't been on the road long enough.
